Scantling, Sandra Scantling, 1998 Based on her twenty years of clinical practice sexual therapist Dr Sandra R Scantling has written a new guide to restoring the vital connections that bring couples together and make it possible for them to enjoy extraordinary sex This is not a sex manual it is a book about achieving true intimacy both in and out of the bedroom Great sex is based on couples becoming aware of those ineffable forces that originally brought them together forces that may have been based on differences rather than similarities in style and personality forces that now may be pulling these same people apart Having achieved an understanding of these forces they will be better able to communicate achieve intimacy and enjoy extraordinary sex From publisher description *Extraordinary Sex Now* Sandra Scantling, 1998 Vegetarian Times, 1998-12 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both From Awkward to Amazing Navneet Singh, Chapter 1 The First Touch Awkward Beginnings This chapter introduces the protagonists two individuals who deeply care for one another but find themselves fumbling through intimacy Their first sexual experiences are clumsy full of nervous laughter missed kisses and hesitant touches It s painfully sweet and honest The focus here is on normalizing awkwardness how vulnerability embarrassment and inexperience are part of many couples stories Sex isn t perfect at first and that s okay They learn through each mishap slowly realizing they can laugh and learn together Chapter 2 The Conversation That Changed Everything Open communication becomes the turning point The couple finally talks about what they like what feels good and what doesn t They share their fears previous experiences and fantasies This chapter dives into emotional intimacy consent and the trust that s built when two people truly listen to each other It s not overtly erotic but sets the tone for the transformation Chapter 3 Learning Each Other s Language Now that the lines of communication are open the couple begins exploring each other s bodies more attentively They take time to learn erogenous zones reactions and

rhythms There's emphasis on foreplay slow discovery eye contact and breathing together The sex is still imperfect but now filled with connection and intentionality making it beautiful This chapter is rich with sensual detail massage touch whispers and first orgasms born out of understanding Chapter 4 Saying Yes to Desire The couple begins sharing fantasies One partner admits they've always wanted to try being blindfolded The other confesses a craving for slow teasing domination Together they experiment gently adding silk scarves and power play to their evolving sex life This chapter highlights how erotic growth can come from safe enthusiastic exploration of desire There's a mix of nerves and thrill mirroring real life experiences when lovers begin exploring new edges together Chapter 5 The First Erotic Adventure They plan a weekend getaway It becomes their playground a luxurious hotel bubble baths room service and no clocks They roleplay try new positions and use a vibrator for the first time together This chapter is richly erotic filled with long scenes of passionate discovery mutual pleasure and the joy of seeing one another in new uninhibited light Chapter 6 Confidence in the Sheets With experience and trust their confidence grows They become bolder initiating sex in unexpected places expressing needs without shame and fully owning their pleasure Their sex life now reflects their emotional growth playful passionate and unapologetic This chapter shows how sexual confidence spills into other parts of life They're better partners more assertive at work and feel more self-assured Chapter 7 Rough Edges and Real Life Not every night is amazing This chapter grounds the story in reality dealing with bad moods dry spells misunderstandings and stress But now they have tools communication patience laughter They may not have sex for a week but when they reconnect it's deeper and more soulful because it's built on more than lust it's love too Chapter 8 Amazing Together The final chapter is a culmination of their journey Their sex life is now extraordinary not because it's perfect or wild 24/7 but because it's real connected and alive They know how to seduce each other with a look how to bring each other to climax with ease how to hold space when one of them needs more love than lust The last love scene is a blend of intense passion and tender closeness a night where they explore every inch of each other whisper gratitude and fall asleep wrapped in one another Epilogue The Ongoing Journey A reminder to the reader From Awkward to Amazing isn't a destination it's a continuous evolving journey Every couple can grow in intimacy connection and erotic confidence if they stay curious compassionate and brave
