**Holy Galactic** Ricky Firman,2025-03-08 What happens when humanity learns we're not the center of the universe or even its most interesting inhabitants Holy Galactic When We're No Longer Special in the Universe tackles this mind bending question with wit biting humor and a touch of absurdity This provocative and hilarious exploration begins with humanity's long standing delusion of cosmic significance From ancient myths that crowned Earth as the chosen stage of creation to modern debates about extraterrestrial life this book unpacks our fragile egos with sharp insight and dark comedy But the real fun begins when we imagine the impact of discovering intelligent alien civilizations beings with their own advanced technologies moral systems and possibly even scriptures of their own Will humanity try to convert aliens to our religions only to face theological chaos Will philosophers and scientists rewrite our understanding of existence to accommodate alien atheism Or will we collapse under the weight of realizing we were never that special to begin with Through vivid thought experiments satirical scenarios and profound reflections Holy Galactic examines how our species might adapt or fail spectacularly in a universe that doesn't revolve around us It challenges readers to laugh at our absurdities while confronting deep questions about purpose faith and identity in a cosmos far vaster and more complex than we ever imagined For fans of dark comedy thought provoking science fiction and existential humor Holy Galactic is a journey into the unknown an invitation to embrace humility curiosity and wonder Because sometimes the best way to deal with our smallness in the universe is to laugh at it

"Aliens" in Revelation Gm Matheny,2019-10-31 The premise of this book is that aliens are evil spirits the fallen angels of the Devil God created animals man and angels but no little green men from Mars But both the angels of God elect angels and the angels of the Devil devils with their superior abilities if they had not been named angels and evil spirits in the Bible would be thought of as aliens And there are reasons why people living in the future tribulation will believe angels are aliens a deception that would work to the Devil s advantage Ancient writers from different countries wrote about beings visiting them from the skies who were superhuman Some were called gods watchers or angels I do however believe that angels in the Bible are exactly what the Bible says they are not that the word angel is a code word for alien or that the prophets of the Bible lacked the vocabulary to describe aliens Again I am saying that if God had not given us their name angel then people would naturally think they were ancient aliens This book is written with complete reliance on the Bible and the outline for my story will come from the book of Revelation

Fundamentalism in America Philip Melling,2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millenialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing Fundamentalism in America provides a vital and compelling account of the present state of religious and nationality identity in the United States
