Ezra Leader Of Moral Restoration:

Ezra Jeannie McCollough, Linda Shaw, 1998-10 Moral decay hedonistic lifestyle political controversy Characteristics from contemporary culture For the Hebrew people exiled to Babylon in 539 B C those words typified the lifestyle to which they had become accustomed Imagine being away from your homeland so long that the strange landscape foreign people and pagan customs are now familiar and comfortable and the land of your birth seems nothing more than a distant dream God s Word and your Jewish faith in Him have faded into memory This is the regrettable situation the Hebrew people found themselves in And when the impossible happened a decree allowing them to return to their homeland God planted a holy desire in the hearts of many Jews to return Additionally He commissioned the scribe Ezra to lead the return and more importantly to teach his people to love God and His Word once again This ten week Bible study examines the fascinating return of the Jewish people to their homes and their faith as they take a fresh look at the God of the ages Each lesson provides challenging insights into the cultural historical and Biblical background of the book of Ezra God s master design for His people is revealed once again as He continues to address a world in desperate need of moral restoration Paper

Faithfulness and Restoration Timothy R. Escott, 2023-12-06 The books of Ezra and Nehemiah are rarely taken seriously in Christian theological reflection To many modern readers the community restored after the Babylonian exile appears diminished legalistic and xenophobic What place do these books have in theology and practice today Timothy Escott charts a way forward for reading Ezra Nehemiah fruitfully as Christian Scripture By locating Ezra Nehemiah in the context of the canon and Christian theology and in conversation with interpreters old and new he argues that these books are best understood through a variety of Christian reading strategies Approaching the books figurally prophetically ethically and as part of a biblical story offers a mix of distinctive yet complementary perspectives Ezra Nehemiah portrays God s restorative work and God s people seeking to participate with him and live faithfully in the face of opposition and difficulty In this way Ezra Nehemiah is a rich resource for Christian life and faith today **Christian Leaders** Rev. Wilguymps

Charles, 2019-03-19 The author s desire in writing this book is to provide the evangelical Christian community with a practical handbook on leadership and leadership The Christian Leader s main purpose is to help Pastors as well as other Christian workers working in lower leadership positions to understand the concept of leadership in the performance of their duties and to help them exercise this leadership with care and efficiency His approach is imbued with the desire to see the work of God which all too often suffers from a chronic lack of leadership The author wishes that the use of this book will answer a real need in this domain and that it will be of a common and appreciable utility Restore Such a One Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2 2 3 cf Jas 3 15 and 1 John 2 16 Misdirected attempts to fulfill emptiness find worth or heal longstanding

wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior

Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don't you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel's history Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection What is your take on Daniel's seventy weeks prophecy Dan 9:24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel's prophecy What about A time times and a half Dan 12:7 appearing in Daniel's prophecy What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4:6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book
