**Identifying as Arab in Canada** Houda Asal, 2020-10-11T00:00:00Z While Arabs now attract considerable

attention from media the state and sociological studies their history in Canada remains little known Identifying as Arab in Canada begins to rectify this invisibilization by exploring the migration from Machrek the Middle East to Canada from the late 19th century through the 1970s Houda Asal breathes life into this migratory history and the people who made the journey and examines the public collective existence they created in Canada in order to understand both the identity Arabs have constructed for themselves here and the identity that has been constructed for them by the Canadian state Using archival research media analysis laws and statistics and a series of interviews Asal offers a thorough examination of the institutions these migrants and their descendants built and the various ways they expressed their identity and organized their religious social and political lives Identifying as Arab in Canada offers an impressively researched but accessibly written much needed glimpse into the long history of the Arab population in Canada **Islamic Review** ,1970 Ethnic Heritage and Language Schools in America Elena Bradunas,1988 Studies in American Folklife ,1982 *The Oxford Handbook of Arab Novelistic Traditions* Wail S. Hassan,2017-08-01 The Oxford Handbook of Arab Novelistic Traditions is the most comprehensive treatment of the subject to date In scope the book encompasses the genesis of the Arabic novel in the second half of the nineteenth century and its development to the present in every Arabic speaking country and in Arab immigrant destinations on six continents Editor Wail S Hassan and his contributors describe a novelistic phenomenon which has pre modern roots stretching centuries back within the Arabic cultural tradition and branching outward geographically and linguistically to every Arab country and to Arab writing in many languages around the world The first of three innovative dimensions of this Handbook consists of examining the ways in which the Arabic novel emerged out of a syncretic merger between Arabic and European forms and techniques rather than being a simple importation of the latter and rejection of the former as early critics of the Arabic novel claimed The second involves mapping the novel geographically as it took root in every Arab country developing into often distinct though overlapping and interconnected local traditions Finally the Handbook concerns the multilingual character of the novel in the Arab world and by Arab immigrants and their descendants around the world both in Arabic and in at least a dozen other languages The Oxford Handbook of Arab Novelistic Traditions reflects the current status of research in the broad field of Arab novelistic traditions and signals toward new directions of inquiry *Guide to Reference Material: Generalities, languages, the arts and literature* Albert John Walford,1973 **The Routledge Handbook of Translation and Activism** Rebecca Gould,Kayvan Tahmasebian,2020-06-02 The Routledge Handbook of Translation and Activism provides an accessible diverse and ground breaking overview of literary cultural and political translation across a range of activist contexts As the first extended collection to offer perspectives on translation and activism from a global perspective this handbook includes case studies and histories of oppressed and marginalised people from over twenty different languages The contributions will make visible the role of translation in promoting and enabling social change in promoting equality in fighting discrimination in supporting human rights and in challenging autocracy and
