Committee on Military Affairs, 1943 [Female Physicians in American Literature](#) Margaret Jay Jessee, 2021-12-28

Female Physicians in American Literature traces the woman physician character throughout her varying depictions in 19th century literature from her appearance in sensational fiction as an evil abortionist to her more well known idyllic feminine presence in novels of realism and regionalism Murderess hag She Devil the instrument of the very vilest crime known in the annals of hell these

are just a few descriptions of women abortionists in popular 19th century sensational fiction In novels of regionalism however she is often depicted as moral feminine and self sacrificing This dichotomy Jessee argues reveals two opposing literary approaches to registering the national fears of all that both women and abortion evoke the terrifying threats to white masculine Anglo American male supremacy
