Modern Technology and Sciences... in the Bible Alla Peace, John Anderson, 2012-12-26 Based exclusively on the biblical verses the book *Modern Technology and Sciences in the Bible* reveals outstanding facts that modern discoveries are actually a rediscovery of remote ancient knowledge practically in all major fields of technology and sciences Each biblical quotation on these subjects has been analyzed comparing them with modern knowledge in technology astronomy cosmology physics geology biology medicine and metaphysical philosophy It proves that this high level of knowledge actually belonged to a sophisticated prehistoric civilization It also conclude that original unknown biblical texts are just pieces of vanished records left behind by an advance society of aliens biblical gods that visited and settled on the earth before our time The book is supported by an appendix which includes glossary glossary of persons geographical glossary measurements bibliography and maps

Parapsychology, New Age, and the Occult ,1993 *Discovering the Lost Pyramid* G. Cope Schellhorn, 1990 *The Beast Who Once Was: New Insight into End Times Prophecy* Chris Relitz, 2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will

seem to recover from death In the end times he will be seen to rise from the grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 **Subject Guide to Books in Print** ,1993 Bibliographic Index ,1994 **Paperbound Books in Print** ,1992 Aliens Like Us? Anthony Aveni, 2025-03-18 In this authoritative accessible and at times funny and irreverent work distinguished anthropologist Anthony Aveni speaks to the trained astrophysicist and the curious layperson alike about a simple but previously unexplored question Why do we assume aliens if they are really out there behave just like us Aveni s newest work departs from the usual scientific treatment of extraterrestrial intelligence by probing the historical and widely neglected anthropological record which offers relevant analogous incidents of contact among terrestrial cultures Beginning with theories of the evolution of life and culture advocated by astrobiologists Aliens Like Us explores how the Western cultural imagination is influenced by ways of knowing that are deeply embedded in the minds of the questioners for example how we consider the ownership of property the idea of progress and even the way we classify things The lessons of anthropology offer not only value structures from other cultures that differ profoundly from our own but also testify to the diverse ways in which alien cultures interact Finally on the question of potential first contact Aveni closes with a fascinating exploration of the image of extraterrestrials in popular culture that is derived in part from the hugely influential realm of science fiction
