Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology *The Columbia Granger's Dictionary of Poetry Quotations* Edith P. Hazen, 1992 Why do smokers claim that the first cigarette of the day is the best What is the biological basis behind some heavy drinkers belief that the hair of the dog method alleviates the effects of a hangover Why does marijuana seem to affect ones problem solving capacity Intoxicating Minds is in the author s words a grand excavation of drug myth Neither extolling nor condemning drug use it is a story of scientific and artistic achievement war and greed empires and religions and lessons for the future Ciaran Regan looks at each class of drugs describing the historical evolution of their use explaining how they work within the brain s neurophysiology and outlining the basic pharmacology of those substances From a consideration of the effect of stimulants such as caffeine and nicotine and the reasons and consequences of their sudden popularity in the seventeenth century the book moves to a discussion of more modern stimulants such as cocaine and ecstasy In addition Regan explains how we process memory the nature of thought disorders and therapies for treating depression and schizophrenia Regan then considers psychedelic drugs and their perceived mystical properties and traces the history of placebos to ancient civilizations Finally Intoxicating Minds considers the physical consequences of our co evolution with drugs how they have altered our very being and offers a glimpse of the brave new world of drug therapies The Arms of the Infinite Christopher Barker, 2010-11-15 The Arms of the Infinite takes

the reader inside the minds of author Christopher Barker's parents writer Elizabeth Smart By Grand Central Station I Sat Down and Wept and poet George Barker From their first fateful meeting and subsequent elopement Barker candidly reveals their obsessive passionate and volatile love affair He writes evocatively of his unconventional upbringing with his siblings in a shack in Ireland and later a rambling falling down house in Essex Interesting and charismatic figures from the literary and art worlds are regular visitors and the book is full of fascinating cameos and anecdotes North American rights only *Love Poems* Geoffrey Grigson, 1973 *Penguin's Poems for Life* Laura Barber, 2008-09-25 Taking its inspiration from Shakespeare's idea of the seven ages of a human life this new anthology brings together the best loved poems in English to inspire comfort and delight readers for a lifetime Beginning with babies the book is divided into sections on childhood growing up making a living and making love family life getting older and approaching death ending with poems of mourning and commemoration Ranging from Chaucer to Carol Ann Duffy via Shakespeare Keats and Lemn Sissay this book offers something for each of those moments in life whether falling in love finding your first grey hair or saying your final goodbyes when only a poem will do Contains an introduction by Laura Barber **Sordid Images** Steve Clark, 2003-09-02 In this extraordinary and bold book S H Clark explores and constructs a history of poetic misogyny For the first time a wide range of English poetry by men is examined for evidence of the articulation of heterosexual masculine desires But Clark goes beyond a straightforward oppositional model of reading the male canon to ask how we read this work after feminism and whether it is possible to value these texts as misogynist texts in the light of feminist theory *Sordid Images* is a challenging controversial book It will excite and unsettle its readers and inspire many to look again at some of the cornerstone works of English literature *Time in the Poetry of T. S. Eliot* Nancy K. Gish, 1981-06-18 **"My Rebellious and Imperfect Eye"**, 2021-10-18 My Rebellious and Imperfect Eye Observing Geoffrey Grigson acknowledges and celebrates Geoffrey Grigson 1905-1985 as an all round man as a distinctive lyrical poet as the exact observer of nature and of men in the past and in the present as a pioneering literary critic and art critic as an unrivalled anthologist as a ground breaking editor as a broadcaster as a botanist the list could be extended In an unsurpassed number of diverse areas of artistic and natural culture Grigson passionately communicated all he experienced and felt to as wide an audience as possible Therefore as the centenary of his birth comes in view it seems singularly appropriate to celebrate Geoffrey Grigson's unique contribution to the twentieth century cultural scene In a writing career spanning nearly sixty years he was unmatched by any of his contemporaries for a range which reaches from the edges of journalism into and beyond the academic world In prose and verse the nineteen contributors to this volume amongst them some of the most distinguished names in contemporary English letters would hardly claim to have covered every aspect of Grigson's genius but they do manage to touch upon most of the territory he illuminated The volume contains a full bibliography of Grigson's work and a number of his drawings **South Asian Writers in Twentieth-Century Britain** Ruvani Ranasinha, 2007-02-22 South Asian Writers in Twentieth Century Britain is the first book to provide a

historical account of the publication and reception of South Asian anglophone writing from the 1930s to the present based on original archival research drawn from a range of publishing houses This comparison of succeeding generations of writers who emigrated to or were born in Britain examines how the experience of migrancy the attitudes towards migrant writers in the literary market place and the critical reception of them changed significantly throughout the twentieth century Ranasinha shows how the aesthetic cultural and political context changed significantly for each generation producing radically different kinds of writing and transforming the role of the postcolonial writer of South Asian origin The extensive use of original materials from publishers archives shows how shifting political academic and commercial agendas in Britain and North America influenced the selection content presentation and consumption of many of these texts The differences between writers of different generations can thus in part be understood in terms of the different demands of their publishers and expectations of readers in each decade Writers from different generations are paired accordingly in each chapter Nirad Chaudhuri 1897 1999 with Tambimuttu 1915 83 Ambalavener Sivanandan born 1923 with Kamala Markandaya born 1924 Salman Rushdie born 1947 with Farrukh Dhondy born 1944 and Hanif Kureishi born 1954 with Meera Syal born 1963 Raja Rao Mulk Raj Anand Attia Hosain V S Naipaul and Aubrey Menen are also discussed *Larry Michael Haag, 2025-07-03*

Highly readable and elegant Spectator Lawrence Durrell was unquestionably one of the most distinctive original and compelling literary figures of his age From his childhood in India and Burma to his bohemian youth in London and Paris from his madcap scheme to move his family to Corfu to the formative war years spent in Alexandria this masterful and richly detailed biography is essential reading to understand the man and the writer In Larry Michael Haag the world's foremost expert on the Durrells brought together his unrivalled knowledge and first hand meetings with the Durrell family and associates to offer the definitive account of the young Lawrence and the real life settings and stories that inspired his acknowledged masterpiece *The Alexandria Quartet* Hannibal Rising Thomas Harris, 2007-05-29 He is one of the most haunting characters in all of literature At last the evolution of his evil is revealed Hannibal Lecter emerges from the nightmare of the Eastern Front a boy in the snow mute with a chain around his neck He seems utterly alone but he has brought his demons with him Hannibal's uncle a noted painter finds him in a Soviet orphanage and brings him to France where Hannibal will live with his uncle and his uncle's beautiful and exotic wife Lady Murasaki Lady Murasaki helps Hannibal to heal With her help he flourishes becoming the youngest person ever admitted to medical school in France But Hannibal's demons visit him and torment him When he is old enough he visits them in turn He discovers he has gifts beyond the academic and in that epiphany Hannibal Lecter becomes death's prodigy *The Ashgate Research Companion to Thomas Hardy* Rosemarie Morgan, 2016-03-23 In *The Ashgate Research Companion to Thomas Hardy* some of the most prominent Hardy specialists working today offer an overview of Hardy scholarship and suggest new directions in Hardy studies The contributors cover virtually every area relevant to Hardy's fiction and poetry including philosophy palaeontology

Forms Jessica Bundschuh, Irmtraud Huber, 2025-10-06 This Handbook of Poetic Forms aims to offer historically informed
 approaches to a wide variety of poetic forms A particular emphasis will be on considering poetic form in dialogue with the
 cultural context in which it is being used as well as within the literary tradition of each form and to explore the stable as well
 as the historically variable affordances of each form in such contexts Hereby the focus lies on prescriptive forms that is on
 poetic forms which are defined by or at least associated with specific metrical stanzaic or overall structures or the absence of
 such rather than poetic genres that are primarily characterised by similarities in subject matter like the elegy or the ode
 While this Handbook should be accessible to students its aim is not to offer basic introductions but rather to broaden a
 historical and functional understanding of the poetic forms it covers and to engage with poetic forms not as givens but as
 historically contingent processes of formation Above all this Handbook's formalism is new formalist in emphasising historical
 awareness and contextualisation Ezra Pound: Poet A. David Moody, 2015-09-24 This third and final volume of A David
 Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time In this volume we experience the 1939
 1945 World War and Pound's hubristic involvement in Fascist Italy's part in it we encounter the grave moral and intellectual
 error of Pound holding the Jewish race responsible for the war and his consequent downfall being charged with treason
 condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for
 life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly
 without complaint and continued his lifetime's effort to promote in and through his Cantos and his translations a
 consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady

and unprejudiced contemplation and an answering depth of comprehension
