Golsan, Sarah Misemer, 2017-03-17 The fiftieth anniversary of the Adolf Eichmann trial may have come and gone but in many countries around the world there is a renewed focus on the trial Eichmann himself and the nature of his crimes This increased attention also stimulates scrutiny of Hannah Arendt's influential and controversial work Eichmann in Jerusalem The contributors gathered together by Richard J Golsan and Sarah M Misemer in *The Trial That Never Ends* assess the contested legacy of Hannah Arendt's famous book and the issues she raised the banality of evil the possibility of justice in the aftermath of monstrous crimes the right of Israel to kidnap and judge Eichmann and the agency and role of victims The contributors also interrogate Arendt's own ambivalent attitudes towards race and critically interpret the nature of the crimes Eichmann committed in light of newly discovered Nazi documents *The Trial That Never Ends* responds to new scholarship by Deborah Lipstadt Bettina Stangneth and Shoshana Felman and offers rich new ground for historical legal philosophical and psychological speculation *Christian America and the Kingdom of God* Richard T. Hughes, 2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day *Christian America and the Kingdom of God* illuminates the devastating irony of a Christian America that so often behaves in unchristian ways The Relational Power of God Eleanor O'Donnell, 2023-01-23 When we find the courage to allow our rebel voice to speak many of us question traditional Christian beliefs about God's power and how it is exercised in the world and in the church We ask What if God is not in omnipotent control of everything What if God's exercise of power is relational and noncoercive instead What if it is the quality rather than the quantity of God's power that really matters This book focuses on the theology of power that emerges when we ask such questions It draws on the social Trinitarian theology of Jürgen Moltmann and the process thought of Charles Hartshorne to image God as a Social Trinity in process This vision of God understands the Holy Trinity to be fully relational and thoroughly with us and all creation To think of God and God's power this way ensures freedom for creature and creation and enables a viable response to the problem of evil and suffering It also leads to the conclusion that human relationships in the world and in the church are best modeled on the power sharing solidarity of the Triune God *The Dark Side of Discipleship* Gary Tyra, 2020-10-21 There's a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ's followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically

pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end The Dark Side of Discipleship is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ s church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians
