Elites After State Socialism Theories And Analysis:

Elites After State Socialism John Higley, György Lengyel, 2000 This distinctive book presents valuable new research on the political and economic elites that have emerged in Central and Eastern Europe since the demise of state socialism Integrating theoretically informed analysis with fresh empirical data the contributors significantly enhance our understanding of the evolution and interplay of elites in the post communist period Leading experts explore the elite circulations differentiations and competitions that now underpin but in some countries also still inhibit democratic stability and economic growth A provocative concluding chapter assesses the century long confrontation between elite theory and Marxism and where they stand today after state socialismOs collapse

Elites After State Socialism John Higley, György Lengyel, 2000-03-15 This distinctive book presents valuable new research on the political and economic elites that have emerged in Central and Eastern Europe since the demise of state socialism Integrating theoretically informed analysis with fresh empirical data the contributors significantly enhance our understanding of the evolution and interplay of elites in the post communist period Leading experts explore the elite circulations differentiations and competitions that now underpin but in some countries also still inhibit democratic stability and economic growth A provocative concluding chapter assesses the century long confrontation between elite theory and Marxism and where they stand today after state socialismOs collapse

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Elites and Identities in Post-Soviet Space David Lane, 2013-09-13 The dissolution of the communist system led to the creation of new states and the formation of new concepts of citizenship in the post Soviet states of Central and Eastern Europe The formation of national identity also occurred in the context of the process of increasing economic and political globalisation particularly the widening of the European Union to include the central European post socialist and Baltic States Internationally Russia sought to establish a new identity either as a European or as a Eurasian society and had to accommodate the interests of a wider Russian Diaspora in the near abroad This book addresses how domestic elites regional political and economic influenced the formation of national identities and the ways in which citizenship has been defined A second component

considers the external dimensions the ways in which foreign elites influenced either directly or indirectly the concept of identity and the interaction with internal elites The essays consider the role of the European Union in attempting to form a European identity Moreover the growing internationalisation of economies privatisation monetary harmonisation dependence on trade also had effects on the kind of national identity sought by the new nation states as well as the defining by them of the other The collection focuses on the interrelations between social identity state and citizenship formation and the role of elites in defining the content of concepts in different post communist societies This book was originally published as a special issue of Europe Asia Studies *Elite Recruitment and Coherence of the Inner Core of Power in Finland* Ilkka

Ruostetsaari,2015-07-01 The book outlines the approaches of classical elite theory and democratic elitism for the study of national power structures The book displays different research methods for elite study as well as the power conceptions included within these methods An elite structure typology is derived from the elite theory and applied to chart the changes in the elite structure of one country Finland The data of this work is unique in international comparison postal surveys were conducted among the elites and the citizenry in 1991 2001 and 2011 The study explores empirically the changes occurring in the elite structure from the early 1990s to the present day a period that has been characterized by important societal upheavals such as the great recession of the early 1990s Finland's accession to the European Union in 1995 and the international financial crisis and the Eurozone debt crisis in the 2000s The main focus is on how the elite structure has changed in terms of vertical social mobility i e openness on the one hand and horizontal mobility i e coherence on the other With regard to vertical social mobility the research interest focuses on changes in elites social background and various factors advancing their recruitment and career into elite positions As for horizontal mobility the study focuses on the elites different channels of contact with other influential groups in society networking with various societal institutions the attitudinal unanimity within various elites and between the elites and the citizenry mobility between different elite groups i e circulation the accumulation of power positions and the retention and loss of elite positions The findings are compared with previous international studies especially Scandinavian elite studies Finally the study considers what the results tell us about the state of democracy *The Contested Status of Political Elites* Lars Vogel,Ronald Gebauer,Axel Salheiser,2018-07-17

Contemporary Western societies are witnessing ground breaking social economic and political changes at an accelerating pace These changes are challenging the way democracy works and the role that political elites play in this system of government Using a theoretical and empirical approach this volume argues that political elites are urged to develop new strategies in order to achieve interest aggregation to safeguard collective action and to maintain elite autonomy and stability The adaptive capacities of political elites are assessed through case studies comparative and longitudinal analyses of their social structure their recruitment patterns and their attitudes The book includes contributions from reputable scholars in the field of elite research and specialists on individual political systems across Europe and the US It provides an analytical

framework demonstrating that political elites are inevitable and potentially able to respond successfully to varying challenges The book will be of key interest to scholars and students of political elites democracy comparative politics political participation and European Politics Researching Power, Elites and Leadership Christopher Williams, 2012-05-18 This exciting new text consolidates the hows and whys of researching powerful people Written by a leading authority in the field this book introduces the reader to a significant area of methodology and provides a research based contribution to elite and leadership studies It offers a truly international perspective that will appeal to those studying and engaging with powerful people in a variety of contexts Useful features include A variety of case studies and examples linked to over 1000 sources and resources Extensive use of figures throughout the text to illustrate key points Templates and models for planning and presentations The book promotes a practical future oriented approach to support and inspire academic professional and civil society researchers at all levels It introduces new research frameworks and facilitates critical techniques through Critical Process Analysis This is a must have resource and an excellent new addition to the field of elite and leadership studies

Governing the Locals Tomila Lankina, 2006-11-24 This book examines the impact of Russia's local self governing institutions on nationalist movement mobilization in Russia It is the first study identifying municipalities as central to explaining aspects of ethnic or broader social activism in post Soviet Russia Because the *Frontiers of Civil Society* Marek Mikuš, 2018-06-13 In Serbia as elsewhere in postsocialist Europe the rise of civil society was expected to support a smooth transformation to Western models of liberal democracy and capitalism More than twenty years after the Yugoslav wars these expectations appear largely unmet *Frontiers of Civil Society* asks why exploring the roles of multiple civil society forces in a set of government reforms of society and individuals in the early 2010s and examining them in the broader context of social struggles over neoliberal restructuring and transnational integration Weak States, Strong Societies Amin Saikal, 2015-11-27 Since the disintegration of the Soviet Union and the end of the Cold War the previously well established organisation of world politics has been thrown into disarray While during the Cold War the bipolarity of the world gave other powers a defined structure within which to vie for power influence and material wealth the current global political landscape has been transformed by a diffusion of power As a result the world has seen the rise of sub national or quasi non state actors such as Hezbollah al Qaeda and the movement that calls itself Islamic State or ISIS These dramatic geopolitical shifts have heavily impacted state society relationships power and authority in the international system *Weak States Strong Societies* analyses the effect of these developments on the new world order arguing that the framework of weak state strong society appears even more applicable to the contemporary global landscape than it did during the Cold War Focusing on a range of regional contexts the book explores what constitutes a weak or strong state It will be essential reading for specialists in politics and international relations whether students or academic researchers Kazakhstan in the Making Marlene Laruelle, 2016-11-21 Kazakhstan is one of the best known success stories of Central Asia perhaps even of the entire Eurasian

space It boasts a fast growing economy at least until the 2014 crisis a strategic location between Russia China and the rest of Central Asia and a regime with far reaching branding strategies But the country also faces weak institutionalization patronage authoritarianism and regional gaps in socioeconomic standards that challenge the stability and prosperity narrative advanced by the aging President Nursultan Nazarbayev This policy oriented analysis does not tell us a lot about the Kazakhstani society itself and its transformations This edited volume returns Kazakhstan to the scholarly spotlight offering new multidisciplinary insights into the country s recent evolution drawing from political science anthropology and sociology It looks at the regime s sophisticated legitimacy mechanisms and ongoing quest for popular support It analyzes the country s fast changing national identity and the delicate balance between the Kazakh majority and the Russian speaking minorities It explores how the society negotiates deep social transformations and generates new hybrid local and global cultural references

Wage Distribution Fairness in Post-Socialist Countries Zsófia Ignácz, 2017-10-30 Fairness of wage distribution or the perception of such is a phenomenon crucial for the stability of new democracies While theories exist about how change of the political system trickles down to the attitudinal level the systematic analysis of the effect of economic transition on public attitudes has been neglected to a large extent Wage Distribution Fairness in Post Socialist Countries proposes a conceptual framework to measure the fairness of wage distribution Indeed looking particularly at wage distribution fairness in three post socialist societies Hungary East Germany Czech Republic since the transition in 1989 this challenging monograph also aims to understand if and to what extent the experience of a socialist regime motivates individuals to consider wage distribution as fair Contributing to our understanding of the relevance of socialization and other situational factors influencing economic legitimacy Wage Distribution Fairness in Post Socialist Countries will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields including Sociology Eastern European Studies and Political Economics

The Palgrave Handbook of Political Elites Heinrich Best, John Higley, 2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field s richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam s landmark Comparative Study of Political Elites this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field

Bourgeoisie, State and Democracy Graeme Gill, 2008-05-15 This book is a comparative study of the emergence political influence and political role of businessmen in political life

The Aftermath of War Albert Simkus, 2016-04-01 At a time when most observers saw war in Europe as belonging to an ever more distant past the wars of Yugoslav succession shattered this illusion The direct and

indirect consequences of these wars for people in the region are still not fully understood but it is clear that the war has had far reaching social and political consequences for each national society as a whole This groundbreaking volume provides a series of analyses of experiences and social attitudes in the Western Balkans in the aftermath of those wars Based on survey data from 22 000 respondents the editors have created a volume which contributes to our understanding of both specific war related effects as well as a detailed description of contemporary attitudes and values across these societies This book will be of interest to academic specialists and students interested in the effects of war on psychological health and on ethnic relations in the Western Balkans as well as how this applies to other post conflict societies It will also be of interest to sociologists political scientists and historians studying differences in attitudes between the countries ethnic groups and generations in this region related to diverse topics from ethnic tolerance to states responsibility for equality and gender roles

Landmark 1989 Heinrich Best, Agnieszka Wenninger, 2010 The year 1989 marks an upheaval in Central and Eastern Europe and stands for a radical change in such spheres as society economy politics and culture in this region This volume presents a collection of articles and analyses exploring a broad range of aspects of post 1989 developments ranging from historical legacies and politics of history changing values and mentality old and new inequalities elites and European integration written by recognised social scientists from both Eastern and Western Europe The chapters included in the volume present not only recent advances and findings but also state of the art of research and emerging trends and future challenges in the above mentioned areas

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Post-Communist Ukraine Bohdan Harasymiw, 2002-02-20 Analysis of successes of Ukraine and its more frequent failures during its transition from authoritarianism to democracy

Migration, Refugee Policy, and State Building in Postcommunist Europe Oxana Shevel, 2011-10-24 Why do similar postcommunist states

respond differently to refugees Why do some states privilege certain refugee groups while other states do not This book presents a theory to account for this puzzle and it centers on the role of the politics of nation building and of the office of the UN High Commissioner for Refugees UNHCR A key finding of the book is that when the boundaries of a nation are contested and thus there is no consensus on which group should receive preferential treatment in state policies a political space for a receptive and nondiscriminatory refugee policy opens up The book speaks to the broader questions of how nationalism matters after communism and under what conditions and through what mechanisms international actors can influence domestic policies The analysis is based on extensive primary research the author conducted in four languages in the Czech Republic Poland Russia and Ukraine

Perceptions of the European Union in New Member States Gabriella Ilonszki, 2013-10-31 The book explores the views of elites alongside those of the wider population in the European Union The chapters place the new member states and the potential candidate Serbia on the map of Europe in this context for the first time The volume's comparative method goes beyond the standard old member states versus new member states divide It assesses regional differences within Central Europe and evaluates the problem of European and national identity formation perception of external threats to the EU including Russia differences between economic and political elite views about the integration process and the connection between national performance and public opinion about Europe Even though in each country positive views are dominant about the integration process heterogeneous views prevail behind the image of a unifying Europe The book's major contribution is that it makes the new member states more visible and provides hard evidence while remaining theoretically driven Furthermore it covers the most important topics that emerge in studies concerning European integration The book is intended for those interested in European integration in general but Central and Eastern European comparativists will find it particularly useful This book was published as a special issue of *Europe Asia Studies*

Unveiling the Power of Verbal Art: An Mental Sojourn through **Elites After State Socialism Theories And Analysis**

In some sort of inundated with displays and the cacophony of instantaneous communication, the profound power and emotional resonance of verbal artistry usually fade in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, situated within the lyrical pages of **Elites After State Socialism Theories And Analysis**, a captivating work of fictional brilliance that impulses with natural feelings, lies an remarkable journey waiting to be embarked upon. Elites After State Socialism Theories And Analysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elites After State Socialism Theories And Analysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elites After State Socialism Theories And Analysis has opened up a world of possibilities. Downloading Elites After State Socialism Theories And Analysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elites After State Socialism Theories And Analysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elites After State Socialism Theories And Analysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elites After State Socialism Theories And Analysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elites After State Socialism Theories And Analysis, users should also consider the potential security risks associated with online platforms.

Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elites After State Socialism Theories And Analysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Elites After State Socialism Theories And Analysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elites After State Socialism Theories And Analysis is one of the best book in our library for free trial. We provide copy of Elites After State Socialism Theories And Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elites After State Socialism Theories And Analysis. Where to download Elites After State Socialism Theories And Analysis online for free? Are you looking for Elites After State Socialism Theories And Analysis PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Elites After State Socialism Theories And Analysis. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Elites After State Socialism Theories And Analysis are for sale to free while some are payable. If you arent sure if the books you

would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Elites After State Socialism Theories And Analysis. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Elites After State Socialism Theories And Analysis To get started finding Elites After State Socialism Theories And Analysis, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Elites After State Socialism Theories And Analysis So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Elites After State Socialism Theories And Analysis. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Elites After State Socialism Theories And Analysis, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Elites After State Socialism Theories And Analysis is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Elites After State Socialism Theories And Analysis is universally compatible with any devices to read.
