Ezekiel I Chapters 1 1:

Ezekiel's Vision Accounts as Interrelated Narratives Janina Maria Hiebel, 2015-06-16 Ezekiel is one of the best structured books in the Old Testament. It is commonly recognized that the strongly interrelated vision accounts Ez 1 1 3 15 8 11 37 1 14 40 48 contribute greatly to this impression of unity. However, there is a marked lacuna in publications focusing on the vision accounts in Ezekiel as an interconnected text corpus. The present study combines redaction critical analysis with literary methods that are typically used in a synchronic approach. Drawing on the paradigm of Fortschreibung, it is the first to present a united redaction history that takes into account the growing interconnections and dependencies between the vision accounts. Building on these results, the second part follows the development of selected themes such as the relationships between characters, the roles of intermediate figures and anthropological and theological implications throughout the stages of redaction. The study thus represents an important step towards an understanding of the complex redaction history of the book of Ezekiel and indeed of its theology. The combination of diachronic and synchronic methods makes it relevant for scholars of both directions and is itself a methodological statement. *Parables and Conflict in the Hebrew Bible* Jeremy Schipper, 2009-04-13 Schipper examines the intimate relationship between parables and conflict in the Hebrew Bible. Challenging the scholarly consensus, he argues that parables do not function as appeals to change their audience's behavior.

A commentary, critical and explanatory, on the Old and New Testaments, by R. Jamieson, A.R. Fausset and D. Brown. (Portable comm.). Robert Jamieson, 1863 *The Spirit throughout the Canon*, 2022-08-15 Pentecostal forms of Christianity have now taken a dynamic role in contemporary Christianity, often at the vanguard of new movements and spiritual vitality among Christians in the late modern world. The many movements which constitute global Pentecostalism share in common an intense commitment to the Bible and life in the Spirit. Over the past several decades, Pentecostal biblical scholarship has played an important role in resourcing Pentecostal theologies. These elements come together in this volume in which leading Pentecostal biblical scholars from around the world account for the appearance of the divine Spirit, putting forth a defining work from a seminal generation of scholars. Contributors are J. Ayodeji Adewuya, Kenneth J. Archer, Melissa Archer, Emma M. Austin, Holly Beers, Michael L. Brown, Blaine Charette, Jacob Cherian, Roger D. Cotton, Daniel K. Darko, Finny Philip Roji, Thomas George, Jacqueline Grey, Alicia R. Jackson, Wonsuk Ma, Lee Roy Martin, Robert P. Menzies, Brian Neil Peterson, Rebecca Skaggs, Joe Thomas, John Christopher Thomas, Robby Waddell, Rick Wadholm, Nimi Wariboko, Cynthia Long Westfall. *A Commentary: Or an Exposition with Notes on the Five First Chapters of the Revelation of Jesus Christ.* By Charles Phelpes. [With the Text.] , 1678 **God's Relational Presence** J. Scott Duvall, J. Daniel Hays, 2019-11-19 Two leading biblical scholars and bestselling authors offer a fresh approach to the question of the unity of the whole Bible. This book shows that God's desire to be with his people is a thread running from Genesis through Revelation. Duvall and Hays make the case that God's relational presence is central to the Bible's grand narrative. It is the cohesive center that drives the

whole biblical story and ties together other important biblical themes such as covenant kingdom glory and salvation history

Synthetic Bible Studies James Martin Gray,1900 The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples **Christian Workers' Commentary on the Old and New Testaments** James Martin Gray,1915 Arranged in sections with questions for use at family alters and in adult Bible classes Containing homiletic and expository suggestions for young preachers The Sola Scriptura Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church Prophecy and the Prophets in Their Historical Relations Frederick Carl Eiselen,1909 **Joel's Use of Scripture And the Scripture's Use of Joel** John Strazicich,2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben where Israel s literature functions as an authoritative medium of refraction The purpose is to recover the canon s unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces Reclaiming the Old Testament for Christian Preaching Grenville J. R. Kent,Paul J. Kissling,Laurence A. Turner,2013-04-06 2011 Preaching Today Magazine Book Award winner The Old Testament is filled with intriguing characters stories and themes But preaching from its remote historical context wrapped in sometimes unfamiliar literary genres and narrative devices can be daunting Based on the conviction that the Old Testament texts are a vital and dynamic part of the Christian canon and pertinent to Christian practice this stimulating volume offers guidance for expository

preaching and practical suggestions for understanding the message of its diverse literature The chapters cover narrative plot characters genre and preaching from difficult texts The book concludes with a vital chapter on preaching Christ from the Old Testament which offers a theological account of biblical interpretation without unnaturally forcing the texts The contributors are internationally respected evangelical Old Testament scholars from a wide range of church traditions and global regions who are also active in preaching Daniel I Block David G Firth Grenville J R Kent Paul J Kissling Alison Lo Tremper Longman III Ernest C Lucas R W L Moberly Laurence A Turner Frederico G Villanueva Gordon Wenham H G M Williamson and Christopher J H Wright Here is a book that will help you use all of the Bible's rich resources in preaching the good news of the global kingdom of God

Ezekiel's Sign-Acts Tyler D. Mayfield, Penelope Barter, 2024-11-04 The Ezekiel passages describing the instructions for and dramatization of divine messages Ezekiel 3 5 12 24 37 are among the most bizarre in the Hebrew Bible The prophet is commanded to embody his message of judgment to Jerusalem and these actions clarify the oracles they surround Yet these sign acts are frequently overlooked within Ezekiel studies which tend to focus on the book's strange visions and controversial oracles This volume addresses the growing diversity in approaches in Ezekiel studies by inviting international senior and junior scholars to focus on the texts concerning Ezekiel's sign acts It aims to redirect scholarly attention to these often ignored texts which stand so central to understanding the nature of prophecy as well as the overall book of Ezekiel

Aliens in the Bible John W. Milor, 2000-04-04 To get more information on this book and my other books check out my website at www.AliensInTheBible.com When reading the Bible readers usually find moral guidance sometimes they perceive a sense of poetic beauty But how often do readers fall into the pages and swim among the ancient Hebrew characters How many people transcend the eons of time within the ancient text of the Bible then look up from their reading and consider for a moment that they are mysterious beings immersed in a mysterious creation How odd this current world must have looked to us with our televisions space shuttles and computers in the visions of the prophets of old and how odd the world of antiquity looks to us today a world of giants magicians and sorcerers a world of legendary gods coming from the heavens Aliens in the Bible is a book of possibilities No claim of supreme knowledge in biblical interpretation is made rather scripture is presented and with it the pondering mind of

the author Some pondering may be perceived as utterly preposterous despite the fact that science and historical literature other than the Bible may also support some suggested theories Nevertheless this book should be a healthy read it should touch the unseen eyes of the soul which delight in the revelations of the invisible realm Aliens in the Bible is researched information that places paranormal subjects into three categories supernatural entities realms of existence and phenomenon Within the scope of paranormal phenomenon unlike the title of this book may suggest a host of topics are covered Along with the existence of aliens ghosts thought forms artificial intelligence monsters and mythical beings are also discussed all with a biblical interpretation The realms of heaven and hell are explained in depth Other paranormal phenomenon such as reincarnation PSI astral projection stigmata and more are also elaborated upon Some of the theories presented in this book might make the average Christian laugh Indeed they could be embossed on the front page of a tabloid Some of them are as follows 1 The beast spoken of in the book of Revelation might actually be an artificial intelligent life form 2 The giants of Genesis chapter 6 were genetically engineered hybrids of humans and fallen angels Dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the Nephilim giants 3 Astral projection was practiced at the Tower of Babel This ability aided in the growth of exponential knowledge 4 Satan once ruled a host of planets his home world was called Rahab God destroyed this world it became what is now known as the asteroid belt 5 The heaven reported by many non Christians that have had NDEs Near Death Experiences isnt really heaven at all Its actually a vacated paradise located within the midst of Hades ruled by demonic entities 6 What people perceive as reincarnation is actually possession of the deceased This book may be accused of not being focused on the primary message of the Bible The heart of scripture is the heart of God that He imbed Himself inside the body of a human being by the name of Jesus and willingly allowed Himself to be murdered Why did He do this Because He demands perfect justice yet seeing that we can never pay this price He paid it for us if only we accept Him on His terms Instead this books focus is on items that may be deemed a value of secondary importance in comparison with the essentials of the Christian faith such as the love of God the immaculate conception of Christ His work of salvation on the cross moral absolutes etc To all Christian readers I humbly request you humor this work for this book should serve a valuable twofold purpose First of all it will witness to seekers who often immerse

The Dwelling Places of God C. F. Smith, 2018-06-26 In this book C F Smith asks the question Where does God live As the subtitle indicates the author has carefully surveyed the scriptures to identify and examine the places God has chosen to dwell live or reside on the earth throughout history He first takes the reader on an imaginary biblical journey as an eyewitness to Gods dwelling places And then he carefully documents what the Bible says about those dwelling places From Genesis to Revelation the book is an examination of Gods residences from creation to the new heavens and the new earth The author states in his introduction It is with robust intentionality that I present my case with the Bible says *Purity and the Forming of Religious Traditions in the Ancient Mediterranean World and Ancient Judaism* Christian Frevel, Christophe

knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament
