## **Fables Of La Fontaine:**

**The Complete Fables of La Fontaine** Jean de la Fontaine, 2011-11 Despite la Fontaine's claim that all he intended was to put the moral tales of Aesop and other ancient fabulists into poetry for the pleasure of Louis XIV's young son his real accomplishment as later generations have understood was holding a mirror up to the society of his day and in the process fashioning a work that has become a classic Borrowing from a variety of sources la Fontaine gave the hitherto mute animals in ancient fables the power of speech Backstabbing politicians brainless nincompoops charlatans clueless heads of state egomaniacs empty headed celebrities foolish investors gluttons liars penny pinchers self important blowhards and wastrels these are the targets of la Fontaine's pen

**La Fontaine** Jean de La Fontaine, 1979 *The Original Fables of La Fontaine* Jean de La Fontaine, 2022-09-16 In *The Original Fables of La Fontaine* Jean de La Fontaine masterfully weaves together a tapestry of moralistic tales that draw upon ancient sources and folklore to illuminate the complexities of human nature and society Written in the 17th century during the French Classicism period these fables are characterized by their elegant prose clever use of animal protagonists and witty allegorical conclusions La Fontaine's style reflects a deep engagement with the works of Aesop and Phaedrus yet he elevates these stories with his distinctive French sensibility creating a rich literary context that engages readers on both intellectual and emotional levels Jean de La Fontaine born in 1621 was a prominent fable writer and poet whose experiences as a courtier and his connections with influential literary circles in France shaped his exploration of human vices and virtues His works often served as a subtle critique of the society of his time delivering moral lessons that resonate with universal themes Through his fables La Fontaine merged art and ethics encouraging readers to reflect on their own lives amid the tapestry of French cultural life Readers are invited to delve into this collection as it remains relevant and engaging bridging the gap between centuries of thought *The Original Fables of La Fontaine* not only entertains but also provides profound insights into moral philosophy making it a must read for anyone interested in literature that challenges and enriches the understanding of human behavior

**The Original Fables of La Fontaine** Jean de la Fontaine, 2016-02-29 The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The subject of each of the Fables is often common property of many ages and races What gives La Fontaine's Fables their rare distinction is the freshness in narration the deftness of touch the unconstrained suppleness of metrical structure the unfailing humor of the pointed the consummate art of their apparent artlessness Keen insight into the foibles of human nature is found throughout but in the later books ingenuity is employed to make the fable cover yet convey social doctrines and sympathies more democratic than the age would have tolerated in unmasked expression Almost from the start the Fables entered French literary consciousness to a greater degree than any other classic of its literature For generations many of these little apologues have been read committed to memory recited paraphrased by every French school child Countless phrases from them are current idioms and familiarity with them is assumed La Fontaine's Fables wrote

Madame de Sevigne are like a basket of strawberries You begin by selecting the largest and best but little by little you eat first one then another till at last the basket is empty Silvestre de Sacy has commented that they supply delights to three different ages the child rejoices in the freshness and vividness of the story the eager student of literature in the consummate art with which it is told the experienced man of the world in the subtle reflections on character and life which it conveys Nor has any one with the exception of a few paradoxers like Rousseau and a few sentimentalists like Lamartine denied that the moral tone of the whole is as fresh and healthy as its literary interest is vivid The book has therefore naturally become a standard French reader both at home and abroad

**The Complete Fables of Jean de la Fontaine** Jean de La Fontaine,1988 The English speaking reader will typically find selections of translated fables by La Fontaine 1621 1695 and a large number of those stray rather far from the original in an effort to retain the poetic flavor of the genre Other translations treating the fables as reading matter for followers of Winnie the Pooh do not retain the subtle overtones and wit intended in fact for educated adults This translation remains extraordinarily faithful to the original not only in metrical patterns and rhyme schemes but also in tone wit and le mot juste are skillfully and wonderfully combined This is no small achievement and we can now enjoy the grace wit and versatility of an author whose literary qualities were until now evident only in the original Danielle Mihram New York University Library

**The Complete Fables of Jean de La Fontaine** Jean La Fontaine,2007-10-15 Inspired new translations of the work of one of the world s greatest fabulists Told in an elegant style Jean de la Fontaine s 1621 95 charming animal fables depict sly foxes and scheming cats vain birds and greedy wolves all of which subtly express his penetrating insights into French society and the beasts found in all of us Norman R Shapiro has been translating La Fontaine s fables for over twenty years capturing the original work s lively mix of plain and archaic language This newly complete translation is destined to set the English standard for this work Awarded the Lewis Galanti re Prize by the American Translators Association 2008

The Fables of La Fontaine Jean de La Fontaine COMPLETE 12 BOOKS IN 1 Translated from the French by Elizur Wright With Notes by J W M Gibbs The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The first edition of this translation of La Fontaine's Fables appeared in Boston U S in 1841 It achieved a considerable success and six editions were printed in three years Since then it has been allowed to pass out of print except in the shape of a small type edition produced in London immediately after the first publication in Boston and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable The translator has remarked in the Advertisement to his original edition which follows these pages on the singular neglect of La Fontaine by English translators up to the time of his own work Forty years have elapsed since those remarks were penned yet translations into English of the complete Fables of the chief among modern fabulists are almost as few in number as they were then Mr George Ticknor the author of the History of Spanish Literature and since Mr Wright so happily accomplished his self imposed task there has been but one other complete translation viz that of the late Mr Walter Thornbury This latter however seems to have been undertaken chiefly with a view to supplying the necessary accompaniment to the English issue of M Dor's well known designs for the Fables first published as illustrations to a Paris edition and existing as it does only in the large quarto form given to those illustrations it cannot make any claim to be a handy volume edition Mr Wright's translation however still holds its place as the best English version and the present reprint besides having undergone careful revision embodies the corrections but not the expurgations of the sixth edition which differed from those preceding it The notes too have for the most part been added by the reviser

## **Fables Of La Fontaine Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Fables Of La Fontaine has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fables Of La Fontaine has opened up a world of possibilities. Downloading Fables Of La Fontaine provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fables Of La Fontaine has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fables Of La Fontaine. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fables Of La Fontaine. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fables Of La Fontaine, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fables Of La Fontaine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
