Fabulous Fifties:

The Fabulous Fifties (50's) James F. Foster, 2022-05-04 Ever wondered why the 1950s is dubbed as the Fabulous Fifties Well The Fabulous Fifties will lay out the best of its years to reinforce the magnificence of their reign James Foster talks about fifties fashion trends lifestyle and how the people lived their daily lives but not only on that the book also comprehensively tackles the finest of fifties music The music in the 1950s played a big part in the lives of the people and the book highlights the remarkable music made at this time Several music personalities as well as their respective songs that made it to the Billboard charts are included and discussed thoroughly The diversity in music that created harmony in the lives of the people will forever be etched in eternity The fifties will always be an epitome of grandeur so be serenaded and read in awe as you relive the beauty of the fifties in The Fabulous Fifties *Fabulous Fifties* Shelia Steinberg, Kate E. Dooner, 1993 Modern living in the 1950s including clothing furniture lamps clocks textiles jewelry glassware etc is shown in over 770 color photos that display this lively period in all its fantastic glory Here are Hawaiian shirts poodle skirts vinyl handbags gabardine jackets rayon dresses and more nearly every aspect of modern living in the 1950s that is avidly collected today **Billboard**, 2002-03-23 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Fabulous 50's John Gunnell, Mary Sieber, 1992 The 500 period automobile photos publicity stills advertisements and billboards in The Fabulous 50 s illustrate the human experience in American between 1950 and 1959 Fact filled captions explain how the people products and philosophies of the period took everyone from railroads to rocket ships **Billboard**, 1960-07-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Eisenhower Years: a Social History of the 1950'S** Richard T. Stanley, 2012-06-15 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America's contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times than the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s

and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of Americas artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days

Billboard ,1974-10-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Films of Charles and Ray Eames Eric Schuldenfrei,2014-12-05 The Films of Charles and Ray Eames traces the history of the Eameses work examining their evolution away from the design of mass produced goods and toward projects created as educational experiences Closely examining how the Eameses described their work reveals how the films and exhibitions they generated were completely at odds with the earlier objectives exemplified in their furniture designs Shifting away from promoting the consumer culture they turned their attention to the presentation of complex sets of scientific artistic and philosophical ideas During a critical period from the late 1950s to the early 1960s there was a moment of introspective self reflection in the West stemming from the events of the Cold War This moment of uncertainty was crucial for it provided the incentive to question the values and concerns of society as a whole In turn designers began to question their own sense of purpose temporarily expanding the purview of design to a broader field of inquiry In the case of the Eameses they identified an overriding problem related to consumerism and excess in America and sought to resolve the issue by creating a network of communication between universities governments institutions and corporations The solution of promoting greater education experiences as an alternative to consumerism in America required that different sectors of society functioned in unison to address political social economic and educational concerns The Films of Charles and Ray Eames reconsiders how design intersects with humanity culture and the sciences

With Men For Pieces [A Fab Fifties Fling In Paris] Sophie Meredith,2013-10-01 It is the Fab Fifties precursor to the Swinging Sixties Our heroine a newly qualified teacher by day a Soho Boho by night sets off on the night ferry to France with the Coffee Bar Crowd for a weekend in Paris Many moons later she is still in Paris her life dramatically changed by a chance encounter on the rue du Faubourg St Honor She metamorphoses into a fashion model then a businesswoman but her real ambition has always been to be an author Thus her own story is interspersed with her writings as she and they develop and mature pointing up her personal experiences both blissful and tragic The book is also an exploration of Friendship in its many and varied forms

LA Sports Wayne Wilson,David K. Wiggins,2018-02-15 LA Sports brings together

sixteen essays covering various aspects of the development and changing nature of sport in one of America's most fascinating and famous cities. The writers cover a range of topics including the history of car racing and ice skating, the development of sport venues, the power of the Mexican fan base in American soccer leagues, the intersecting life stories of Jackie and Mack Robinson, the importance of the Showtime Lakers, the origins of Muscle Beach and surfing sport in Hollywood films, and more.

Weekly World News, 2000-02-29 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

World War II Veterans in Motorsports Art Evans, 2019-07-01 This generation of Americans has a rendezvous with destiny, said President Franklin D. Roosevelt of the young Americans who grew up during the deprivation of the Great Depression and later served during World War II. The 23 described in this book went on from military service to make their mark in auto racing, particularly in the sports car scene of the 1950s and 1960s. Ken Miles and Vasek Polak were not Americans during the war but later went on to become citizens. Carroll Shelby was not only a great driver but also created cars that are still manufactured. John Von Neumann and Vasek Polak were instrumental in helping to establish Porsche as a marque in the U.S. John Fitch, Ed Hugus, Chuck Daigh, Bill Stroppe, Max Balchowsky, Jay Chamberlain, Jim Peterson, and Paul Newman were heroes in the war before succeeding in businesses and motorsports.

An Eames Anthology Charles Eames, Ray Eames, 2015-01-01 *An Eames Anthology* collects for the first time the writings of American designers Charles 1907-1978 and Ray Eames 1912-1988. Celebrated for their groundbreaking work in graphic design, industrial design, exhibition design, architecture, and film, the Eameses' prolific and influential career changed the way Americans saw and thought about everyday objects. Widely known as professional collaborators, Charles and Ray were also a married couple, and the texts collected here reveal a behind-the-scenes look at the myriad motivations, inspirations, and outcomes of their partnership over fifty years. Previously unpublished materials such as handwritten notes and correspondence are featured chronologically alongside articles, exhibition reviews, editorials, conference papers, and magazine covers, as well as sections from oral history. The anthology explores the Eameses' iconic projects such as Case Study House 9 and the molded plywood chair, as well as their work for major corporations as both designers (Herman Miller) and consultants (IBM, Polaroid). Personal correspondence with luminaries such as Henry Ford, Richard Neutra, and Eero Saarinen, among many others, provides insight into the forces behind the advance of modernity in mid-century America.

Happy Days Benjamin L. Alpers, 2024 *Happy Days* investigates how 1970s popular culture was obsessed with America's past but offered radically different interpretations of the same historical events and icons. Looking at representations of 1950s teenagers, the noir detective, America's bicentennial, and neo-slave narratives, Benjamin Alpers examines how American history provoked both nostalgia and deep soul searching.

A Practical Guide to Costumed Interpretation Jackie Lee, 2023-02-02 *A Practical Guide to Costumed Interpretation* is just that: a book that takes you through the various stages of becoming an historical costumed

interpreter Jackie Lee has worked in this area of heritage interpretation for over twenty years and sets out what it takes to develop the persona for a character from the past The methods she shares focus on first person delivery of an historic character Lee introduces the reader to two new methods she has developed that support character creation and delivery The three realms highlight the importance of research and making the character believable and the crystal ball which enables the costumed interpreter to look into the future when the occasion demands it The book is full of practical help on all aspects of the costumed interpreter s craft including costume making and how to prepare personally for stepping out full of confidence ready to engage visitors of all ages A Practical Guide to Costumed Interpretation is aimed at those interested in becoming costumed interpreters as well as those who wish to develop or revise their techniques It will also be useful for students of museum practice and heritage interpretation considering costumed interpretation as a means of on site delivery **My Youth** Bryan De Vouge,2010-03-29 Th is book describes the authors childhood growing up on a farm living with four generations of family including his sister parents grandparents and great grandparents The author describes many varied experiences from helping his 90 year old great grandmother churn butter the old fashioned way to helping his grandfather feed the pigs and other animals on the farm He writes about his interactions with many of the other people who lived in the same community and some of the naughty things he and his friends did such as raiding apple orchards This book gives the reader a clear idea of how life was on a farm in rural Quebec in the 1950s **My Journey Through a Changing South** Charlie Grainger,2019-11-14 Charlie Grainger has lived through eight decades of positive change in his favorite place the American South Born on an unpaved Alabama country road during the Great Depression he nearly died twice during infancy nearly drowned as a teenager then escaped death as a young man while flying on a small plane Through multiple near death experiences he says that God was always in his corner As a young man the Summer of 1955 was filled with magic He worked as a newspaperman and as a public relations professional He witnessed an angry mob that beat up black Freedom Riders at the Montgomery Bus Depot He was saved by a State Public safety director Others were not so lucky View America through the eyes of a country boy who grew up to become a successful business executive state legislator and Washington lobbyist It will give you a greater appreciation of how far we have come as a nation **Twentieth Century** Cindy Barden,2003-09-01 Color Overheads Included Welcome to the fascinating world of the American twentieth century a time when changes in technology communications and transportation changed the world The activities in this book provide an overview of social historical and cultural events in the U S during the twentieth century People entered the twentieth century on horses steamships and steam locomotives and left it in Concord jets nuclear submarines and space shuttles The eight full color transparencies at the back of the book can be used alone or with specific activities listed in the table of contents Disco Days: a Social History of the 1970'S Richard T. Stanley,2015-06-19 By 1972 President Richard Nixon had reached the heights of political power and popularity only to self destruct due to his role in a third rate burglary called Watergate Nixon resigned

in disgrace and for the first time in history Americans came to be led by an unelected President and Vice President Gerald Ford and Nelson Rockefeller But Americans had much more on their minds than mere politics movies TV sports earning a living etc Hollywood motion pictures including The Godfather Jaws and Star Wars captured their imaginations while weekly TV shows such as All in the Family and Happy Days made them laugh and Monday Night Football kept their competitive juices flowing To no ones surprise UCLA continued to win NCAA basketball championships and such schools as Alabama Arkansas Michigan Nebraska Notre Dame Oklahoma Penn State Texas and USC remained dominant on the gridiron And professional sports thanks to such super stars as Billie Jean King Kareem Abul Jabbar Henry Aaron Jack Nicklaus Muhammad Ali Al Unser and Terry Bradshaw became more popular than ever But who could have predicted at the beginning of the decade that a young high school dropout named John Travolta and a band called the Bee Gees would become the kings of Disco Dancing Or that a peanut farmer from Georgia would be elected President during our Bicentennial Year
