in the Canadian Criminal Justice System Vicki Chartrand, Josephine Savarese, 2023-12-08 Canada's criminal justice system reinforces dominant relations of power and further entrenches the country in its colonial past. Through the mechanisms of surveillance, segregation and containment, the criminal justice system ensures that Indigenous peoples remain in a state of economic deprivation, social isolation and political subjection. By examining the ways in which the Canadian justice system continues to sanction overtly discriminatory and racist practices, the authors in this collection demonstrate clearly how historical patterns of privilege and domination are extended and reinforced.

The Marketville Mystery Series Judy Penz Sheluk, 2021-01-03 The first three books in the bestselling Marketville Mystery series are now available in one collection. Calamity Callie Barnstable never dreamed that one day she'd be solving cold cases in the small town of Marketville, but that's exactly where life has led her. Turns out she's got a flair for digging up the truth, even when the truth wants to remain firmly in the past.

Skeletons in the Attic Book 1 Calamity Callie Barnstable isn't surprised to learn she's the sole beneficiary of her late father's estate, though she is shocked to discover she has inherited a house in the town of Marketville with one condition: she must move to Marketville, live in the house and solve her mother's murder. Callie's not keen on dredging up a thirty-year-old mystery, but if she doesn't do it, there's a scheming psychic named Misty Rivers who hopes to expose the Barnstable family secrets herself. Determined to thwart Misty and fulfill her father's wishes, Callie accepts the challenge. But is she ready to face the skeletons hidden in the attic?

Past Present Book 2 It's been thirteen months since Callie inherited the house in Marketville. She solves the mystery, but what next? Unemployment. Another nine-to-five job in Toronto. She decides to set down roots in Marketville, take the skills and knowledge she acquired over the past year and start her own business.

Past Present Investigations It's not long before she gets her first client: a woman who wants to find out everything she can about her grandmother, Anneliese Prei, and how she came to a bad end in 1956. It sounds like a perfect first assignment. Except for one thing: Anneliese's past winds its way into Callie's present, and not in a manner anyone, least of all Callie, could have predicted.

A Fool's Journey Book 3 In March 2000, twenty-year-old Brandon Colbeck left home to find himself on a self-proclaimed fool's journey. No one—not friends or family—has seen or heard from him since. Until a phone call from a man claiming to be Brandon brings the case back to the forefront. Calamity Callie Barnstable and her team at Past Present Investigations have been hired to find out what happened to Brandon and where he might be. As Callie follows a trail of buried secrets and decades-old deceptions, only one thing is certain: whatever the outcome, there is no such thing as closure.
