

Extreme Right Activists in Europe Through the Magnifying Glass Routledge Studies in Extremism and Democracy 1st Edition Pieter Klandermans

Extreme Right Activists In Europe

Bert Klandermans, Nonna Mayer

Extreme Right Activists In Europe:

Extreme Right Activists in Europe Bert Klandermans, Nonna Mayer, 2006 Since the 1980s one of the main political changes in Western Europe has been the electoral upsurge of extreme right wing parties However while the electoral support of these movements has been studied extensively their membership has largely been ignored This book examines who joins the extreme right and why Drawing upon extensive research and featuring contributions from distinguished social psychologists and political scientists this book provides the most detailed comparative study yet published of the psychology of right wing extremist activists Countries discussed include Germany The Netherlands Italy Belgium and France

Mapping Extreme Right Ideology M. Bruter, S. Harrison, 2011-08-30 An explanation of variations in the discourses and electoral success of 25 extreme right parties across 17 European political systems The book shows how the European extreme right is mapped by the positions of parties and voters on two ideological dimensions and how the match between these determines electoral success *Mobilizing on the Extreme Right* Manuela Caiani, Donatella della Porta, Claudius Wagemann, 2012-02-16 Mobilizing on the Extreme Right compares the extreme right in Italy Germany and the United States using concepts and methods developed in social movement studies While the political parties on the right are well studied this is the first volume to address in comparative perspective the social movement organizations on the extreme right

European and American Extreme Right Groups and the Internet Manuela Caiani, Linda Parenti, 2016-04-29 How do right wing extremist organizations throughout the world use the Internet as a tool for communication and recruitment What is its role in identity building within radical right wing groups and how do they use the Internet to set their agenda build contacts spread their ideology and encourage mobilization This important contribution to the field of Internet politics adopts a social movement perspective to address and examine these important questions Conducting a comparative content analysis of more than 500 extreme right organizational web sites from France Germany Italy Spain the United Kingdom and the United States it offers an overview of the Internet communication activities of these groups and systematically maps and analyses the links and structure of the virtual communities of the extreme right Based on reports from the daily press the book presents a protest event analysis of right wing groups mobilisation and action strategies relating them to their online practices In doing so it exposes the new challenges and opportunities the Internet presents to the groups themselves and the societies in which they exist Researching the Far Right Stephen D. Ashe, Joel Busher, Graham Macklin, Aaron Winter, 2020-11-09

Researching the Far Right brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods

to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature *The ^AOxford Handbook of the Radical Right* Jens Rydgren,2018-02-01 By integrating various strands of scholarship on the radical right that covers different regions and different research perspectives The Oxford Handbook of the Radical Right provides an authoritative and state of the art overview of the topic that will set the agenda for scholarship on the radical right for years to come *Youth Activism in the Radical Right of Brazil and Germany* Beatriz Besen,2025-05-24 This book offers a comprehensive analysis of radical right youth activism in Brazil and Germany examining the complex pathways of political engagement through innovative biographical and narrative research By exploring the tensions between democratic and anti democratic practices the study reveals how young activists navigate political landscapes uncovering the intricate relationships between conservative discourses neoliberalism and political identity formation Drawing on political psychology and post structuralist approaches the author challenges traditional interpretations of youth political participation Combining in depth interviews and comparative analysis the book sheds light on the motivations discourses and mechanisms that have driven and sustained their engagement By offering a comparative perspective it reveals both the specific national dynamics and the transnational patterns that characterize radical right youth activism today *Youth Activism in the Radical Right of Brazil and Germany On the Thresholds of Politics* is essential for scholars of psychology politics and sociology as well as for students and policymakers seeking to understand the growing youth engagement in radical right wing movements and its challenges for contemporary democracy The original manuscript of this book was written in Brazilian Portuguese and translated into English with the help of artificial intelligence A subsequent human revision was done primarily in terms of content **The Rise of the Far Right in Europe** Gabriella Lazaridis,Giovanna Campani,Annie Benveniste,2016-07-04 The results of the last European Elections of 2014 confirmed the rise of right and far right populist parties across the EU The success of a range of parties such as Denmark s Dansk Folskeparti Slovenia s Slovenska demokratska stranka France s Front National Greece s Golden Dawn the United Kingdom Independence Party Beppe Grillo s Five Star Movement in Italy and the Austrian FP has been perceived as a political wave which is transforming the face of the European Parliament and challenging at some level the hegemony of the big four well established European political forces that lead the Strasbourg s assembly the ALDE EPP S D and Greens ALE As populism has become a major issue in many EU countries this collection aims to provide a critical understanding of related trends and recommend ways in which they can be challenged both in policy and praxis by using the

gender race ethnicity sexual orientation intersectionality approach This international volume combines extensive transnational comparative data analysis as well as research at discursive attitudinal and behavioural levels *Multiplicity of Nationalism in Contemporary Europe* Ireneusz Pawel Karolewski, Andrzej Marcin Suszycki, 2009-11-05 Nationalism remains one of the key political societal and sociopsychological phenomena in contemporary Europe Its significance for the justification of state policies and the stability of political systems particularly in the context of advanced democracies and its significance for people s basic needs for a political and cultural identity and a sense of national pride continue to challenge scholars The international scholars assembled in this edited collection suggest that the use of three perspectives supranationalism boundary making nationalism and regional nationalism may be promising as an explanatory framework for the analysis of nationalism in Europe The book s contributors distance themselves from older dichotomies such as civic and ethnic nationalism and questions the one sided normativity of nationalism in particular in the concept of liberal nationalism It argues that a promising approach to contemporary nationalism should reflect the multiplicity of nationalism The volume is a collection of studies by a multinational group of authors with backgrounds in Belgium Bulgaria Canada Germany Latvia New Zealand Poland Spain Ukraine and the United States **Japan's Ultra-right** Naoto Higuchi, 2016 First published in Japanese in 2014 by the University of Nagoya Press as *Nihon Gata Haigai Shugi* by Naoto Higuchi Europe's Malaise Francesco Duina, Frédéric Merand, 2020-10-07 Europe is struggling Its challenges include weak economic growth demographic trends that undermine the sustainability of social and other programs migration Brexit the unfinished euro architecture and much more This volume of *Research in Political Sociology* seeks to adopt a longer view to make sense of Europe s current malaise **Analysing Fascist Discourse** Ruth Wodak, John E. Richardson, 2013 For the past 80 years there has been disagreement about how to classify or define fascism Through discourse analysis examples of fascism in Europe in the 20th century and through to today this book reflects the range of these debates and argues that a more context sensitive approach is required Responding to the Threat of Violent Extremism Paul Thomas, 2012-09-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com How should we understand home grown terrorism like the 7 7 London bombings This is a classic monograph focusing on recent British attempts to prevent violent extremism their problems and limitations and what lessons this can offer for more effective policy approaches in future Paul Thomas s extensive research suggests that the Prevent policy approaches and the wider CONTEST counter terrorism strategy have been misguided and ineffective further alienating British Muslim communities instead of supporting longer term integration He argues that new cohesion based approaches encouraging greater trust and integration across all communities represent the best defence against terrorism *Politics of Memory and Oblivion in the European Context* Viktorija L.A. Čeginskas, Sigrid Kaasik-Krogerus, Nina Sääskilahti, 2021-11-29 This book provides novel and critical insights into the complex relationship between politics of memory and oblivion in European

countries in the 20th and early 21st centuries as well as the cultural political and institutional backgrounds against which they function. It explores the uses of the past in terms of a conscious choice to either reactivate or overlook memories as selective reference points for the promotion and legitimation of contemporary political goals. The chapters of this volume bring together theoretical discussions on the interrelationship between remembrance and purposeful oblivion as active processes that serve particular interests and ideologies in the present. By addressing the diverse meanings given to practices of memory, the contributions offer new perspectives on how institutions shape cultural memory, power relations and identity projects. *Politics of Memory and Oblivion in the European Context: Critical Perspectives* will be of interest to scholars and graduate students from the fields of memory studies, heritage studies, cultural studies, history and political science who engage with the legacies of violent and traumatic pasts, post colonial contexts, societal transition and reconciliation. The chapters in this book were originally published as a special issue of the journal *European Politics and Society*.

Understanding Racist Activism Kathleen M. Blee, 2017-07-20 White supremacist groups are highly secretive so their public propaganda tells us little about their operations or the people they attract. To understand the world of organized racism, it is necessary to study it from the inside by talking to their members and observing their groups. Doing so reveals a disturbing picture of how fairly ordinary white people learn to embrace the vicious ideas and dangerous agendas of white supremacy. This book takes the reader inside organized racism, revealing the kind of women and men who join groups such as the Ku Klux Klan or neo-Nazi skinheads and what they do in those groups. The volume collects significant published works from renowned scholar Kathleen M. Blee's work on racist activism alongside new essays on the theories, methods and approaches of studying racist activism. Discussing topics such as emotional issues in research, the place of violence and hate in white supremacy and how women are involved in racial terrorism, Blee makes use of a range of sources including oral histories, ethnographic observations and interviews to shape her findings. Written by the pioneer and leading scholar of women in racist activism, this volume is essential reading for students, scholars and general readers interested in the areas of social movements, politics, race studies and American history. [Liberal Roots of Far Right Activism](#) Lars Erik Berntzen, 2019-10-16 This book explores the anti-Islamic turn and expansion of the far right in Western Europe, North America and beyond from 2001 and onwards. Driven by terror attacks and other moral shocks, the anti-Islamic cause has undergone four waves of transnational expansion in the period since 2001. The leaders and intellectuals involved have varied backgrounds, many coming from the left, uniting historically opposed sets of values under their banner of a civilizational struggle against Islam. The findings presented in this book indicate that anti-Islamic initiatives in Western Europe and the United States form a transnational movement and subculture characterized by a fragile balance between liberal and authoritarian values. The author draws on a broad array of data sources and methods including network analysis and sentiment analysis to analyze the impact of the anti-Islamic expansion and turn at a macro level and the theoretical

implications for our understanding of the current far right flowing from this Offering an overview of anti Islamic activism the book explores the background of their leaders and ideologues provides an in depth look at their ideology online organizational networks and the views expressed by their online members as well as which emotions and messages continue to drive their mobilization The book will be of interest to scholars in the social movement field as well as political scientists sociologists and general readers interested in issues such as populism extremism and understanding the ways in which the contemporary far right challenges liberal democracies

On Extremism and Democracy in Europe Cas

Mudde,2016-03-17 On Extremism and Democracy in Europe is a collection of short and accessible essays on the far right populism Euroscepticism and liberal democracy by one of the leading academic and public voices today It includes both sober fact based analysis of the often sensationalized rise of the far right in Europe as well as passionate defence of the fundamental values of liberal democracy Sometimes counter intuitive and always thought provoking Mudde argues that the true challenge to liberal democracy comes from the political elites at the centre of the political systems rather than from the political challengers at the political margins Pushing to go beyond the simplistic opposition of extremism and democracy which is much clearer in theory than in practice he accentuates the internal dangers of liberal democracy without ignoring the external threats This book is essential reading for anyone interested in European politics extremism and or current affairs more generally

Populism, Media and Education Maria Ranieri,2016-01-22

Based on a major research project funded by the European Commission Populism Media and Education studies how discriminatory stereotypes are built online with a particular focus on right wing populism Globalization and migration have led to a new era of populism and racism in Western countries rekindling traditional forms of discrimination through innovative means New media platforms are being seen by populist organizations as a method to promote hate speech and unprecedented forms of proselytism Race gender disability and sexual orientation are all being used to discriminate and young people are the preferred target for populist organizations and movements This book examines how media education can help to deconstruct such hate speech and promote young people s full participation in media saturated societies Drawing on rich examples from Austria Belgium Bulgaria France Italy Slovenia and the UK countries characterized by different political and cultural contexts Populism Media and Education addresses key questions about the meaning of new populism the nature of e engagement and the role of education and citizenship in the digital century With its international and interdisciplinary approach this book is essential reading for academics and students in the areas of education media studies sociology cultural studies political sciences discrimination and gender studies

Politics of National Identity in Italy Eva Garau,2014-12-17

This book focuses on the politics of national identity in Italy Only a unified country for just over 150 years Italian national identity is perhaps more contingent than longer established nations such as France or the UK The book investigates when how and why the discussions about national identity and about immigration became entwined in public discourse within Italy In particular it

looks at the most influential voices in the debate on immigration and identity namely Italian intellectuals the Catholic Church the Northern League and the Left The methodological approach is based on a systematic discourse analysis of official documents interviews statements and speeches by representatives of the political actors involved In the process the author demonstrates that a normalisation of intolerance towards foreigners has become institutionalised at the heart of the Italian state This work will be of particular interest to students of Italian Politics Nationalism and Comparative Politics **The Power of Populism** Koen Vossen, 2016-08-12 This book discusses the Party for Freedom PVV a political party in the Netherlands founded and led by Geert Wilders Attaining between 10 and 18% of the votes the PVV has become one of the largest parties in the Netherlands and is the only political party worldwide without members Between 2010 and 2012 the party supported a minority coalition of liberals and christian democrats in exchange for influence on governmental policy The PVV can be viewed as the Dutch version of an ideological family of nationalist parties linked by their opposition to immigration and to the political and cultural elites Within this family Geert Wilders has played an important role as pioneer of a new master frame in which Islam is portrayed as the historical arch enemy of the West As the main figurehead of European islamophobia Wilders has inspired political parties and organizations in Europe North America Israel and even Australia Examining data collected on various aspects of the party for example voters activists organization and ideology and employing theoretical insights from sociology electoral geography and political science this book analyses this controversial phenomenon and seeks to obtain a clearer picture of the functioning of the PVV This book will be of interest to students and scholars interested in European politics and current affairs more generally

Whispering the Secrets of Language: An Mental Journey through **Extreme Right Activists In Europe**

In a digitally-driven earth where monitors reign great and immediate connection drowns out the subtleties of language, the profound techniques and psychological nuances concealed within words often get unheard. Extreme Right Activists In Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Extreme Right Activists In Europe PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Extreme Right Activists In Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Extreme Right Activists In Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Extreme Right Activists In Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Extreme Right Activists In Europe is one of the best book in our library for free trial. We provide copy of Extreme Right Activists In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Extreme Right Activists In Europe.
