

An aerial photograph of a detailed architectural model of a temple complex. The model features a large, rectangular central courtyard with a light-colored floor. This courtyard is enclosed by a high, grey stone wall with a crenelated top. To the left of the main courtyard, there is a long, narrow structure with a reddish-brown roof. In the background, beyond the main wall, there are several smaller buildings and structures, including what appears to be a gatehouse or entrance. The entire model is set against a dark, textured background that resembles a cityscape or a landscape. The title "EZEKIEL'S FUTURE TEMPLE" is overlaid in large, white, 3D block letters across the bottom of the image.
