Emancipation Of The Serfs In Eastern:

The Emancipation of the Serfs in Eastern Europe Emil Niederhauser,2004 This volume by Hungary's preeminent scholar of Eastern European social history illustrates the similarities and differences among the region's social and governmental structures by focusing on the cases of Prussia Mecklenburg the Habsburg Empire the Russian empire and Romania

Agrarian Development and Social Change in Eastern Europe, 14th-19th Centuries Péter Gunst,2024-10-28 What was Eastern European about the historical development of Eastern Europe How is the region to be defined And specifically where was Hungary to be situated in relation to it These are the questions underlying the studies in this volume In the first part Professor Gunst sets out to analyse some of the characteristics of the economic and social history of Eastern Europe He then focuses on Hungary and argues that the course of its agrarian development in particular has since the Middle Ages been primarily shaped by the influence and military challenge from the West The most important factor in this however was the mass immigration of German peasants which had a far reaching impact on village and community systems and patterns of taxation and crop rotation

Development of Class Structure in Eastern Europe Aleksander Gella,1989-01-01 Emphasizing the development of class structure this book is the first in English to describe the historical and social development of Poland Czechoslovakia Hungary and Romania from medieval feudalism to modern capitalism Historically these countries have maintained mostly peaceful relations among themselves in the past and now share the common characteristic of being Soviet satellites The author has devoted particular attention to Poland because of its unique political system as well as its greater size population and cultural influence The book is divided into three sections part one reviews the early history and social structure of each country part two provides a sociological analysis of social classes and their evolution over centuries and part three examines the effect that World War II has had on these social classes
