Elusive Margins Consuming Media Ethnicity And Culture:

Elusive Margins William Anselmi, Kosta Gouliamos, 1998 As the modern state enters the stage of its liquidation it is apparent that public discussion regarding ethnoracial diversity dominates the social sphere Diversity has become a myth ready for consumption in various cultural spaces politics literature mass media advertising leisure activities This book deals with the patterns of exclusion falsehood and disorder constructed systematically by power elites in order to obscure diversity and quash the autonomy of subordinated communities William Anselmi and Kosta Gouliamos go beyond critical analysis by proposing a nomadic transcultural federation to replace the existing model of a multicultural Leviathan such a proposal and plan for action can stop citizens from becoming consumers of elusive margins

Racial and Ethnic Identities in the Media Eleftheria Arapoglou, Yiorgos Kalogeras, Jopi Nyman, 2016-07-30 This volume examines the role and representation of race and ethnicity in the media with particular emphasis on the United States It highlights contemporary work that focuses on changing meanings of racial and ethnic identity as they are represented in the media television and film digital and print media are under examination Through fourteen innovative and interdisciplinary case studies written by a team of internationally based contributors the volume identifies ways in which ethnic racial and national identities have been produced reproduced stereotyped and contested It showcases new emerging theoretical approaches in the field and pays particular attention to the role of race ethnicity and national identity along with communal and transnational allegiances in the making of identities in the media The topics of the chapters range from immigrant newspapers and gangster cinema to ethnic stand up comedy and the use of race in advertising

The Political Sociology of Emotions Nicolas Demertzis, 2020-06-01 The Political Sociology of Emotions articulates the political sociology of emotions as a sub field of emotions sociology in relation to cognate disciplines and sub disciplines Far from reducing politics to affectivity the political sociology of emotions is coterminous with political sociology itself plus the emotive angle added in the investigation of its traditional and more recent areas of research The worldwide predominance of affective anti politics e g the securitization of immigration policies reactionism terrorism competitive authoritarianism nationalism and populism etc makes the political sociology of emotions increasingly necessary in making the prospects of democracy and republicanism in the twenty first century more intelligible Through a weak constructionist theoretical perspective the book shows the utility of this new sub field by addressing two central themes trauma and resentment Trauma is considered as a key cultural political phenomenon of our times evoking both negative and positive emotions resentment is a pertaining individual and collective political emotion allied to insecurities and moral injuries In tandem they constitute fundamental experiences of late modern times The value of the political sociology of emotions is revealed in the analysis of civil wars cultural traumas the politics of pity the suffering of distant others in the media populism and national identities on both sides of the Atlantic

Culture and Difference Howard A. Doughty, Marino Tuzi, 2011 Focusing on the prevailing ideas connected to cultural and social diversity this collection of essays deploys a variety of critical methods originating from social cultural and literary theory to analyze the relationship between historical and social forces and

recurrent cultural beliefs and values Political Marketing Kostas Gouliamos, Antonis Theocharous, Bruce I. Newman, 2013-11-12 A guiding principle in creating Political Marketing has been to examine the ways in which culture politics and society interrelate in the field of political marketing In the course of the book the editors and contributors consider culture as a distinctive concept with transformative capacities that need further and deeper development in the engineering of the political marketing process This may be introduced and consequently lead to broad formulation of a campaign culture Indeed understanding and adapting a broader campaign culture political marketing models may be seen as sets of pathways of key resources resulting viability in human assets forms of influence class stratification alternative flows of information or networking and intercultural knowledge sharing activity This book consists of 18 chapters which deal with aspects of political marketing and campaign culture Theoretical chapters are found first followed by two chapters that deal with theoretical issues which became a subject of research Next presented are the articles that study aspects of electoral behavior followed by the papers that analyze aspects of nationalism national identity Finally the book concludes with three case studies on various issues in political marketing **Happy Slaves** William Anselmi, Kōstas Gouliamos, 2005 In this duologue William Anselmi and Kosta Gouliamos bring to a head their racial revisioning of the stale concepts of multi cultural politics They discuss and dissect the irrationalities and destructiveness that have undermined the modern techniques of the neocolonial elites and demonstrate how these hegemonic elites have brought about social disruption and ethnocultural extermination on a scale never before conceivable Instead of being an anti thesis to the elites practices Happy Slaves seeks to establish an organic critical apparatus Such an apparatus is essential if citizens are ever to gain control over the dehumanised fantasies and aggressions that threaten to enslave the entire world **The Marketing of War in the Age of Neo-Militarism** Kostas Gouliamos, Christos Kassimeris, 2013-05-13 The post 9 11 era and the overall impact of international terrorism have generated much debate regarding the role of military apparatus in modern society This book assesses the inherent meaning of the militarization from a critical interdisciplinary perspective Against the background of democracy and capitalism The Marketing of War in the Age of Neo Militarism challenges prevailing accounts of the military industrial complex as it explores significant interrelated themes denoting the accelerating process of militarization of society Designed to address pressing socio political phenomena this book is the first of its genre contesting conventional wisdom about the perceived link between war and the military industrial complex It is unique not merely because of its approach but also for its thorough analysis of deeply affected social institutions and processes such as education popular culture geopolitics military expenditure space and the environment Contributing authors advance the discussion by exposing factual information demonstrating the nature and scope of society's militarization Their analysis is also broadened to encompass key concepts and diverse aspects of the subject matter that provoke a lively debate The book offers compelling arguments that will be indispensable to scholars students professionals and policy and decision makers with an interest in social and political

sciences as well as in other related fields **The Social Value of Drug Addicts** Merrill Singer, J. Bryan Page, 2016-06-16
Drug users are typically portrayed as worthless slackers burdens on society and just plain useless culturally morally and economically By contrast this book argues that the social construction of some people as useless is in fact extremely useful to other people Leading medical anthropologists Merrill Singer and J. Bryan Page analyze media representations drug policy and underlying social structures to show what industries and social sectors benefit from the criminalization demonization and even popular glamorization of addicts Synthesizing a broad range of key literature and advancing innovative arguments about the social construction of drug users and their role in contemporary society this book is an important contribution to public health medical anthropology popular culture and related fields Canadian Books in Print. Author and Title Index, 1975 **Inside Ethnography** Miriam Boeri, Rashi K.
