Eye For An Eye The Immorality Of Punishing By Death:

An Eye for an Eye? Stephen Nathanson, 2001-10-16 The death penalty issue has become the epitome of the unresolvable issue the question which people answer on the basis of gut reactions rather than logical arguments In the second edition of *An Eye for an Eye* Stephen Nathanson evaluates arguments for and against the death penalty and ultimately defends an abolitionist position to the controversial practice including arguments that show how and why the death penalty is inconsistent with respect for life and a commitment to justice A timely new postscript and an updated bibliography accompany the volume

An Eye for an Eye Stephen Nathanson, 2001 The death penalty issue has become the epitome of the unresolvable issue the question which people answer on the basis of gut reactions rather than logical arguments In the second edition of *An Eye for an Eye* Stephen Nathanson evaluates arguments for and against the death penalty and ultimately defends an abolitionist position to the controversial practice including arguments that show how and why the death penalty is inconsistent with respect for life and a commitment to justice A timely new postscript and an updated bibliography accompany the volume

Capital Punishment Bruce E. R. Thompson, 2009-06-25 This volume provides an abundance of information on the history of capital punishment and ongoing opposition to it Author Bruce E R Thompson includes narratives on well known figures on both sides of the issue Various methods of execution are explained and their use placed in historical context Legal terminology important to the debate is defined and explained

Contemporary Debates in Applied Ethics Andrew I. Cohen, Christopher Heath Wellman, 2014-01-14 Now in an updated edition with fresh perspectives on high profile ethical issues such as torture and same sex marriage this collection pairs cogently argued essays by leading philosophers with opposing views on fault line public concerns Revised and updated new edition with six new pairs of essays on prominent contemporary issues including torture and same sex marriage and a survey of theories of ethics by Stephen Darwall Leading philosophers tackle colleagues with opposing views in contrasting essays on core issues in applied ethics An ideal semester length course text certain to generate vigorous discussion

By Man Shall His Blood Be Shed Edward Feser, Joseph Bessette, 2017-05-10 The Catholic Church has in recent decades been associated with political efforts to eliminate the death penalty It was not always so This timely work reviews and explains the Catholic Tradition regarding the death penalty demonstrating that it is not inherently evil and that it can be reserved as a just form of punishment in certain cases Drawing upon a wealth of philosophical scriptural theological and social scientific arguments the authors explain the

perennial teaching of the Church that capital punishment can in principle be legitimate not only to protect society from immediate physical danger but also to administer retributive justice and to deter capital crimes The authors also show how some recent statements of Church leaders in opposition to the death penalty are prudential judgments rather than dogma They reaffirm that Catholics may in good conscience disagree about the application of the death penalty Some arguments against the death penalty falsely suggest that there has been a rupture in the Church's traditional teaching and thereby inadvertently cast doubt on the reliability of the Magisterium Yet as the authors demonstrate the Church's traditional teaching is a safeguard to society because the just use of the death penalty can be used to protect the lives of the innocent inculcate a horror of murder and affirm the dignity of human beings as free and rational creatures who must be held responsible for their actions By *Man Shall His Blood Be Shed* challenges contemporary Catholics to engage with Scripture Tradition natural law and the actual social scientific evidence in order to undertake a thoughtful analysis of the current debate about the death penalty

Justifying Legal Punishment Igor Primoratz,1997-11 While the philosophy of punishment is dominated by utilitarian and mixed theories this study written in the analytic tradition but also drawing on the views of Hegel argues for a purely retributive view all the main questions facing a theory of punishment are answered in terms of justice and desert without any concessions to social expediency

When the Guillotine Fell Jeremy Mercer,2008-06-24 How long did the guillotine's blade hang over the heads of French criminals Was it abandoned in the late 1800s Did French citizens of the early days of the twentieth century decry its brutality No The blade was allowed to do its work well into our own time In 1974 Hamida Djandoubi brutally tortured 22 year old Elisabeth Bousquet in an apartment in Marseille putting cigarettes out on her body and lighting her on fire finally strangling her to death in the Provencal countryside where he left her body to rot In 1977 he became the last person executed by guillotine in France in a multifaceted case as mesmerizing for its senseless violence as it is though provoking for its depiction of a France both in love with and afraid of The Foreigner In a thrilling and enlightening account of a horrendous murder paired with the history of the guillotine and the history of capital punishment Jeremy Mercer a writer well known for his view of the underbelly of French life considers the case of Hamida Djandoubi in the vast flow of blood that France's guillotine has produced In his hands France never looked so bloody

International Human Rights Cher Weixia Chen,Alison Dundes Renteln,2022-08-11 This book provides an interdisciplinary overview of international human rights issues offering truly international coverage including the Global South Considering the philosophical foundations of human rights Chen and Renteln explore the interpretive difficulties associated with identifying what constitute human rights abuses and evaluate various perspectives on human rights This book goes on to analyze institutions that strive to promote and enforce human rights standards including the United Nations system regional human rights bodies and domestic courts It also discusses a wide variety of substantive human rights including genocide torture capital punishment and other cruel and unusual punishments In particular the book

offers an accessible introduction to key understudied topics within human rights such as socioeconomic rights cultural rights and environmental rights It also focuses on the rights of marginalized groups including children s rights rights of persons with disabilities women s rights labor rights indigenous rights and LGBTQ rights making this an engaging and invaluable resource for the contemporary student

Encyclopedia of Crime and Punishment David Levinson, 2002 Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003

The Palgrave Handbook on the Philosophy of Punishment Matthew C. Altman, 2023-03-23 This Handbook provides a comprehensive survey of major topics in the philosophy of punishment from many of the field s leading scholars Key features Presents a history of punishment theory from ancient times to the present Evaluates the main proposed justifications of punishment including retributivism general and specific deterrence theories mixed theories expressivism societal defense theory fair play theory rights forfeiture theory and the public health quarantine model Discusses sentencing proportionality policing prosecution and the role punishment plays in the context of the state Examines advances in neuroscience and debates about whether free will skepticism undermines the justifiability of punishment Considers forgiveness restorative justice and calls to abolish punishment Addresses pressing social issues such as mass incarceration juvenile justice punitive torture the death penalty and cruel and unusual punishment With its unmatched breadth and depth this book is essential reading for scholars who want to keep abreast of the field and for advanced students wishing to explore the frontiers of the subject

A Theory of Legal Punishment Matthew Altman, 2021-05-05 This book argues for a mixed theory of legal punishment that treats both crime reduction and retribution as important aims of the state A central question in the philosophy of law is why the state s punishment of its own citizens is justified Traditionally two theories of punishment have dominated the field consequentialism and retributivism According to consequentialism punishment is justified when it maximizes positive outcomes According to retributivism criminals should be punished because they deserve it This book recognizes the strength of both positions According to the two tiered model the institution of punishment and statutory penalties as set by the legislature are justified based on their costs and benefits in terms of deterrence and rehabilitation The law exists to preserve the public order Criminal courts by contrast determine who is punished and how much based on what offenders deserve The courts express the community s collective sense of resentment at being wronged This book supports the two tiered model by showing that it accords with our moral intuitions

commonly held compatibilist theories of freedom and assumptions about how the extent of our knowledge affects our obligations. It engages classic and contemporary work in the philosophy of law and explains the theory's advantages over competing approaches from retributivists and other mixed theorists. The book also defends consequentialism against a longstanding objection that the social sciences give us little guidance regarding which policies to adopt. Drawing on recent criminological research, the two-tiered model can help us to address some of our most pressing social issues, including the death penalty, drug policy, and mass incarceration. This book will be of interest to philosophers, legal scholars, policymakers, and social scientists, especially criminologists, economists, and political scientists.

The Politics of the Rope Neville Twitchell, 2012. The campaign to abolish capital punishment, 1955-1969. [A Wild Justice: The Death and Resurrection of Capital Punishment in America](#) Evan J. Mandery, 2013-08-19. New York Times Book Review Editor's Choice. Drawing on never before published original source detail the epic story of two of the most consequential and largely forgotten moments in Supreme Court history. For two hundred years the constitutionality of capital punishment had been axiomatic. But in 1962 Justice Arthur Goldberg and his clerk Alan Dershowitz dared to suggest otherwise, launching an underfunded band of civil rights attorneys on a quixotic crusade. In 1972, in a most unlikely victory, the Supreme Court struck down Georgia's death penalty law in *Furman v. Georgia*. Though the decision had sharply divided the justices, nearly everyone, including the justices themselves, believed *Furman* would mean the end of executions in America. Instead, states responded with a swift and decisive showing of support for capital punishment. As anxiety about crime rose and public approval of the Supreme Court declined, the stage was set in 1976 for *Gregg v. Georgia*, in which the Court dramatically reversed direction. *A Wild Justice* is an extraordinary behind-the-scenes look at the Court, the justices, and the political complexities of one of the most racially charged and morally vexing issues of our time.

From the Eye of the Storm, 2022-07-04. *From the Eye of the Storm: Regional Conflicts and the Philosophy of Peace* presents to the reader a cross-section of an emerging field of study: the philosophy of peace. The editors bring together articles that explore the philosophic implications of many recent regional conflicts. Reflecting the diversity and vitality of any new field of study, this volume contains five sections: Conceptual Foundations, America's Homefront, Desert Storm Assessments, Jihad, Intifada, and Other Mideast Concerns, and Latin American Issues. The topics of the articles include war, militarism, patriotism, nationalism, nonviolence, conscientious objection, feminism, peace, the media, the ethics of the Gulf War, the Israeli-Palestinian conflict, Islamic pacifism, and Latin American resistance. A concluding postscript assesses prospects for achieving peace and change within our fast-changing international scene. This volume has an extensive bibliography of writings concerning peace and conflict and is suited to professional and student audiences.

Institutional Violence Deane Curtin, Robert Litke, 2022-05-20. Violence can be physical and psychological. It can characterize personal actions, forms of group activity, and abiding social and political policy. This book includes all of these aspects within its focus on institutional forms of violence. Institution is also a broad category ranging from formal

arrangements such as the military the criminal code the death penalty and prison system to more amorphous but systemic situations indicated by parenting poverty sexism work and racism Violence is as complex as the human beings who resort to it its institutional forms pervade our relational lives We are all participants in it as victims and perpetrators The chapters in this book were written in the hope that violence can be explicated even if not fully understood and that such clarification can help us in devising less violent forms of living even if it does not lead to its total abolition The studies bring new aspects of violence to light and offer a number of suggestions for its remedy

The Bible Now Richard Elliott Friedman, Shawna Dolansky, 2011-10-01 For millennia people have used the Bible as a touchstone on important social and political questions and rightly so But many use the Bible simply as a weapon to wield against opponents in a variety of debates without knowing what the Bible actually says about the issue in question In The Bible Now two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women's status capital punishment and the environment In fascinating passages that shed new light on some of today's most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused For instance those who quote the Bible in condemning homosexuality often cite the story of Sodom and those who favor homosexuality point to David's lament over the death of Jonathan But as the authors show neither passage is clearly about homosexuality and these texts do not offer solid footing on which to make an argument Readers learn that female homosexuality is not prohibited only male homosexuality And on the subject of abortion the Bible is practically silent with one extraordinary exception The Bible has inspired people to do great good but has also been used by people to do great harm so it is vitally important for us to pay attention to it and to get it right The Bible Now shows us how we can and cannot use this ancient source of wisdom to address our most current and pressing issues

The Bible Now Richard Elliott Friedman, Shawna Dolansky, 2011-07-01 In The Bible Now two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women's status capital punishment and the environment In fascinating passages that shed new light on some of today's most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused

Philosophy of Law Jeffrey Brand, 2013-11-21 Organized around specific questions theses and arguments Philosophy of Law Introducing Jurisprudence helps students get to grips with the fascinating yet often complex realm of legal philosophy This comprehensive introduction explores fundamental questions about legal systems legal reasoning and legal concepts covering a wide range of topics in jurisprudence including Liability Punishment Causation Discretion Precedent Constitutional disobedience The rule of law Packed with boxed case studies chapter discussion questions guides to further reading a glossary of key terms and online resources for lecturers and students Jeffrey Brand guides the reader through ideas in an accessible way Philosophy of Law is ideal for use as a core textbook or as a companion

to a set of primary sources *Patriotism* Igor Primoratz, 2016-05-13 Economic and cultural globalization and the worldwide threat of terrorism have contributed to the resurgence of patriotic loyalty in many parts of the world and made the issues it raises highly topical This collection of new essays by philosophers and political theorists engages with a wide range of conceptual moral and political questions raised by the current revival of patriotism It displays both similarities and differences between patriotism and nationalism and considers the proposal of Habermas and others to disconnect the two Ideal as a supplementary reader for undergraduate and postgraduate courses in politics political science especially in political theory contemporary political ideologies and nationalism and in philosophy for courses on applied ethics and political philosophy

This is likewise one of the factors by obtaining the soft documents of this **Eye For An Eye The Immorality Of Punishing By Death** by online.
