Eye of the Beholder Kathy Herman,2009-02-04 Things Aren't Always How They Appear Guy Jones is about to burst his buttons He just won the biggest case of his career and is being hailed by his law partners But his wife Ellen is consumed with her quirky needy friends and misses his victory dinner Little does she know that Kinsey Abbott Guy's pretty legal secretary is more than happy to keep him company Communication between the Joneses rapidly deteriorates when Ellen's stubborn loyalty to an Iranian couple lands her in the FBI's spotlight and Guy's bad graces Guy soon discovers Kinsey's dark side which inevitably pulls him into a web of danger and deceit He decides not to tell Ellen But it's going to cost him Who is my neighbor Guy Jones is about to burst his buttons He just won the biggest case of his career and is being hailed by his law partners But his wife Ellen is so consumed with her quirky needy friends that she misses his victory dinner and bright beautiful legal secretary Kinsey Abbott is only too glad to keep him company When a fishing boat full of explosives is seized near Seaport Ellen's stubborn loyalty to her Iranian friends lands her in the FBI's spotlight and Guy's bad graces But when Guy encounters Kinsey's dark side a lot more than the Joneses marriage is threatened Amid danger deceit and violence Guy and Ellen clash over a key issue Who is worth befriending and who deserves loyalty under fire As if pulled from today's headlines this novel touches on the fear that overtakes a town when rumors of terrorists are afoot Filled with unexpected twists Eye of the Beholder held me captive until the very end Traci DePree Author of Aprons on a Clothesline Eye of the Beholder enticed me from the first page with familiar and beloved people Then it took a twist that both delighted and convicted me This visit to Seaport will change your life Janelle Clare Schneider Author Story Behind the Book My novels don't come to me ahead of time each book flows off the tips of my fingers as I sit down and begin to feel the issues deep inside myself For me the most intriguing aspect of my writing style is that I don't plan and outline the stories I turn my fingers loose and get inside the characters and instinctively know where I need to go After all the suspense is said and done my hope is that each story will give us pause That in the deepest part of our souls we'll embrace the depth of what it means to be believers and then be moved to share its powerful simplicity with those who struggle without hope I want Eye of the Beholder to take readers inside my characters hearts and minds so they will take an honest look at whether they show favoritism to people of higher social standing I want them to realize a person's intrinsic value has nothing to do with social class Kathy Herman

Bennett,2014-09-24 Marty liked Yvonne at first When he saved her from the boys taunting her and calling her a witch he thought maybe they could be friends Yvonne thought so too until she saw him later that night kissing someone else Then all hell literally broke loose The Eye of Mephistopheles is an action packed tale of witchcraft set in modern day New York City Author Dr Tyrone L Bennett has created believable characters who find themselves at the hands of the evil Yvonne Based on a true story this tale will have you turning pages in anticipation until the thrilling climax A modern tale of terror The Eye of Mephistopheles will mesmerize its readers *Eye of the Storm* Marcia Muller,2011-10-01 Appleby Island once the magnificent home of a tycoon and planter is a place of history and mystery in the Sacramento delta Its story includes hints of tragedy fueling rumors that ghosts still walk its derelict orchards Now Patsy McCone her new lover and a group of investors are turning the old mansion into an elegant bed and breakfast Summoned by her eccentric younger sister San Francisco s number one PI Sharon McCone arrives in the teeth of a gale taking a busman s holiday to investigate mysterious acts of vandalism that are running the project to ruin But when simple sabotage escalates to savage murder she finds herself trapped on the island with a desperate killer and flung into a raging storm of treachery violence and sudden death The Eye of Verishten K.E. Barron,2017-03 For thousands of years Golem Mages ruled the volcanic mountain ranges of Ingleheim but when Herrscher Heinrich declared himself F hrer he took measures to ensure he would be the last with the power to bend golems to his will Twenty years later his regime uncovers the resting place of an Alpha Golem with the power to burn the life force out of anyone caught in its destructive gaze Katja a passionate Golem Expert is tasked to help bring the Alpha under the F hrer s control She is determined to keep it out of his murderous hands and has no choice but to team up with a nameless and faceless soldier trained in the efficiently ruthless discipline of Steinkamp A word synonymous with death The pair challenge immense power but their most trying task is learning how to trust in a world where everyone is afraid of you or wants to kill you Dust jacket *The Eye of Dread* Emma Payne Erskine,2020-09-28 Two whip poor wills were uttering their insistent note hidden somewhere among the thick foliage of the maple and basswood trees that towered above the spring down behind the house where the Ballards lived The sky in the west still glowed with amber light and the crescent moon floated like a golden boat above the horizon s edge The day had been unusually warm and the family were all gathered on the front porch in the dusk The lamps within were unlighted and the evening wind blew the white muslin curtains out and in through the opened windows The porch was low only a step from the ground and the grass of the dooryard felt soft and cool to the bare feet of the children In front and all around lay the garden flowers and fruit quaintly intermingled Down the long path to the gate where three roads met great bunches of peonies lifted white blossoms luminously white in the moonlight and on either side rows of currant bushes cast low dark shadows and here and there dwarf crab apple trees tossed pale scented flowers above them In the dusky eveninglight the iris

flowers showed frail and iridescent against the dark shadows under the bushes The children chattered quietly at their play as if they felt a mystery around them and small Betty was sure she saw fairies dancing on the iris flowers when the light breeze stirred them but of this she said nothing lest her practical older sister should drop a scornful word of unbelief a thing Betty shrank from and instinctively avoided Why should she be told there were no such things as fairies and goblins and pigwidgeons when one might be at that very moment dancing at her elbow and hear it all So Betty wagged her curly golden head wise with the wisdom of childhood and went her own ways and thought her own thoughts As for the strange creatures of wondrous power that peopled the earth and the sky and the streams she knew they were there She could almost see them could almost feel them and hear them even though they were hidden from mortal sight Did she not often go when the sun was setting and climb the fence behind the barn under the great locust and silver leaf poplar trees where none could see her and watch the fiery griffins in the west Could she not see them flame and flash their wings spreading far out across the sky in fantastic flight or drawn close and folded about them in hues of purple and crimson and gold Could she not see the flying mist women flinging their floating robes of softest pink and palest green around their slender limbs and trailing them delicately across the deepening sky Had she not heard the giants nay seen them driving their terrible steeds over the tumbled clouds and rolling them smooth with noise of thunder under huge rolling machines a thousand times bigger than that Farmer Hopkins used to crush the clods in his wheat field in the spring Had she not seen the flashes of fire dart through the heavens struck by the hoofs of the giants huge beasts Ah She knew If Martha would only listen to her she could show her some of these true things and stop her scoffing
