Fabled Cities, Princes, & Jinn from Arabic Myths and Legends Khairat Al-Saleh,1985

Folktales from the Arabian Peninsula Nadia Jameel Taibah,Margaret Read MacDonald,2015-11-10 This unique and diverse selection of traditional folktales from the countries of the Arabian Peninsula appeals to a broad audience ranging from storytellers and educators to folklorists and scholars A unique compilation of stories Folktales from the Arabian Peninsula includes tales from seven countries Bahrain Kuwait Oman Qatar Saudi Arabia the United Arab Emirates and Yemen Coauthored by a renowned folklorist and a professor of education who recalls some of these poignant tales from her own childhood the book opens with a discussion of the Arabian Peninsula that introduces each country and discusses its terrain peoples and current situation to provide important background information The engaging stories that follow will serve elementary junior high and high school librarians as well as public librarians professional storytellers and folklorists The tales themselves many of which have never been published in English language children s collections are appropriate for readers grades five and up

Myths and Hero Tales Agnes Regan Perkins,1997-11-25 This one stop cross cultural selective guide to recent retellings of myths and hero tales for children and young adults will enable teachers and library media specialists to select comparative myths and tales from various mostly non European cultures The focus is on stories from Native America Asia Africa the Middle East Central and South America and Oceania The Guide contains extensively annotated entries on 189 books of retellings of myths and hero tales both ancient and modern from around the world published between 1985 and 1996 Represented are 1 455 stories suitable for use with young people from mid elementary through high school The entries arranged alphabetically by writer contain complete bibliographic data age and grade levels and evaluative annotations Seven indexes title author illustrator culture story type name and grade level make searching easy The story type index will enable teachers to select comparative myths and tales from different cultures on more than 50 types of myths and hero tales Among the many myth types cited are origin of human beings and the world comparative social customs and rituals natural and heavenly phenomena animal appearance and behavior searches and quests and tricksters Among the hero tale types are fools and buffoons kings and queens warriors monster slayers important female figures magicians voyagers and adventurers and spiritual leaders The Guide concludes with a bibliography of retellings published earlier that have come to be considered standard works

Legends of the Fire Spirits Robert Lebling,2010-07-30 An energy a pulse form of quantum physics perhaps alive at the margins of sleep or madness and more often in the whispering of a single unwelcome thought The Economist According to Islamic tradition Allah created three types of beings angels made of light humans made of earth and jinn made of smokeless fire Supernatural shape shifting intelligent and blessed with free will

and remarkable powers jinn have over the ages been given many names demon spirit ghouls genie ifrit and shaitan Neither human nor immortal they roam the earth inhabiting dark and empty places luring humans to their deaths or demonically possessing them if harmed or offended Despite the fact they cannot be seen jinn are said to be strangely human like marrying bearing children forming communities and tribes eating sleeping playing and facing judgement like any other human They are ever present partners in the human experience causing endless mischief providing amazing services and sometimes inducing sheer terror Believed in by hundreds of millions of people throughout the world and from all faiths jinn have played a particularly central role in the literature culture and belief systems of the Middle East and the Islamic world Legends of the Fire Spirits explores through time and across nations the enduring phenomenon of the jinn From North Africa to Central Asia from the Mediterranean to sub Saharan Africa and beyond this riveting often chilling yet reasoned book draws on long forgotten ancient testimonies medieval histories colonial records anthropologists reports and travellers tales to explore the different types of jinn their behaviour society culture and long history of contact with humankind It documents their links with famous figures in history such as King Solomon and the Queen of Sheba and illustrates the varied and vivid portrayals of jinn in world literature In essence Legends of the Fire Spirits demonstrates the colourful diversity of human culture and the durability of faith and is a magnificent and indispensable portrayal of the rich folklore of the Islamic world The History of

the United Arab Emirates John A. Shoup, 2021-11-05 This volume explores the political cultural and economic history of the United Arab Emirates from early antiquity through the 2010s The United Arab Emirates is a relatively young country in the Middle East made up of seven emirates Abu Dhabi Ajman Dubai Fujairah Ras Al Khaimah Sharjah and Umm Al Quwain How did these seven separate emirates come together to form the United Arab Emirates This volume explores the long rich history of these seven emirates focusing on political history but also highlighting culture society economy and religion Chronologically arranged chapters examine major eras and turning points in history such as antiquity the rise of Islam British trade and the discovery of black gold oil Readers will learn how today most of the UAE's citizens are foreigners from other countries as well as how much of the country's economy and livelihood depends on oil An appendix of Notable People in the History of the United Arab Emirates serves to identify key players in the region's history and an annotated bibliographic essay provides readers with sources for further research **Moon-o-theism, Volume II of II** Yoel Natan, 2006 This is volume two of a two volume study of a war and moon god religion that was based on the Mideast moon god religion of Sin
