Politics and Social Change in Latin America Howard J. Wiarda,2003-10-30 Wiarda provides a new edition of a pioneering exploration of Latin American political culture the authoritarian tradition and the recent transitions to democracy and the special meaning of that term in the Latin American context The volume contains a provocative Introduction and Conclusion by the editor as well as essays by leading scholars of Latin American politics and history Richard Morse Octavio Paz Glen Dealy Peter Smith and others This is a classic collection newly revised and updated **Social Change in the Gulf Region** Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation timeless never changing deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change this is clearly not the case and the region is not immune to the inevitable forces of social change There is no doubt today that the social change sweeping the Gulf has been profound affecting almost every aspect of life in the Gulf societies This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region Through these chapters the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions magnitudes and relevant policy options It also considers how COVID 19 is affecting the lives of the people in the Gulf This book bridges gaps in the understanding of the rapid pace of social change in the Gulf offering practical solutions for policy interventions It is of interest to scholars and students in Middle Eastern studies specifically as well as sociology media studies migration studies and educational policy *Social Psychology and Social Change in Nigeria* Denis Chima E. Ugwuegbu,2011-09-12 Governments in the developing nations of Africa invest much of their peoples scarce resources in social development programs often without much evaluation or any knowledge of the potential outcomes Written by a social psychology consultant Denis Ugwuegbu *Social Psychology and Social Development in Nigeria* puts forth a calm expert and systematic evaluation of some government policies under military dictators in Nigeria The programs and policies

studied range from government efforts to create a homogenous multicultural cohesive national unity in Nigeria to the nations perception of the Nigeria police and military coups Social Psychology can empower a developing nation to participate in social policy democracy Important insights conclusions and recommendations for action are offered along with advocacy for social development program and policy evaluation for practitioners and social scientists interested in research about national development Social Psychology and Social Change in Nigeria is the first book of its kind to be written in Africa for Africa and other developing nations with clarity and enough detail to make it accessible to an audience beyond professional social scientists Social Change and Planning , Managing Social Change and Social Policy in Greater China Ka-Ho

Mok,Maggie K. W. Lau,2013-11-07 East Asia is at the heart of the global economic transformation and the countries of the region are witnessing rapidly changing labour markets alongside the pressure to cut production costs and lower taxes in order to become successful competition states These changes have resulted in increased welfare demands which governments organizations and agencies across the region have had to address This book examines welfare regimes in the Greater China region encompassing mainland China Hong Kong Macao and Taiwan In so doing it explores the ways in which the rapid growth and internationalisation of the economy across Greater China is presenting new social policy challenges that governments social welfare organizations and agencies in the region are having to respond to Rather than simply describing and categorising welfare systems the contributors to this volume add to our understanding of how one of the major economic transformations of the contemporary era in East Asia is shaping welfare provision in the region In turn in this context of economic change they examine the new strategies and measures that have been adopted in order to reduce the heavy burden on the state in terms of welfare provision whilst also attempting to diversify funding and provision sources to meet the pressing welfare needs Based upon extensive fieldwork by leading scholars of social policy this book will appeal to students and scholars of Asian social policy comparative development and social policy social welfare and Chinese studies

Economic Development and Social Change in South India ,1962 **The Concept of Social Change (Routledge**

Revivals) Anthony D. Smith,2010-01-14 Anthony Smith s important work on the concept of social change first published in 1973 puts forward the paradigm of historical change as an alternative to the functionalist theory of evolutionary change He shows that in attempting to provide a theory of social change functionalism reveals itself as a species of frozen evolutionism Functionalism he argues is unable to cope with the mechanisms of historical transitions or account for novelty and emergence it confuses classification of variations with explanation of processes and its endogenous view of change prevents it from coming to grips with the real events and transformations of the historical record In his assessment of functionalism Dr Smith traces its explanatory failures in its accounts of the developments of civilisation modernisation and revolution He concludes that the study of evolution is largely irrelevant to the investigation of social change He proposes instead an exogenous paradigm of social change which places the study of contingent historical events at its centre **Education and**
