**Recreating the Cosmos** Jeremy W. Barrier, 2017-06-27 This book is a meditation on Paul's letter to the church in Galatia with the purpose of reclaiming Paul for those of faith who have grown tired of thinking that Christians are the people who draw lines make distinctions and police religious borders This book is an attempt to reclaim the vision of Paul that is beyond Jew and Gentile slave and free male and female the new creation Ultimately the vision of Paul was not Paul's vision but God's vision of the cosmos As readers reclaim this vision of a new creation they begin to reclaim God's new creation experienced in our lives

and within the world around us God as the grand creator of the cosmos is attempting to inject the same creative process into the cosmos through humans Rather than simply seeing humans as the destroyers of the cosmos Barrier invites us to consider this beautiful thought The earth could be renewed daily by humanity *An End-Time Church Manifesto* Fred

London,2013-03 Both the wine and the wineskin are equally critical to the Church in order to provide the corporate delivery system which will be required at the end of the age Therefore I would submit that the Church of the 21st Century is in desperate need of a restoration to become the instrument which was is and will be required by God to accomplish His purposes in the last days Yes It is incumbent upon the Church to gain the necessary insight from the Scriptures in order to fulfill her prophetic calling to the Jew during the Time of Jacob s Trouble But that is the conceptual part of the whole counsel of God At some point the time comes when we are brought to the place where we should be compelled to say OK I get it Now brethren what must we do Indeed What must we do This little book attempts to address this all important question **There Were Two Trees in the Garden** Rick Joyner,1986 *There Were Two Trees in the Garden* has remained a bestseller for more than twenty five years Discover the conflict as old as the Garden of Eden and represented by two trees The Tree of the Knowledge of Good and Evil and the Tree of Life This classic book is a study of the fundamental difference between what these two trees represent the kingdom of darkness and the kingdom of God Learn how the struggle that began so long ago affects your life today and how you can stand for truth in the midst of darkness **Spiritual Reflections on the Several Chapters of Holy Scripture. [Extracted from Dr. Hawker's "Commentary on the Bible."]** Robert Hawker,1845
