KJ Lindholm-Leary

Elizabeth Peyton:

Elizabeth Peyton, Live Forever Elizabeth Peyton, 1997 Live Forever is the first collection of Elizabeth Peyton's acclaimed drawings, paintings and photography. The book contains portraits of pop stars, historical figures and friends of the artist. Many of Peyton's pictures are derived from photographs and magazines, though they exhibit a painterly quality which belies their sources. The book's small scale suits perfectly Peyton's intimate approach to portraiture and brings out the sensual strength of her artistry.

Elizabeth Peyton: Angel Elizabeth Peyton, Lucas Zwirner, 2024-10-29 Peyton's new work unveils a holy world of cultural luminaries. Elizabeth Peyton's art is one of glances and gestures that become indistinguishable from her in the moment she paints them. The works are an expression of specificity but also of Peyton's extraordinary ability to identify with her subjects. There is a feeling that becomes cumulative in her art, unadulterated and almost destabilizing, built up through the many brush marks that characterize her surfaces. Through the depth of these images, constructed one stroke at a time, the emotional substrate of our reality is revealed.

Lucas Zwirner, *The Profession of the Painter in Angel*. Angel, Peyton's debut monograph from David Zwirner Books, explores the artist's extraordinary ability to identify with her subject matter, from Ang in the Mountains and Mani Rimdu to the subjects of Elvis, Angel, Elvis Eyes and Titanic Jack Rose. These are paintings that dwell in the permeability of light and space, reveling in what Peyton calls painting and art as a space to capture energy that can take you someplace else. Published on the occasion of her exhibition *Angel* at David Zwirner, London, in 2023, this volume includes full color plates of eighteen new works, Peyton's own photographs connected by the feeling of love, faith and nature moving through all of them, and a text by Lucas Zwirner.

Elizabeth Peyton, 2017-09-19 This beautiful volume focuses on a five year period in Elizabeth Peyton's evolving career to suggest not only a visual chronicle of an age, its heroes, heroines and interests, but also of an individual's life, that of Peyton herself. Elizabeth Peyton's work has been renowned since the early 1990s when she began exhibiting her paintings and drawings of artists, musicians, historical figures and friends. This new volume, prepared by the artist in collaboration with designer Brendan Dugan, founder of Karma bookstore and gallery, presents a concentrated view of a period bookended by two exhibitions in Brussels: one in 2009 and the second in 2014, a time of introspection and the development of a more personal, painterly language. This phase of Peyton's work is about a new realism and a considered situating of her interests and passions in relation to her own working practice. We see her range expand to take in lush still
