

Extraordinary Career Of The 2nd Earl Of Massereene 1743 1805

Marilynn J. Richtarik

Extraordinary Career Of The 2nd Earl Of Massereene 1743 1805:

The Extraordinary Career of the 2nd Earl of Massereene, 1743-1805 Great Britain. Public Record Office, 1972 *The Extraordinary Career of the 2nd Earl of Massereene, 1743-1805*, 1972 Contains some of the letters written by Clotworthy Skeffington Earl of Massereene 1743 1806 while he was in debtor s prison and after as well as other letters and documents in connection with his imprisonment for debt and his later decision to will away the estates from his heir unsuccessfully because of the Massereene family s legal efforts to have the will invalidated The Extraordinary Career of the 2nd Earl of Massereene, 1743-1805, 1972 Contains some of the letters written by Clotworthy Skeffington Earl of Massereene 1743 1806 while he was in debtor s prison and after as well as other letters and documents in connection with his imprisonment for debt and his later decision to will away the estates from his heir unsuccessfully because of the Massereene family s legal efforts to have the will invalidated **The Pursuit of the Heiress** A. P. W. Malcomson, 2006 The Pursuit of the Heiress is a new

greatly enlarged and more widely focused version of what the late Lawrence Stone described as a brilliant long essay or short book on the subject of the role of heiresses among the Irish aristocracy which was published by the Ulster Historical Foundation under the same title in 1982 and has long been out of print The new book comes to the same broad conclusions about heiresses namely that their importance as a means of enlarging the estates or retrieving the fortunes of their husbands has been much exaggerated This was because known heiresses were well protected by a variety of legal devices and in common with many aristocratic women of the day also had minds and strong preferences of their own which meant that they were not generally an object of deliberate or profitable pursuit The new book also ranges more widely than its central theme of heiresses and addresses other aspects of aristocratic marriage such as abductions elopements mesalliances the supposed rise of the affective family and the disadvantaged situation of even the richest and most privileged women in an age when both adultery and divorce were largely the prerogative of men *Stewart Parker* Marilyn J. Richtarik, 2012-09-06

Meticulously researched and engagingly written this is the first biography of the important Irish playwright Stewart Parker It illuminates the genesis and meaning of such classic plays as *Spokesong* and *Pentecost* works that continue to shed light on Northern Ireland s past present and future in the context of Parker s life and times *Living Like a Lord* W. A.

Maguire, 2002 Born and brought up in England George Augustus Chichester second Marquis of Donegall inherited from his father in 1799 one of the greatest landed estates in Ireland nearly a quarter of a million acres Since the new Lord Donegall had hitherto spent much of his time gambling on borrowed money a host of creditors now looked for payment Donegall disputed the legality of many of the claims however and retreated to Belfast where he defied all efforts to make him pay in full He was to live in Belfast for the rest of his life becoming notorious as the Marquis of Donegal The story of his prodigal son who became a prodigal father is full of fascinating glimpses of the lower life of the upper classes of his time a world of debtors prisons chancy deals and Chancery proceedings Apart from this Donegall s career is interesting also for the curious

affair of his marriage When his eldest son was about to get married in 1819 Donegall's own marriage to Anna May was declared illegal more than twenty years after it had taken place This made their seven children illegitimate and deprived them of their inheritance Only a retrospective change in the law of matrimony brought about by the Donegall case saved the family from ruin At a local level Donegall's presence in the town and his insatiable need for cash had a considerable if unintended effect on the development of Belfast By seriously undermining the Chichester family's wealth and influence he opened the way for the citizens to take its place **British National Archives** Great Britain. Public Record Office,1975

Guide to Genealogical Resources in the British Isles Dolores B. Owen,1989 No descriptive material is available for this title *Remembering All the Orrs* R. H. Foy,1999 William Orr of Farranshane 1766 1797 married Isabella Greer 1768 1847 in 1788 They had six children Women, marriage and property in wealthy landed families in Ireland, 1750-1850 Deborah Wilson,2013-07-19 Until recently women featured in the historiography of the landed class in Ireland either as bearers of assets to advantageous matches or as potential drains on family estates Drawing on a range of sources from the papers of landed families this book provides fresh insights into the place of these women Looking at women's experiences of property and power in twenty landed families between 1750 and 1850 and outlining the statutory developments that impacted upon the distribution of family property in Ireland Wilson considers how women were provided for and examines the legal social and familial factors that influenced the experience elite women had of property Individual examples demonstrate the similarities and differences between women in this class and illustrate how the experience women had of property in this period was more complex than their legal and social status might suggest This book will appeal to scholars in the fields of Irish history gender and women's studies *Irish Historical Studies* ,1976 Vols 1 include the sections Writings on Irish history 1936 Research on Irish history in Irish British and American universities 1973 38 The Country House Library Mark Purcell,2019-09-03 Beginning with new evidence that cites the presence of books in Roman villas and concluding with present day vicissitudes of collecting this generously illustrated book presents a complete survey of British and Irish country house libraries Replete with engaging anecdotes about owners and librarians the book features fascinating information on acquisition bordering on obsession the process of designing library architecture and the care and neglect of collections The author also disputes the notion that these libraries were merely for show arguing that many of them were profoundly scholarly assembled with meticulous care and frequently used for intellectual pursuits For those who love books and the libraries in which they are collected and stored *The Country House Library* is an essential volume to own **Irish Economic and Social History** ,1984 National Union Catalog ,1978 **Library of Congress Catalog** Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards **The Treaty of Paris (1783) in a Changing States System** Prosser Gifford,1985 *Library of Congress Catalogs* Library of Congress,1976 **Irish Families** Robert Dudley Edwards,1974 **The British Library General Catalogue of Printed Books to 1975** British

Library,1985

The Story of Antrim Alastair Smyth,1984
