**English Mystics of the Middle Ages** Barry A. Windeatt,1994-09-29 First collection of late medieval English mystical writing which has been newly edited with notes and glossary     Who's Who in the Middle Ages Mary Ellen Snodgrass,2024-10-18 From Abelard to Zubaydah here is a biographical dictionary of notable men and women of the Middle Ages Hundreds of entries span the fifth to the fifteenth centuries covering a broad range of creative vigorous and influential people from Europe and the Middle East Each entry includes both personal and historical details alternate name spellings and references for further reading A rich selection of appendices includes a chronology of events a chronology of popes emperors and monarchs a list of colleges and universities of the Middle Ages a list of major monasteries abbeys and convents and an alphabetical list of individuals by occupation     **English Literature in the Age of Chaucer** Dieter Mehl,2014-06-11 Written in an engaging and accessible manner English Literature in the Age of Chaucer serves as both a lucid introduction to Middle English literature for those coming fresh to the study of earlier English writing and as a stimulating examination of the themes traditions and the literary achievement of a number of particularly original and interesting authors In addition to detailed and sensitive treatment of Chaucer's major works the book includes chapters on his chief contemporaries such as John Gower William Langland and the Gawain poet It also examines the often underrated contribution to the English literary tradition of his successors John Lydgate and Thomas Hoccleve as well as the interesting and original work of the Scottish poets Robert Henryson William Dunbar and Gavin Douglas who also claim Chaucer as their model Apart from the narrative poetry of Chaucer and his followers the book also contains chapters on the Middle English lyric Middle English prose including Mandeville's travels the most original and imaginative writings of the Middle English mystics in particular Julian of Norwich and Margery Kempe and Thomas Malory's impressive prose compilation of Arthurian stories     *By Women, for Women, about Women* Gertrud Jaron Lewis,1996     **Philosophy of One on the Many** Lawrence Eleyot,2016-06-17 The truth costs nothing although at times it is hard to come by and there will always be those with vested interests who will endeavor to keep it from you this is particularly so when questioning the beliefs of religion whose leaders believe their beliefs are sacrosanct and not to be questioned The right to believe cannot be denied the need of some to believe is precious to them

**The Catholic Encyclopedia** Charles George Herbermann,Edward Aloysius Pace,1913     **Dialectics and the Sublime in Underhill's Mysticism** Peter Chong-Beng Gan,2015-04-29 This book represents a study of Evelyn Underhill's premier work on mysticism using Hegel's dialectics and Kant's theory of the sublime as interpretive tools It especially focuses on two prominent features of Underhill's text the description of the mystical life as one permeated by an intense love between the mystic and infinite reality and the detailed delineation of stages of mystical development Given these two features the text lends itself to a construction of a valuable discourse predicated on dialecticism sublimity and mysticism The book also articulates a number of insights into the content and nature of the writings of Christian mystics     *The Dublin review* ,1872

**The Dublin Review** Nicholas Patrick Wiseman, 1872      **The English Prose Treatises of Richard Rolle** Claire Elizabeth McIlroy, 2004 The author argues that in these devotional works which appealed to a broad readership in late medieval England Rolle successfully refines traditional affective strategies to develop an implied reader identity the individual soul seeking the love of God which empowers each and every reader in his or her own spiritual journey Jacket

**The Catholic Encyclopedia: Brow-Clancy** ,1913      Indian Antiquary ,1872 At a time when each Society had its own medium of propagation of its researches in the form of Transactions Proceedings Journals etc a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects This encouraged Jas Burgess to launch the Indian antiquary in 1872 The scope was in his own words as wide as possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of India Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West Indian antiquary also dealt with local legends folklore proverbs etc In short Indian antiquary was entirely devoted to the study of MAN the Indian in all spheres Introduction to facsimile volumes published 1985      **Ethnic Identities in Bernard Malamud's Fiction** Martín Urdiales Shaw, 2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long Man in the Drawer By contrast the last chapter entitled Beyond Race into Myth Seeking the Liberation of the Self is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud s fantastic works the novel God s Grace and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six      **Introduction to Medieval Theology** Rik Van Nieuwenhove, 2022-03-24 The best introduction to medieval theology from the time of St Augustine to the 14th century in an expanded 2nd edition This volume invites us to think along with major theologians and spiritual authors in order to understand how pre modern thought can enrich and challenge us in a post modern context      **So Longeth My Soul** Joanna Collicutt, 2024-06-30 Students of Christian spirituality often have an ambivalent attitude to primary sources from the past On the one hand they are intrigued by the mysterious otherness of their and the promise that this very otherness may take them into exciting uncharted territory On the other hand they lack the confidence to navigate this territory so that what begins as strangely intriguing can quickly become just too weird The SCM Reader in Christian Spirituality not only offers a collection of readings from the classic texts of Christian spirituality but also gives the reader a way into these texts that enables them to be received as living and relevant for both personal spirituality and ministry An introductory section guides

the student through the process and offers techniques for approaching these often ancient texts The Reader then presents readings from the patristic to the end of the early modern period encompassing both the Eastern and Western church traditions grouped around key themes and including extensive notes and contextual material *Moritz Steinschneider. The Hebrew Translations of the Middle Ages and the Jews as Transmitters* Charles H. Manekin, Hans Hinrich Biesterfeldt, 2022-10-17 This book surveys Hebrew manuscripts of Aristotelian philosophy and logic It presents a translation and revision of part of Moritz Steinschneider's monumental *Die Hebraeischen Uebersetzungen des Mittelalters und die Juden als Dolmetscher* The Hebrew Translations of the Middle Ages and the Jews as Interpreters This resource was first published in 1893 It remains to this day the authoritative account of the transmission and development of Arabic and Latin and by way of those languages Greek culture to medieval and renaissance Jews The editors have updated Steinschneider's bibliography They have also judiciously revised some of his scholarly judgments In addition the volume provides an exhaustive listing of pertinent Hebrew manuscripts and their whereabouts The section on logic including texts hitherto unknown represents the latest research in the history of medieval logic in Hebrew This publication is the second in a series of volumes that translates updates and where necessary revises parts of Steinschneider's bibliographical classic work on Hebrew manuscripts of philosophical encyclopedias manuals and logical writings Historians of medieval culture and philosophy and also scholars of the transmission of classical culture to Muslims Christians and Jews will find this volume indispensable *Jewish Passages* Harvey E.
