Theories About Intelligent Life on Other Planets Tom Jackson, 2018-07-15 The premise that alien life exists has had a grip on writers artists thinkers and scientists since possibly the earliest days of civilization This awesome text explores many of the critical parts of astrobiology from theories about exoplanets and the formation of solar systems to places like the Lowell Observatory and Roswell and people like H G Wells and Carl Sagan Astrobiology or the search for aliens has never been so accessible as in this text With full color artwork and gripping accessible main text sidebars and fact boxes readers enjoy indulging in alien theories all the while learning science and history *The Big Picture* Ballabh P. Acharya PhD, 2018-12-23 This book attempts to search for answers to some of the fundamental questions about life on earth that humanity has been asking for thousands of years The first question is Why I am on earth Rooted deeply within the human psyche this question often arises with a belief that there must be some meaning and purpose in life and that human life is more than just being born getting an education having jobs raising families and eventually dying The second question is Who am I When we say I do this or I do that what is that I we are referring to What actually is meant by the word I Does it mean the body we have that we see walking seeing doing things or thinking Or it is

something larger than the physical body When we say This is good or That is good what is the standard by which we determine that something is good For example what you consider to be good in any situation or activity may not be perceived as such by others Is there any standard that can be generally accepted by humanity despite the difference in people s background and belief systems *Astrotheology* Dr. Ted F. PetersMartinez Hewlett,Martinez Hewlett,Joshua M. Moritz,Robert John Russell,2018-07-12 *Astrotheology Science and Theology Meet Extraterrestrial Life* looks at both ends of the telescope the unfathomable reaches of cosmic space and the excited stirrings within the human psyche It takes a scientist to explain what we are looking at It takes a theologian to understand who is doing the looking This book s scientific authors update readers on astrobiology s search for extraterrestrial life Theologians add to the science a theological analysis of the place of space in understanding God s creative work the prospects of sharing God s creation with extraterrestrial neighbors and the question of whether one or many incarnations are required for cosmic redemption Finally these scholars lay the foundations for an ethic of space exploration This book introduces a comprehensive astrotheology with an accompanying astroethic **Star Trek the Official Guide to Our Universe** Andrew Fazekas,2016 The characters of the Star trek television programs and movies go boldly among the stars but how much of what they tell us is accurate Fazekas compares the Federation s technology with our own and provides scientifically accurate accounts of the realms and star charts that the Enterprise uses to explore the solar system nebulae and more *We Want to Believe* Amy M. Donaldson,2011-04-14 From the first episode to the latest feature film two main symbols provide the driving force for the iconic television series The X Files Fox Mulder s I Want to Believe poster and Dana Scully s cross necklace Mulder s poster may feature a flying saucer but the phrase I want to believe refers to more than simply the quest for the truth about aliens The search for extraterrestrial life the truth that is out there is a metaphor for the search for God The desire to believe in something greater than ourselves is part of human nature we want to believe Scully s cross represents this desire to believe as well as the internal struggle between faith and what we can see and prove The X Files depicts this struggle by posing questions and exploring possible answers both natural and supernatural Why would God let the innocent suffer Can God forgive even the most heinous criminal What if God is giving us signs to point the way to the truth but we re not paying attention These are some of the questions raised by The X Files In the spirit of the show this book uses the symbols and images presented throughout the series to pose such questions and explore some of the answers particularly in the Christian tradition With a focus on key themes of the series faith hope love and truth along the way this book journeys from the desire to believe to the message of the cross **My Origin, My Destiny** D.C. Collier,2016-12-01 According to Guinness World Records there have been five billion copies of the Bible printed and distributed throughout the world covering two thirds of earths population But with all that exposure only a few Bible owners have actually read through its contents and fewer still have any idea of its life enriching themes In spite of modern societys scientific advances thoughtful people everywhere are still in search of lifes

persistent great questions like Is there more to my life than meets the eye Why should I believe that God exists Is everything just a giant cosmic accident including me Am I more than the sum of my parts Who am I Is there a problem between me and God What can I do about it Why bother Whats the big deal about Christianity This book humbly addresses these and other burning questions through the prism of the living breathing holy Bible Along the way you will be introduced to two of the most spiritually therapeutic truth streams that bubble across the Bibles pages Whether you are a seeker or confirmed believer these themes will literally revolutionize your understanding of the original unembellished Christian faith the faith that turned the then known world upside down Do you want to be a truly fulfilled person Here is authentic fulfillment becoming the kind of person God created you to be a person who is fully alive as Dallas Willard put it C S Lewis wisely observed Aim at Heaven and you will get Earth thrown in aim at Earth and you will get neither Interested **Space Law** Francis Lyall, Paul B.
