against the matrimonial alliance between his daughter sati and shiv From the very beginning sati knows that shiv is her eternal spouse But Prajapathi Daksh is bent upon destroying this relationship However by quirk of fate sati is married to shiv Not withstanding all resistance Daksh is compelled to give his daughter away to the person he dislikes most Shiv Deeply hurt Daksh is now looking for a chance to insult his son in law when he arranges a yagya and doesn t invite them Sati burns her out there in yog Agni have presented this so repeated story from a different angle The first person narration here has been used for the expansion of philosophy and thought that result in giving a contemporary canvas have visualised myself as Sati for exploring the in depth feelings and emotions of a woman The use of the montage technique has allowed me to pick up some stories from countless stories of shiv and sati and put them into an imaginative an unputdownable literary piece
