goodbye For years he s lived a hedonistic lifestyle and made sure he never got close to a woman again Hannah Farsey wants the real deal with her new housemate and is willing to overlook the imperfect parts of his history to get it When their pasts and presents collide in spectacular fashion she s not sure she can trust his declarations Can this physically flawless man find the courage to commit himself completely to their budding relationship Or will bitterness and disdain become the signposts to his future Is the love and desire enough to guide him on the honest path to Hannah Because of the darkest secret from his past Elijah s convinced he s not good enough for this perfect beautiful woman Until she reveals she s been keeping secrets too

"Come Out My People!" Wes Howard-Brook,2010 A compelling view of two competing religious visions one of creation and the other of empire that run throughout the Bible A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it As I read I felt overwhelmed both by the mass of data and by the cunning of interpretation I could not put it down and expect to continue to be instructed by it Walter Brueggemann

Howard Brook undertakes what few dare anymore an introductory primer for the whole Bible This book invites disciples to connect the dots in order to recover our ancient anti imperial identity and to embrace a radical faith and practice that are personal and politica

Ched Myers Howard Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means but also through the religion of empire Throughout he makes clear that the core message of the God of creation is to call people out of empire to refuse to cooperate with the forces of destruction and domination today

Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God s alternative future to Empire Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire we need a story more powerful than the story called America Wes Howard Brook knows than the Bible tells such a story May its story be ours as we re set free from our imperial imaginations to dream with our Creator of a new world here and now
