**African Economic Reform** Carol Lancaster, 1991 This study proposes a new initiative involving the cancellation of concessional rescheduling of public bilateral debt of reforming African countries through a new international mechanism that would replace existing ones such as the Paris Club and the World Bank Consultative Groups Each of a series of Adjustment Review Consortia would bring together representatives of donor and creditor governments international aid and development agencies and an African government to coordinate debt relief aid and reform initiatives Properly implements ARCs would contribute to building a system in which economic need and performance not political favoritism play the principal roles in how debt and external financing in general are managed

*Economic Reform and the Poor in Africa* David E. Sahn, 1996 Economic Reform and the Poor in Africa examines policy responses to the economic crises faced by most African countries in the 1980s focusing on the contentious issue of whether the poor are hurt by economic policies designed to restore allocation The contributors use empirical models to separate the effects of the economic crises that caused countries to begin adjusting from the impact of the economic reforms themselves With these models they examine the impact of specific policy reforms under the broad headings of trade and exchange rate policy fiscal policy and agricultural sector policy in specific country concepts The countries covered are Cameroon The Gambia Ghana Guinea Madagascar Malawi Mozambique Niger Tanzania and Zaire

Public Opinion,

Democracy, and Market Reform in Africa Michael Bratton, Robert Mattes, E. Gyimah-Boadi, 2005 This book is a groundbreaking exploration of public opinion in sub Saharan Africa Based on the Afrobarometer a survey research project it reveals what ordinary Africans think about democracy and market reforms subjects on which almost nothing is otherwise known The authors find that support for democracy in Africa is wide but shallow and that Africans feel trapped between state and market While Africans are learning about reform on the basis of knowledge reasoning and experience few countries are likely to attain full fledged democracies and markets anytime soon

**Economic Reforms and the Poor** Alexandre Marc, Carol Graham, Mark Schacter, 2012 For many African countries and for developing countries in other regions the latter half of the 1980s was a turning point in the struggle to alleviate poverty In response to a marked deterioration in the living standards of the poor caused by an economic crisis and the austerity measures instituted to control it governments added explicit poverty alleviation objectives to their development policies In cooperation with external agencies they began to design and implement interventions such as social action programs SAPs and social funds SFs to protect the poor and some vulnerable groups from the harmful effects of the economic situation and from the transitory negative effects of economic reform There has been a growing acceptance of these interventions in Africa as the World Bank has placed greater emphasis on protecting the poor during adjustment The present study previewed in this brief reviews the experience of twelve SAPs and SFs in sub Saharan Africa Because a number of the programs are still in progress at this writing it is too soon to analyze their effects on poverty reduction in depth However performance information is increasingly available on the implementation of these programs This report is based on data gathered from project documents and task managers of the projects and on findings by the authors during field visits

The Impact of Structural Reforms on Poverty Neil McCulloch,2003 *Economic Reform in China and India* C. H. Chai,K. C. Roy,2006-01-01 The authors have produced an outstanding book on economic reforms in China and India This book is a wealth of information on this crucial issue thus filling this important gap in the literature on economic reform and also adding more knowledge to the literature on the history of economic development processes in China and India this book will be of interest to both scholars of the economic reforms and those more generally interested in the social political changes occurring there Tulus Tambunan Journal of Asian Business Economists Chai and Roy have produced a well written properly documented study of the comparative development of India and China over the last 50 years The book will be useful to graduate students in Asian studies and economic development Policy makers in other developing countries can also benefit from this account of the experiences of two major emerging economies under different economic and political systems Recommended Graduate research and professional collections J S Uppal Choice Recent acceleration of the Indian economic growth rate from 6 to 8 per cent has sparked worldwide speculation that India is about to catch up with China and become another Asian miracle economy Economic Reform in China and India examines this prospect reviewing the development strategies pursued by the two countries over the last 50 years in general and exploring

recently introduced reform measures in particular The culmination of many years of research by specialists in these economies this book assesses the performance of China and India at both macro and sectoral levels including economic social political and environmental aspects It illustrates the reasons why China has outperformed India in the past and identifies the obstacles that India will face in its attempts to catch up with China Providing solutions for China and India that can be applied to other developing countries this book will be invaluable for researchers academics and students focussing on economic development and Asian studies It will also receive much attention from investors and government analysts interested in the strategic implications of the emergence of the two Asian economic giants      **Andes 2020** Daniel W. Christman, Daniel William Christman, John Gaines Heimann, Julia Sweig, 2004 The Center for Preventive Action a conflict prevention initiative of the Council on Foreign Relations established the Andes 2020 Preventive Action Commission to develop concrete pragmatic recommendations to broaden and strengthen U S international and local engagement and coordination in the region with an eye toward strategies that will help prevent the outbreak of major conflict and mitigate current levels of violence Book Jacket      **In Search of Sustainable Livelihood Systems** Ruedi Baumgartner, Rudolf Högger, 2004-08-30 Livelihood systems are more than sets of material and economic conditions They cater to a number of human needs The contributors to this volume maintain that a livelihood system embraces not just economic conditions for physical subsistence but provides material continuity and cultural meaning to the life of a family      *Psychology in India Revisited - Developments in the Discipline, Volume 3* Janak Pandey, 2004 The Survey of Psychology series presents critical reviews of and reflects the major changes in psychological research in India After a comprehensive introduction this the third volume in the series begins with a chapter that critically highlights the major contributions in the areas of attitudes social cognition and justice from a theoretical and cultural perspective The second chapter examines individualistic as well as traditional collectivist Indian values arguing that both can co exist This is followed by a chapter on the various dimensions of poverty the poor and deprivation Chapter Four reviews the major theoretical approaches to the subject and the next chapter presents the prevalent trends and shortcomings of the conceptual and methodological problems in the relatively new area of environmental psychology Chapter Six provides various pertinent issues related with motivation leadership and human performance within a conceptual framework and with theoretical perspectives The last chapter critically examines the changes and the general shift in the content of research as well as the strength and weaknesses of the discipline of psychology at the start of the new millennium      Regional Development and Public Policy Challenges in India Rakhee Bhattacharya, 2015-07-09 This book emphasizes the need for experimenting with more deliberate and rigorous policy processes to attain balanced regional development which can promote both equity and efficiency in India s development discourse The institutional mechanisms for dealing with regional imbalance in India have not been very successful so far With rising discrepancies in development demand for autonomy continues along with a new dimension of regionalism arising

from submerged identity along with political and economic aspirations which demanded new channels for solution So far attempts to create space for autonomy have possibly not optimally accommodated the conceptual mechanisms like equity and democratic process Thus democratizing policy process using six pillars of voice knowledge objective fundamental values implementation framework and public awareness can ensure a better policy outcome for dealing with the persistent challenges of regional disparity in India This book further focuses on the need for democratizing the policy process for regional development through discussion and inclusion Such a transition needs innovation in policy regime which can be attained through following six pillars i Democratic voice of stakeholders in policy development and implementation ii Clear policy objectives that advance the common good based on voice iii Unbiased sound and comprehensive knowledge and data bases iv Consistency with constitutional values v A sound implementation framework ensuring user friendliness transparency and rationality of decision making processes effective grievance redress clear accountability and independent evaluation vi Public awareness and support of policies with relevant and public participation in implementation
