[Eliza's Travel Journal](#) ,2003 Dear Journal My cheetah cub friend was kidnapped by poachers I got shipped off to boarding school in England and I lost my power to talk to animals Needless to say I haven t had time to write lately But now it s all over and I ve just got to tell you all about my adventure Through snapshots mementos and a map Eliza Thornberry tells her biggest story yet Help Eliza remember all the great details of her adventures in this interactive novelty complete with stickers and gatefold map **Eliza's Travel Journal** Babanana Journal,2019-12-15 Kids can get a lot out of keeping a travel diary Journaling is fun encourages creativity This book has a lovely pattern There s plenty of space to keep a detailed diary and draw pictures packing lists prompted to log the weather activity what they saw ate who they met what they learned and what they are grateful for An excellent Personalized gift for all occasions including birthdays and holidays Features 20 Days

121 pages of activity book for children to get busy during their time away from school It encourages children to exercise writes color draw stick and collect The pages are a nice sizeable 7x10 size makes a perfect as a pre trip gift or Birthday Present **Eliza Odiorne Travel Journal** Eliza Gilman Odiorne,1834 Journal kept by Eliza Gilman Odiorne of Connecticut as she traveled to Pennsylvania in 1834 **Eliza Lucas Pinckney** Lorri Glover,2020-08-25 The enthralling story of Eliza Lucas Pinckney an innovative highly regarded and successful woman plantation owner during the Revolutionary era Eliza Lucas Pinckney 1722 1793 reshaped the colonial South Carolina economy with her innovations in indigo production and became one of the wealthiest and most respected women in a world dominated by men Born on the Caribbean island of Antigua she spent her youth in England before settling in the American South and enriching herself through the successful management of plantations dependent on enslaved laborers Tracing her extraordinary journey and drawing on the vast written records she left behind including family and business letters spiritual musings elaborate recipes macabre medical

treatments and astute observations about her world and herself this engaging biography offers a rare woman's first person perspective into the tumultuous years leading up to and through the Revolutionary War and unsettles many common assumptions regarding the place and power of women in the eighteenth century **Eliza Cook's Journal**, 1853 Eliza Scidmore Diana P. Parsell, 2023 Deeply researched and briskly written this first ever biography of Eliza Scidmore the pioneering journalist who fought to bring Japanese cherry trees to Washington DC draws heavily on her own writings to follow major events of a half century as seen through the eyes of a remarkable woman who was far ahead of her time

Eliza's Secret Mark Dubowski, 2002 When Eliza searches for a missing cheetah cub and then tries to help a herd of elephants she risks losing her ability to talk to the animals *Travelling Servants* Kathryn Walchester, 2019-07-26 This book outlines the contribution made by servants to domestic and Continental travel and travel writing between 1750 and 1850 Aiming to re position British and European travel during this period as a site of work as well as leisure Kathryn Walchester provides commentary and analysis of texts by servants not addressed in current scholarship By reading texts contrapuntally this book draws attention to repeated tropes and common patterns in the ways in which servants are featured in travelogues and in so doing offers an account of alternative modes of experiencing and writing about the Home Tour and the Grand Tour

Eliza Lynch Michael Lillis, Ronan Fanning, 2009-09-11 Escaping a desperate marriage at the age of 20 Eliza Lynch fled Ireland to Paris where her extraordinary beauty and intelligence won the attention of the soon to be dictator of Paraguay Francisco Solano Lopez Although the couple never married Eliza bore him seven children and was seen as the queen of Paraguay adored by the public and admired for her glamour and sophistication But Eliza and Francisco's love was damned with the outbreak of the infamous War of the Triple Alliance 1864-70 the bloodiest in South America's history This is a unique love story chronicling a romance that endured a desperate turn of fortunes taking them from a life of royalty to a life on the run and culminating with the now iconic image of Lynch burying both Lopez and their eldest son in a shallow grave with her bare hands after they had been killed by Brazilian troops Dubbed The Irish Evita Eliza Lynch born in Charleville County Cork was the most famous woman in all of South America in the nineteenth century Her reputation was destroyed by the opposition in the wake of the War of the Triple Alliance but in this story of wealth war love loyalty loss and above all survival Eliza is revealed as a woman who showed extraordinary courage in the face of a series of unspeakable horrors The authors have discovered the truth about Eliza's Irish origins and the cruel deception of her marriage at the age of sixteen to a duplicitous French Army officer They reconstruct the systematic invention of her image as a prostitute around her first meeting with Solano Lopez in Paris in 1854 Eliza Lynch was a courageous woman who was adored by the ordinary women of Paraguay and who tried to help many victims of an appalling war The paranoid Lopez on discovering that his family and colleagues had been conspiring against him trusted only Eliza and their relationship became a love story of the damned The book reveals why the Emperor of Brazil against the advice of his generals pursued Lopez to his death in 1870 Eliza buried him and their

eldest son in the jungle with her bare hands Eliza defied her enemies in a pamphlet she published in 1875 here translated for the first time when she returned to face her enemies in Paraguay The authors exclusive access to the unpublished journals of Eliza s daughter in law shows how scurrilous writers in South America Britain and the US finally broke her spirit and how she died a burnt out case in Paris in 1886 In 1961 a later dictator General Stroessner declared her the national heroine of Paraguay This book restores her to her rightful place among the most remarkable and brave women in modern history Now a subject of a new Irish documentary by Alan Gilson the film that helps rescue one of the great Irish lives of the 19th century from obscurity while opening a fascinating window onto what is perhaps South America s least known country and the apocalyptic conflagration that still haunts its society The Travel Journals of Henrietta Marchant Liston Louise V. North,2014-12-18 Travel writing has a long history the accounts as varied as the reasons why people travel Although most travel publications of the eighteenth century were written by men those by women perhaps most famously Lady Mary Wortley Montagu were also widely read The Travel Journals of Henrietta Marchant Liston North America the Quasi War with France and the rise of the political party system to name but a few Mrs Liston s description of their friendship with President and Mrs Washington is clear eyed as well as deeply appreciative bringing those historical figures to life Mrs Liston s engaging writing will win the hearts of all readers For more on this topic please visit the author s website at www.inthewordsofwomen.com NEW from the National Library of Scotland Edinburgh a video about Henrietta M and Robert Liston in the United States <https://www.youtube.com/watch?v=i1kQTNScjIA> Also see the new website for digitized images and transcriptions of Mrs Liston s journals <http://digital.nls.uk/travels-of-henrietta-liston> Unruly Waters Kenna Lang Archer,2015-05-01 Running more than 1 200 miles from headwaters in eastern New Mexico through the middle of Texas to the Gulf of Mexico the Brazos River has frustrated developers for nearly two centuries This environmental history of the Brazos traces the techniques that engineers and politicians have repeatedly used to try to manage its flow The vast majority of projects proposed or constructed in this watershed were failures undone by the geology of the river as much as the cost of improvement When developers erected locks the river changed course When they built large scale dams floodwaters overflowed the concrete rims When they constructed levees the soils collapsed Yet lawmakers and laypeople boosters and engineers continued to work toward improving the river and harnessing it for various uses Through the plight of the Brazos River Archer illuminates the broader commentary on the efforts to tame this nation s rivers as well as its historical perspectives on development and technology The struggle to overcome nature Archer notes reflects a quintessentially American faith in technology Eliza Hamilton Tilar J. Mazzeo,2018-09-18 From the New York Times bestselling author of Irena s Children comes a vivid compelling and unputdownable new biography Christopher Andersen 1 New York Times bestselling author about the extraordinary life and times of Eliza Hamilton the wife of founding father Alexander Hamilton and a powerful unsung hero in America s early days Fans fell in love with Eliza Hamilton Alexander Hamilton s devoted wife

in Lin Manuel Miranda's phenomenal musical *Hamilton*. But they don't know her full story. A strong pioneer woman, a loving sister, a caring mother, and in her later years, a generous philanthropist, Eliza had many sides, and this fascinating biography brings her multi-faceted personality to vivid life. This expertly told story, *Publishers Weekly* follows Eliza through her early years in New York into the ups and downs of her married life with Alexander, beyond the aftermath of his tragic murder, and finally to her involvement in many projects that cemented her legacy as one of the unsung heroes of our nation's early days. This captivating account of the woman behind the famous man is perfect for fans of the works of Ron Chernow, Lisa

McCubbin, and Nathaniel Philbrick. **My Dearest Martha: The Life and Letters of Eliza Hillier** Andrew

Hillier, 2021-07-01. For this brief moment, the two sisters could be together in heart and affection, and through such letters, bridge the distance of empire. We often learn about the commerce, diplomacy, and military campaigns of the British empire without reference to the intimate side of life in these times, the development of self, the position of women, and the importance of family. In this book, the story of empire, so often told from a man's perspective, is given a unique vantage point through Eliza Hillier's letters to her younger sister Martha. Written largely from Hong Kong, Shanghai, England, and Siam, the letters allow us to become a member of her family and follow the daily tribulations associated with the life of a young British woman in the port cities of Asia. We are thus able to share Eliza's experiences as she leaves home to embark on married life, starts and raises a family, grieves at the abrupt and tragic loss of her husband Charles Batten Hillier, and then sets about rebuilding her life. At once a reflection on the daily components of empire, an entertaining narrative of familial relationships, and the story of one woman's inner feelings, *My Dearest Martha* guides us through the vagaries of life for a family who were very much a part of imperial careerings and missionary circles in East and Southeast Asia. The letters are complemented by images and commentary from the author, a descendant of Eliza, providing context and depth which together give us a fuller picture of British colonial life in the mid 1800s from a perspective that will resonate with readers around the world. **Eliza Julia**

Flower Janet R. Walker, Eliza Julia Flower, Richard W. Burkhardt, 1991. Eliza Julia Andrews was born in 1792. Her father was Mordecai Andrews. She married George Flower 1786-1862, son of Richard Flower 1761-1829. They had fourteen children.

Second Journal to Eliza Laurence Sterne, William Combe, 1929. *Women's Travel Writings in India 1777-1854* Carl Thompson, Katrina O'Loughlin, Éadaoin Agnew, Betty Hagglund, 2022-07-30. The memsahibs of the British Raj in India are well-known figures today, frequently depicted in fiction, TV, and film. In recent years, they have also become the focus of extensive scholarship. Less familiar to both academics and the general public, however, are the eighteenth and early nineteenth-century precursors to the memsahibs of the Victorian and Edwardian era. Yet British women also visited and resided in India in this earlier period, witnessing first-hand the tumultuous expansionist decades in which the East India Company established British control over the subcontinent. Some of these travellers produced highly regarded accounts of their experiences, thereby inaugurating a rich tradition of women's travel writing about India. In the process, they not only reported events and

developments in the subcontinent they also contributed to them helping to shape opinion and policy on issues such as colonial rule religion and social reform This new set in the Chawton House Library Women s Travel Writing series assembles seven of these accounts six by British authors Jemima Kindersley Maria Graham Eliza Fay Ann Deane Julia Maitland and Mary Sherwood and one by an American Harriet Newell Their narratives here reproduced for the first time in reset scholarly editions were published between 1777 and 1854 and recount journeys undertaken in India or periods of residence there between the 1760s and the 1830s Collectively they showcase the range of women s interests and activities in India and also the variety of narrative forms voices and personae available to them as travel writers Some stand squarely in the tradition of Enlightenment ethnography others show the growing influence of Evangelical beliefs But all disrupt any lingering stereotypes about women s passivity reticence and lack of public agency in this period when colonial women were not yet as sequestered and debarred from cross cultural contact as they would later be during the Raj Their narratives are consequently a useful resource to students and researchers across multiple fields and disciplines including women s writing travel writing colonial and postcolonial studies the history of women s educational and missionary work and Romantic era and nineteenth century literature

Lone Star Vistas Astrid Haas, 2021-03-09 Every place is a product of the stories we tell about it stories that do not merely describe but in fact shape geographic social and cultural spaces *Lone Star Vistas* analyzes travelogues that created the idea of Texas Focusing on the forty year period between Mexico s independence from Spain 1821 and the beginning of the US Civil War Astrid Haas explores accounts by Anglo American Mexican and German authors members of the region s three major settler populations who recorded their journeys through Texas They were missionaries scientists journalists emigrants emigration agents and military officers and their spouses They all contributed to the public image of Texas and to debates about the future of the region during a time of political and social transformation Drawing on sources and scholarship in English Spanish and German *Lone Star Vistas* is the first comparative study of transnational travel writing on Texas Haas illuminates continuities and differences across the global encounter with Texas while also highlighting how individual writers particular backgrounds affected their views on nature white settlement military engagement Indigenous resistance African American slavery and Christian mission
