#### F R Leavis A Life In Criticism:

<u>F.R. Leavis</u> Ian Mackillop,1997 He chronicles Leavis s famous public disagreement with C P Snow in the Two Cultures Debate discusses the genesis and publication of Leavis s books and looks at the development of both the influential magazine Scrutiny and the School of English Studies at Downing College MacKillop paints an unforgettable picture of English village life as he chronicles this world of high tea cloistered walks and bitter rivalries in great detail **F.R. Leavis** Ian Duncan MacKillop,1997 Traces the life of the influential teacher and critic and describes the personal events that shaped his outlook

F. R. Leavis Steven Cranfield, 2015-11-09 This is a critical introduction to the educational thought of F R Leavis 1895 1978 the greatest English literary critic of the twentieth century providing the first in depth examination of Leavis s ideas in relation to contemporary mass higher education During the course of a long prolific and controversial academic career which saw him take issue with figures such as Wittgenstein T S Eliot and C P Snow Leavis became one of the most articulate advocates for the idea of the university as a centre of consciousness and human responsibility in the face of what he saw as the relentless technological drive of civilisation With the journal Scrutiny which he co founded as well as his critical writings Leavis became a decisive influence on generations of teachers in Britain and overseas Widely misrepresented as narrowly elitist his ideas about the creative university with their radical student centred approach to teaching constitute a powerful resource for a higher education system grappling with the contradictory demands of continuity and change Based on original research the study provides an overview of Leavis's life work and heritage and his educational world view and a comprehensive exploration of Leavis's pedagogy from theoretical and practical perspectives. It also includes a first hand account by the author of being taught by Leavis in person Literary Theory and Criticism Patricia Waugh, 2006 This volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions **The New Criticism** Alfred J. Drake, 2014-07-03 This volume covers a variety of authors and topics related to the New Criticism school of the 1920s 1950s in America Contributors trace the history of the New Criticism as a movement consider theoretical and practical aspects of various proponents and assess the record of subsequent engagement with its tenets The volume will prove valuable for its renewed concentration not only on the New Critics themselves but also on the way they and their work have been contextualized criticized and valorized by theorists and educators during and after their period of greatest influence both in the United States and abroad

**Richards & His Critics V10** John Constable,2014-04-23 This is Volume 10 of a collection of ten of the selected works of I A This volume presents a selection of contemporary criticism discussing those of Richards works published between 1919 and 1938 The Cambridge History of Literary Criticism: Volume 7, Modernism and the New Criticism George Alexander Kennedy,1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction
