When God Taps You On The Shoulder Gloria S Bush,Lillian Cosby,2005-08 Many people dismiss the world of the paranormal as impossible Others based on their own unsatisfactory experiences conclude that all claims of profound intuitiveness amount to fakery Fictionalized images of sorcerers and soothsayers consorting with unholy forces linger among us while media exposés of pseudo psychics leave little room for the voices of genuinely gifted extrasensory consultants to be heard and fairly judged *When God Taps You On The Shoulder* is a response to these common negative connotations It is the testimony of Lillian Cosby a woman whose supernatural gifts were evident from early childhood but who did not accept her abilities until her early thirties In service to those who seek her Lillian Cosby's biography ranges from city neighbors schoolchildren and high national government officials to the glitter of the entertainment world corporate Tokyo and beyond Beneath the brilliance of her own star status however Lillian remains grounded in Spirit *When God Taps You On The Shoulder* offers wisdom born of experience as well as concrete spiritual techniques to move us towards a deeper relationship with the Divine A Dramatic Pentecostal/Charismatic Anti-Theodicy Stephen Torr,2013-11-08 The response of Pentecostal and Charismatic churches to those suffering in their midst has generally been to seek the intervention of the Holy Spirit to bring about healing and transformation or perhaps education But what happens when the suffering continues it appears to be innocent and meaningless and God seems to be absent This study drawing on Kevin Vanhoozer's dramatic approach to theology argues that the way God calls us to perform as we seek to communicate with him amidst such situations is to lament and to do so with the aid of the Holy Spirit Rather than offering such an approach purely in opposition to the more triumphalistic responses common in Pentecostal Charismatic theology and

practice this book seeks to show how a performance of lament is conducive to such theology and practice while acting as a much needed corrective to certain aspects of it What is provided here is therefore relevant reading for both scholars and pastors alike particularly of Pentecostal Charismatic church tradition who grapple with the realities of suffering and the questions such realities produce
