On the World and Ourselves Zygmunt Bauman,Stanislaw Obirek,2015-09-14 Unde malum from where does evil come That is the question that has plagued humankind ever since Eve seduced by the serpent tempted Adam to taste the forbidden fruit of the tree of knowledge of good and evil Throughout history the awareness of good and evil has always been linked to the awareness of choice and to the freedom and responsibility to choose this is what makes us human But the responsibility to choose is a burden that weighs heavily on our shoulders and the temptation to hand this over to someone else be they a demagogue or a scientist who claims to trace everything back to our genes is a tempting illusion like the paradise in which humans have at last been relieved of the moral responsibility for their actions In the second series of their conversations Zygmunt Bauman and Stanislaw Obirek reflect on the life challenges confronted by the denizens of the fragmented individualized society of consumers and the form taken in such a society by the fundamental aspects of the human condition such as human responsibility for the choice between good and evil self formation and self assertion the need for recognition or the call to empathy mutual respect human dignity and tolerance *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1898 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1898

Publishers' circular and booksellers' record ,1899 *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1890 *The Speaker* ,1898 *The Literary World* ,1898 **Performing Emotions** Peta Tait,2017-07-05 In *Performing Emotions* Peta Tait s central argument is that performing emotions in realism is also performing gender identity Emotions are phenomena that are performable by bodies which have cultural identities In turn these create cultural spaces of emotions This study integrates scholarship on realist drama theatre and approaches to acting with interdisciplinary theories of emotion phenomenology and gender theory With chapters devoted to masculinity and femininity specifically as well as to emotions generally it investigates social beliefs about emotions through Chekhov s four major plays in translation and English language commentaries on Constantin Stanislavski s direction of the play s first productions and his approaches to acting and Olga Knipper s acting of the central women characters Emotions exists as

social relationships they are imagined and embodied as gendered Tait demonstrates how theatrical emotions are predicated on social performances and vice versa In Chekhov's plays which came to dominate a twentieth century theatre of emotions characters interpret their emotions intertextually in relation to other theatrical and fictional narratives of emotions Tait here interrogates these plays as sustained explorations of the inherent theatricality of characters expressing emotions from their phenomenological awareness A theatrical language of gendered interiority is produced in the acting of emotions in Stanislavski's early realistic theatre Alternatively remapping the performances of emotional bodies can destabilise the culturally constructed boundary separating an inner private self and an outer social self in culturally produced geographies of emotions As Tait shows emotions can be performed as indivisible spatialities Performing Emotions integrates theories of theatre gender identity and emotion to investigate how sexual difference impacts on the representations of emotions The book develops an accumulative analysis of the meanings of emotions in twentieth century realist drama theatre and acting

The Sheik's Pregnant Lover Elizabeth Lennox, 2012-06-25 Sidra couldn't believe it when the man stormed into her life He was everything she'd been looking for in a man tall handsome intelligent and after several secret meetings she also found out that he was the ultimate lover When their brief interlude is cut short Sidra is hopeful that they might be able to manage a long distance relationship But after three weeks with no word from Rashid she had to accept that he had a different perception of their liaison than she had Rashid thought that Sidra was as close to perfection as possible She was funny and intelligent not to mention beautiful and sexy Unfortunately he'd lost track of her when he had to travel back to Tasain to resolve an emergency When he finally found her again after three weeks of searching he found her having a drink with another man He was livid and tricked her in order to get her back on his turf His campaign to get her to fall in love with him had barely begun when he discovers that the weekend they'd spent together had created a baby Now he had to marry Sidra as soon as possible Was he marrying her only to protect his unborn child Sidra worried Or was there more to his feelings than just preserving the next heir to the throne

Screw the Fairytale - A Modern Girl's Guide to Sex and Love Helen Croydon, 2014-02-03 In *Screw the Fairytale*, Helen Croydon traces the history of relationships in an immersive first person account. She shows how marriage was never supposed to be about love anyway. She investigates the prevalence of mistresses across different eras and cultures to see what we can learn from infidelity and explores the science of falling in love. Highlights of her mission take in a polyamorous commune in the Scottish Highlands where she has to carry out a sexual pact, a wife-finding tour to the Ukraine, and infiltrating a network of single professional women who've chosen to give up on finding love and get a sperm donor instead. Interviews with psychologists, evolutionists, asexuals, swingers, philanderers, long-term marrieds, mistresses, and 40-year-old virgins all combine to break new ground in this humorous and insightful guide to sex and love for the modern girl.
