Fabulous Fifties Designs For Modern Living

John Gunnell, Mary Sieber

Fabulous Fifties Designs For Modern Living:

Fabulous Fifties Shelia Steinberg, Kate E. Dooner, 1993 Modern living in the 1950s including clothing furniture lamps clocks textiles jewelry glassware etc is shown in over 770 color photos that display this lively period in all its fantastic glory Here are Hawaiian shirts poodle skirts vinyl handbags gabardine jackets rayon dresses and more nearly every aspect of modern living in the 1950s that is avidly collected today

Stars, Fans, and Consumption in the 1950s Sumiko Higashi, 2014-12-17 As the leading fan magazine in the postwar era Photoplay constructed female stars as social types who embodied a romantic and leisured California lifestyle Addressing working and lower middle class readers who were prospering in the first mass consumption society the magazine published not only publicity stories but also beauty secrets fashion layouts interior design tips recipes advice columns and vacation guides Postwar femininity was constructed in terms of access to commodities in suburban houses as the site of family togetherness As the decade progressed however changing social mores regarding female identity and behavior eroded the relationship between idolized stars and worshipful fans When the magazine adopted tabloid conventions to report sex scandals like the Debbie Eddie Liz affair stars were demystified and fans became scandal mongers But the construction of female identity based on goods and performance that resulted in unstable fragmented selves remains a legacy evident in postmodern culture today

Design in the Fifties George H. Marcus, 1998 The book describes the development of the colorful organic style that defined the Fifties and reflected the optimism and consumerism of postwar culture in the United States and abroad with examples ranging from architecture building engineering and transport to appliances tableware furnishings and dime store novelties

Westernwear Sonya Abrego, 2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West Westernwear Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers Westernwear revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon

Domestic Aesthetic Jean Bernard Hebey, 2002 This book presents a selection of 370 household objects through the photographs of Christophe Fillioux that will encourage one to look at them in a new way From ice crushers to vacuum cleaners from toasters to irons the entire universe of the houseware

Couture Fabrics of the 50s Joy Shih,1997 Full color photos document hundreds of beautiful textiles from the Parisian high fashion houses of the 1950s Featuring exotic and exquisite designs in silk rayon and cotton these fabrics were used to create elegant women s couture fashions Of special interest are fabric swatches reflecting seasonal styles special effects photo engraving and lavish imitation weaves A valuable resource for designers historians and collectors *The Fabulous 50's* John Gunnell,Mary Sieber,1992 The 500 period automobile photos publicity stills advertisements and billboards in *The Fabulous 50 s* illustrate the human experience in American between 1950 and 1959 Fact filled captions explain how the people products and philosophies of the period took everyone from railroads to rocket ships *New Glass Review* ,1994

Funky Fabrics of the 60s Joy Shih,1996 The fabrics of the 60s reflect the changes in the larger society The wide range of sixties designs rmove from the comforting tranquility of the early years to the bolder hip end of the decade This is a nostalgic tour of pastel and splashy florals patchwork calicos denims and stripes wild abstract geometrics and neon paisleys

Revolution of the Eye Maurice Berger,Museum of Art (Fort Lauderdale, Fla.),Addison Gallery of American Art,2014-01-01 An engaging exploration of the relationship between avant garde art and American network television from the 1940s through the 1970s The aesthetics and concepts of modern art have influenced American television ever since its inception in the 1930s In return early television introduced the public to the latest trends in art and design This engaging

catalogue comprehensively examines the way avant garde art shaped the look and content of network television in its formative years from the 1940s through the mid 1970s It also addresses the larger cultural and social context of television Artists fascinated with the new medium and its technological possibilities contributed to network programs and design campaigns appeared on television to promote modern art and explored critiqued or absorbed the new medium in their work More than 150 illustrations reveal both sides of the dialogue between high art and television through a selection of graphic designs ephemera and stills from important television programs from The Twilight Zone to Batman to Rowan Martin s Laugh In and more as well as works by artists including Salvador Dal Lee Friedlander Agnes Martin Man Ray Andy Warhol and many others Revolution of the Eye uncovers the cultural history of a medium whose powerful influence on our lives remains pervasive

Cool Hot Colors Joy Shih,1997 Cool colors were hot for fabrics in the late 1960s Hundreds of splashy colors and designs from the offerings of 1960s European and American textile manufacturers are presented in full color photos Full descriptions and fabric content information make this a useful resource for designers and historians

An Eames Anthology Charles Eames,Ray Eames,2015-04-28 An Eames Anthology collects for the first time the writings of the esteemed American architects and designers Charles and Ray Eames illuminating their marriage and professional partnership of fifty years More than 120 primary source documents and 200 illustrations highlight iconic projects such as the Case Study Houses and the molded plywood chair as well as their work for major corporations as both designers Herman Miller Vitra and consultants IBM Polaroid Previously unpublished materials appear alongside published writings by and about the Eameses and their work lending new insight into their creative process Correspondence with such luminaries as Richard Neutra and Eero Saarinen provides a personal glimpse into the advance of modernity in mid century America

Across the Atlantic Luisa Passerini,2000 This book is the result of an experiment in advanced teaching and learning which took place as a joint effort of the Departments of History at the European University Institute Florence and at New York University in the years 1996 1999 The experiment brought together fifteen graduate students and six professors from the two institutions and included two workshops and a conference in which also other scholars participated Junior and senior scholars explored how and to what extent reciprocal exchanges between Europe and the USA in the period from the end of the XVIIIth century to the present were connected with and meaningful for their researches The papers that have emerged from this approach also discuss the methodology of history issues such as the relations between representations identities material production and consumption are challenged The reciprocity of European representations of America and of American visions of Europe comes out clearly as does the impossibility of studying the symbolic considering the material and vice versa

50s Popular Fashions for Men, Women, Boys & Girls Roseann Ettinger,1995 Those swinging Fifties are fondly remembered in this bright eye catching book of everyday fashions for men women boys and girls Color photos illustrate hundreds of examples most of them never worn and retaining their original colors and freshness A glossary index and price

guide make this a very useful book for collectors Forties Fabrics Joy Shih, 1997 Fabrics of the 1940s jump off the pages with vibrant colors in florals stripes checks and plaids in full color photos The war years saw a profusion of designs shown primarily in patriotic colors of red white and blue many of them in patterns of stars and stripes navy and airplane themes Fabrics of the peace years reflect colors bolder florals and geometric graphics that would continue well into the 50s
