The Nature of True Virtue James Duban, 2001-06 This study details the compatibility of ideas between Jonathan Edwards and Emanuel Swedenborg that helped forge the theological socialism of Henry James Sr Duban demonstrates how a forgotten newspaper exchange between the elder James and Unitarian minister Henry Whitney Bellows clarified the Puritan foundations of the elder James's philosophy Henry James Jr in turn transformed the phenomenalist and Edwardsian foundations of his father's philosophy into the psychological dramas of major novels although deeming the father's political radicalism destructive of aesthetic valuation

A Life on the Middle West's Never-Ending Frontier Willard L. Boyd, 2019-05-15 University of Iowa legend Willard L. Sandy Boyd is a proud middle westerner. His decades of service to the university began in 1954 when he arrived as a law professor. He later became president of the University of Iowa from 1969 to 1981 and led the school through times that were fraught not just for the university but for the country. During the intense polarization of the late sixties and early seventies, Sandy's compassion and steady leadership ensured that dissent on campus would be honored and would not stop the university's educational mission. He quickly became admired not simply for his professional achievements but also for his personal integrity. His memoir interspersed with personal wisdom gleaned over more than six decades of service and leadership encapsulates Sandy's shrewd yet optimistic view of the public university as an institution. At every stage in his life—in the U.S. Navy during World War II while practicing law or teaching and in leadership positions at Chicago's Field Museum and the University of Iowa—Sandy relied on his principles of open disclosure, inclusiveness, and respect for differences to guide him on issues that matter. This chronicle of Sandy's experiences throughout his life shows us the evolution both of the University of Iowa and of the nation writ large. More importantly, this book gives us a lens through which to examine our present situation, whether debating free speech on campus, the role of the arts and humanities in civil society, or the importance of funding for educational and cultural institutions.

A Burning in My Bones Winn Collier, 2022-03-29 This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of *The Message*. In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop. John Mark Comer, author of *The Ruthless Elimination of Hurry*, "This hunger for something radical, something so true that it burned in his bones, was a constant in Eugene's life. His longing for God ignited a ferocity in his soul." Encounter the multifaceted life of one of the most influential and creative pastors of the past half-century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate *The Message*, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake, a kiss from his wife Jan, a good joke, a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same, noticing how the most ordinary things shimmer with a new and unexpected beauty.
