

EVERY WOMAN'S FACE.

Bernard Shaw tells in one of his plays of a woman who has never known the cares, the preoccupation, the responsibilities, jealousies, and anxieties of personal beauty. She has the complexion of a never-washed gipsy, incurable by any detergent. An extreme case, if you will; but you don't want a face anything like that. Well, every woman's face is a living index of the treatment she gives it.

Quite the reverse of Mr Shaw's deplorable woman is the woman who has only a bowing acquaintance with the cares, responsibilities, and anxieties of personal beauty. She needs only a few minutes daily for the practice of the cult. This

Report on Analysis of New Zealand Coals Made at New Zealand International Exhibition, Christchurch, 1906-7 New Zealand. Mines Dept, 1907 **Face of War** Sandy Callister, 2013-11-01 An authoritative history of combat photography and its cultural emotional and memorial roles this collection is the first to examine the vernacular photos of World War I taken by its New Zealand participants The book discusses how photography was used to capture and narrate memorialize and observe romanticize and bear witness to the experiences of New Zealanders at home and abroad The first to argue for the importance of New Zealand photography to the history of war this overview examines in depth the contradictions of war photography as a site of remembrance and forgetting nation and sacrifice mourning and mythology subjectivity and identity *The London Philatelist* ,1917 Annual Report on the Colonial Museum and Laboratory ... Colonial Museum (N.Z.), 1905 Includes lists of donations deposits each year and reports on specific geological topics **From God to Climate Change** Tony Garnier, This is my story of my grandfather and father and the divergent paths they took in respective 30 year plus careers to influence seemingly unrelated world trends continuing to this day one to contribute body mind and spirit to the extraordinary rise of China to become a world power and the other to detail the damage to Earth of human induced climate change decades before the rest of the world woke up to it Each career logically leads to a modern day synopsis of their perspective of life based on their major achievements Alberto Giovanni Garnier a Waldensian Italian who in 1948 became Albert John Garnier and a British citizen was an influential Protestant Baptist missionary to China for 30 years Between 1906 and 1936 Albert or Chia Liyan as Chinese named him was known to millions through his many radio talks and publications In 1933 he was instrumental in founding a religious radio station in Shanghai from which he frequently broadcast across China A noted linguist the story highlights Albert s harrowing account of his imprisonment without trial on the Isle of Man during World War II even though he had been appointed a Censor to monitor war time China and Italian mail services Benjamin John Garnier his son was a scientist As a climatologist over 40 years of research and thinking in New Zealand Nigeria United States Canada and Italy he came to believe that the solution to the problems threatening Earth resided squarely in the three part evolution of the human brain Earth is going to end up a living hell if we don t learn how to ignore the destructive messages coming from the more primitive parts of our brains It is also the story of my relationship with Albert and Ben through 25 years of family separation I never met Albert although he constantly wrote to me through my teenage years after my father left his family stranded in New Zealand in 1950 It would not be until 1975 that I caught up with Ben and repaired our relationship **Detailed Catalogue and Guide to the Geological Exhibits** New Zealand Geological Survey, 1886 *Informal Venture Capital: constillation ismus nexus* Ben Gussen, 2009-02-09 Since the 1980s the informal venture capital industry has been gaining more attention both in academic and industrial circles The role of angel investing in economic growth and job creation is now well documented with more emphasis given in recent years to the effectiveness of increasing

the supply and demand for risk capital through entrepreneurship stimulation instruments such as business angel networks In contrast this paper looks at the informal venture capital industry from a gestalt perspective where other stimulus instruments such as incubators industrial estates and clusters are integrated with business angel networks into a single role to be played by the informal venture capital industry in the context of what is referred to here as capitermediation
