**Nuclear Reactors and Earthquakes** Lockheed Aircraft Corporation,1963 *Colonialism, Maasina Rule, and the Origins of Malaitan Kastom* David W. Akin,2013-10-31 This book is a political history of the island of Malaita in the British Solomon Islands Protectorate from 1927 when the last violent resistance to colonial rule was crushed to 1953 and the inauguration of the island s first representative political body the Malaita Council At the book s heart is a political movement

known as Maasina Rule which dominated political affairs in the southeastern Solomons for many years after World War II The movement's ideology kastom was grounded in the determination that only Malaitans themselves could properly chart their future through application of Malaitan sensibilities and methods free from British interference Kastom promoted a radical transformation of Malaitan lives by sweeping social engineering projects and alternative governing and legal structures When the government tried to suppress Maasina Rule through force its followers brought colonial administration on the island to a halt for several years through a labor strike and massive civil resistance actions that overflowed government prison camps David Akin draws on extensive archival and field research to present a practice based analysis of colonial officers interactions with Malaitans in the years leading up to and during Maasina Rule A primary focus is the place of knowledge in the colonial administration Many scholars have explored how various regimes deployed colonial knowledge of subject populations in Asia and Africa to reorder and rule them The British imported to the Solomons models for native administration based on such an approach particularly schemes of indirect rule developed in Africa The concept of custom was basic to these schemes and to European understandings of Melanesians and it was made the lynchpin of government policies that granted limited political roles to local ideas and practices Officers knew very little about Malaitan cultures however and Malaitans seized the opportunity to transform custom into kastom as the foundation for a new society The book s overarching topic is the dangerous road that colonial ignorance paved for policy makers from young cadets in the field to high officials in distant Fiji and London Today kastom remains a powerful concept on Malaita but continued confusion regarding its origins history and meanings hampers understandings of contemporary Malaitan politics and of Malaitan people's ongoing problematic relations with the state Police Investigation - Powers, Tactics and Techniques (Vol 1 and 2 combined) 4th Edition 2022 V. Sithannan, B.Sc., B.L., M.L., CC & IS, formerly Principal, Tamil Nadu Police Academy, 2021-12-28 With Sithannan's book Police Investigation Powers Tactics and Techniques 4th Edition 2022 every Police Officer will be able to do a comprehensive investigation even if he she just follow the checklists given The book is written in simple language which can be easily understood by all Police Officers and will serve as a valuable tool guide for every officer who has to investigate a crime participate in the All India Police Duty Meet etc This is a more exhaustive treatise than his initial one prepared when he was working in the Police Training College and which is still used by Investigating Officers all over the state of Tamil Nadu In his present work titled Police Investigation Powers Tactics and Techniques the author has meticulously catalogued the tools available to a police officer to become a successful investigator He has carefully listed the duties of Police Officers at various stages of the investigation and the legal and statutory supports officially available to an investigating officer The book contains 25 chapters and 4 annexures In all the chapters the author describes the problems at hand in elaborate detail supported by relevant statistical and legal data drawn from authentic sources The first chapter includes a discussion on the development of settled society the origin of law in society and the

emergence of military and police in developing societies In the following chapters the author has given an exhaustive account of the role and powers of Police in the registration of offences and taking up of the investigation He has also discussed problems encountered by a Police Officer during the investigation the trial till the judgement The book dexterously deals with problems such as the jurisdiction of a Police Officer the dying declaration of victims the conducting of inquest arrest interrogation and confession of the accused etc Apart from Police Officers Advocates Law and Judicial Officers would also find this book very useful as a reference book The reference to judgements pertaining to a host of criminal cases during the period 1965 2018 merit careful study by the quardians of Law The checklist provided at the end of each chapter can serve as a ready reckoner to the Police Officers at various stages of the investigation A trainee and a veteran equally will find this book a useful aid To cite an example under chapter 14 Arrest he has cited 37 landmark judgements By reading these fourteen pages alone one can avert many a pitfall While writing this book the academic pursuit of the author is in full bloom as he has drawn valuable and authenticated data from various enactments official documents court judgements and a vast domain of related literature of national and international significance Moreover in this scholarly work the author does not limit himself to expressing his sentiments of fellowship to the investigating Police Officers but also is concerned more about their legitimate and authorized duties responsibilities jurisdiction rights of the accused and the natural processes of the long arm of the law That the Author's utopian ideal of no innocent person should be punished and no offender should go unpunished can be seen to dominate the whole message of the book For this purpose the Author has taken extra pains to give a balanced treatment of the whole problem of crime and its investigation The Headwaters District Roundtables Leland R.
