Ezekiel 1 20 Concordia Commentary:

Ezekiel 1-20 - Concordia Commentary Horace Hummel, 2005-07-14 Ezekiel contains some of Scripture's most mysterious visions and oracles. The Lord gave this priestly prophet a powerful message of Law and Gospel. The searing indictment of God's unfaithful people for their idolatry warns of impending judgment. Ezekiel sees a vision of God's glory which departs from the temple in preparation for its destruction. Yet God also promises to be a sanctuary for his repentant people during their exile and to restore them and Gentiles who will be brought to saving faith. This book explains the first 20 chapters in light of its fulfillment in Christ for the benefit of the Church. About the Series: The Concordia Commentary Series: A Theological Exposition of Sacred Scripture is written to enable pastors and teachers of the Word to proclaim the Gospel with greater insight, clarity, and faithfulness to the divine intent of the biblical text. This landmark work will cover all the canonical books of the Old and New Testaments, interpreting Scripture as a harmonious unity centered in the person and work of Jesus Christ. Every passage bears witness to the Good News that God has reconciled the world to Himself through our Lord's life, death, and resurrection. The commentary fully affirms the divine inspiration, inerrancy, and authority of Scripture as it emphasizes that which promotes Christ in each pericope. Authors are sensitive to the rich treasury of language, imagery, and themes found throughout Scripture, including such dialectics as Law and Gospel, sin and grace, death and new life, folly and wisdom, demon possession and the arrival of the kingdom of God in Christ. Careful attention is given to the original Hebrew, Aramaic, or Greek. Further light is shed on the text from archaeology, history, and extra-biblical literature. Finally, Scripture's message is applied to the ongoing life of the church in terms of ministry, worship, proclamation of the Word, Baptism, the Lord's Supper, confession of the faith, all in joyful anticipation of the life of the world to come. *Ezekiel 1-20*

Horace D. Hummel, 2005. Ezekiel contains some of Scripture's most mysterious visions and oracles. The Lord gave this priestly prophet a powerful message of Law and Gospel. The searing indictment of God's unfaithful people for their idolatry warns of impending judgment. Yet God also issues the comforting promise of forgiveness and restoration through a new David who will unite and shepherd God's people. This book explains the first 20 chapters of this profound book in light of its fulfillment in Christ for the benefit of the church. **Translation Technique in the Peshitta to Ezekiel 1-24** Godwin

Mushayabasa, 2014-10-09. The Peshitta Institute Leiden is fulfilling its aim of producing a critical edition of the Old Testament in Syriac according to the Peshitta version. As this critical edition becomes available, *Translation Technique in the Peshitta to Ezekiel 1-24: A Frame Semantics Approach* takes its role in providing perspectives on the value of the Peshitta to Ezekiel in Old Testament textual studies. Godwin Mushayabasa uses the cognitive linguistics approach of frame semantics to determine what techniques were used to translate Ezekiel 1-24 from Hebrew to Syriac. He observes that the Peshitta was translated at the level of semantic frames, producing a fairly literal translation. In achieving this, the author also invokes interdisciplinary dialogue between biblical textual studies and cognitive linguistics sciences. **A Linguistic-Theological Exegesis of**

The Interpreting Angel Motif in Prophetic and Apocalyptic Literature David P. Melvin, 2013-08-01 Melvin traces the emergence and development of the motif of angelic interpretation of visions from late prophetic literature Ezekiel 40-48 Zechariah 1-6 into early apocalyptic literature 1 Enoch 17-36 72-82 Daniel 7-8 Examining how the historical and socio-political context of exilic and post-exilic Judaism and the broader religious and cultural environment shaped Jewish angelology in general Melvin concludes that the motif of the interpreting angel served a particular function Building upon the work of Susan Niditch Melvin concludes that the interpreting angel motif served a polemical function in repudiating divination as a means of predicting the future while at the same time elevating the authority of the visionary revelation The literary effect is to reimagine God as an imperial monarch who rules and communicates through intermediaries a reimagination that profoundly influenced subsequent Jewish and Christian tradition

Let Justice Flow Like Water Joshua M. Greever, D. A. Horton, Justin McLendon, 2025-06-01 Edited by Joshua M. Greever, D. A. Horton and Justin McLendon Let Justice Flow Like Water addresses the strained relationship between social justice, the gospel, and the mission of the church In response to the misuse of Scripture to promote personal ends the volume reorients the conversation around justice and centers it in the biblical text and its theological implications The authors provide practical wisdom and points of application to pastors, ministry leaders, and students The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method The result is a glimpse into God's heart for justice and his desire for humanity especially the church to share this heart The volume's theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood Let Justice Flow Like Water serves as an irenic reminder to pastors, students, and educated lay people to return to the biblical text to understand it more accurately and to reengage and understand one another in a winsome fashion for the sake of the gospel, the mission of the church, and the glory of God

The New Quest for Paul and His Reading of the Old Testament Timo Laato, Bror Erickson, 2023-06-27 The author is known as a strong opponent of the so-called New Perspective on Paul In this book he seeks to move beyond that debate and open new vistas in Pauline research There is a need for much revision The author first dives in to a detailed exegetical study of 2 Corinthians 3, a chapter that has a reputation of being an exegetical nightmare He examines the interpretational problems associated with the opposition between the letter that kills and the Spirit that gives

life Fresh insights emerge Ultimately the whole issue turns on the question whether to understand the Old Testament according to the literal letteral or literal spiritual sense As a consequence Paul breaks up with Judaism and pulls down the works of the law since he competes against the view of observing the Torah in flesh and according to the literal letteral meaning of the text He regards such a religious pursuit as the worst form of human self righteousness and self praise despite the serious efforts to true piety On the other hand Christians have undergone a transformation in terms of re creation regeneration resuscitation resurrection or revitalization The Spirit gives them life He reigns in them Hence Christians do fulfill the whole Mosaic law Yet they fulfill it in Spirit and not in flesh in other words according to the literal spiritual and not literal letteral sense of Scripture As a consequence they do not bolster their self righteousness and self praise To corroborate his thesis the author draws on similar wordings in other Pauline letters and several passages in the Old Testament from Exodus Jeremiah and Ezekiel The author concludes that the New Perspective on Paul has run its course A New Quest for Paul is needed Therefore this book is needed

The Future Inheritance of Land in the Pauline Epistles Miguel G. Echevarria Jr.,2019-01-25 The Apostle Paul's vision of eternity is centered on the inheritance theme Although Paul rarely unpacks this concept he employs the inheritance in a manner that encompasses the hope of a renewed cosmos promised to Abraham and his descendants Thus the apostle does not redefine a theme grounded in the Old Testament and Second Temple literature as if it now referred to heaven or some other spiritualized existence He expects what every pious Jew expected the tangible fulfillment of the promise when at last God's people will dwell in a land where they will experience rest under the rule of Messiah What Paul clarifies is that those who are in Christ are the beneficiaries of the inheritance Although believers do not currently possess what has been promised to them they have the hope that the Spirit will lead them on a new exodus through the wilderness of the present sinful age until they inherit the coming world

Matthew's Non-Messianic Mapping of Messianic Texts Bruce Henning,2020-11-16 Scholars often explain Matthew's practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew's Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew's paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew's non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew's theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment

Salter, 2019-04-18 Missional ethics is concerned with the way in which the believing community s behaviour is in and of itself a witness to the wisdom and goodness of God The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology Martin Salter seeks to address one aspect of that debate namely the missional significance of ethics by conducting detailed exegesis of key biblical texts He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission rather it is an integral part of the church s mission Missional ethics is a theme that arises from the biblical texts and is not imposed on them The church as both organism and institution embody a missional ethic that includes worship justice and charity Word and deed belong together as an integral whole Salter s valuable study concludes by offering a definition of missional ethics **Einleitung in das Alte Testament** Walter Hilbrands, Hendrik J. Ziegert NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God A Justiça Divina Esequias Soares, Daniele Soares, 2022-09-09 O livro de Ezequiel inaugurou o estilo literário apocalíptico no Antigo Testamento e revela a soberania e o poder de Deus sobre todas as nações da terra e sobre a história Este livro será de grande ajuda para a compreensão da mensagem de Ezequiel pois a restauração da nação de Israel predita pelo profeta um sinal importante da proximidade da vinda de Cristo
