Fm Smith Saint As Reformer 1874 1946:

F.M. Smith Larry Ewing Hunt,1982 **Joseph Smith III** Roger D. Launius,1995 This interesting well researched biography of the founder of the Reorganized Church of Jesus Christ of Latter Day Saints covers the 54 years of his presidency a tenure marked by Mormon factionalism that he succeeded in controlling The son of the founder of Mormonism Joseph Smith III at first resisted succeeding his father as leader and prophet but as his biographer underscores his governance from 1860 until his death in 1914 was fiercely committed to the religious legacy of his parent Differing in style from the elder Smith s sometimes disastrous impracticality his son exemplified rugged individualism with a secular pragmatism that sprang from his legal education An opponent of polygamy as proclaimed by Brigham Young the younger Smith established a viable bureaucracy and a style of leadership that characterizes the Mormon community today notes the author a military historian

A President, a Church, and Trails West Jon E. Taylor,2008 Examines the efforts of Independence Missouri to preserve and balance competing elements of the city s history as the hometown of President Harry S Truman as the site where Joseph Smith established the Reorganized Church of Jesus Christ of Latter Day Saints and as the historic gathering place for western emigration Provided by publisher **Religion Matters** Paul Babie,Rick Sarre,2020-03-02 This book draws together leaders in science the health sciences the humanities and the social sciences to investigate the role of religion its meaning and relevance for their area of specialization It provides a much needed fresh perspective on the way in which religion operates within the modern neo liberal world The book approaches the topic by way of a critical engagement between religion broadly defined and the individual disciplines in which each of the contributors is expert Rather than simply taking the dogmatic position that religion offers something to every possible discipline each of the chapters in this collection addresses the question is there something that religion can offer to the discipline in question That is the value of the book it takes a truly critical stance on the place of religion in contemporary society [Images of the New Jerusalem](#) Craig S. Campbell,2004 The Kansas City suburb of Independence Missouri is associated primarily with its most famous son President Harry Truman Yet Independence is also home to a unique and complex religious landscape regarded as sacred space by hundreds of thousands of people associated with the Latter Day Saint family of churches In 1831 Joseph Smith the founder of the Latter Day Saint LDS movement declared Independence the site of the New Jerusalem where followers would build a sacred city the center of Zion Smith prophesied that Jesus Christ would return in millennial and glorious advent to Independence an act that would make the city an American counterpart to old world Jerusalem Smith s plan would have mixed the best qualities of nineteenth century American pastoral and urban psyche However the great splintering among returning Latter Day Saint groups has led to divergent beliefs and multiple interpretations of millennial place Images of the New Jerusalem culls viewpoints from publications and interviews and contrasts them with official church doctrines and mapped land holdings For example with a desire to attract mainstream American the Western LDS Church which holds the

largest amount of land in northwestern Missouri keeps fairly silent on the New Jerusalem while the RLDS Church now the Community of Christ has dropped millennial claims gradually adopting a liberal secular style of pseudo Protestantism Smaller groups independent of these two see sacred space in more spatially and doctrinally limited ways The religious ecology among Latter Day Saint churches allows each group its place in the public spotlight and a number of sociopolitical mechanisms reduce conflict among them Nonetheless Independence has developed many traits of the world s most seasoned and conflicted sacred places over a relatively short time This book opens the field of scholarship on this region where profound spatial and doctrinal variation continues Craig S Campbell is professor of geography at Youngstown State University He has published articles in *Journal of Cultural Geography* *Cartographica* *The Professional Geographer* *Political Geography* and other journals **Dialogue** ,1989 A journal of Mormon thought **Religious Books, 1876-1982** ,1983 Subject Catalog Library of Congress, *National Union Catalog* ,1983 Includes entries for maps and atlases **American Book Publishing Record** ,1983-04 **Fredrick M. Smith** ,1978 **Frederick M. Smith** Larry Ewing Hunt,1978 **Religion Index One** ,1985 The Christian-Evangelist Index, 1863-1958 ,1962 Antiquarian Bookman ,1956 *Chambers's Encyclopaedia* ,1973 The Publishers' Trade List Annual ,1966 The McGraw-Hill Encyclopedia of World Biography ,1973 *Chambers's Encyclopedia* ,1967 **Guide to Reprints** Albert James Diaz,1977
