JG Myers

Emblem Of Liberty The Image Of Lafayette In The American Mind Isbn 0807124621:

Emblem of Liberty Anne C. Loveland, 1999-03-01 The Marquis de Lafayette the Frenchman who fought in the American Revolution was the only foreigner to hold a major position among the Founding Fathers of the new nation From his arrival in 1777 until a century and a half later the words Lafayette we are here stirred support for American intervention in World War I the evolving image of Lafayette reflected popular opinion on various domestic and foreign issues Emblem of Liberty the first comprehensive survey of Lafayette as a symbolic figure in American intellectual history examines the compound image of the man and the ideas he represented Professor Anne C Loveland has based this wide ranging study upon the massive Lafayette manuscript collection at Cornell University as well as a great variety of other sources Lafayette was popularly regarded as a model patriot aiding the cause of liberty and mankind an example of the public and private virtue necessary to the perpetuation of the American republic He was also seen as benefactor and later patriarch of the United States a Founding Father who served as judge of the success or failure of the republican experiment In addition as leader for a time of the French Revolution and as the friend of liberal revolutions abroad Lafayette was viewed as the agent of the American mission carrying the example of republican government to oppressed peoples around the world Lafayette s Triumphal Tour of the United States in 1824 1825 contributed to a revival of republicanism a lessening of the factional and section strife which appeared to threaten the young nation s stability a renewed sense of the American mission After his return to France Lafayette continued to exert an influence on American popular thought His correspondence with friends in the United States reveals their concern with slavery nullification and other sectional issues as well as their increasingly stereotyped reaction to revolutions particularly the French Revolution of 1830 The Marquis died in 1834 but his image was employed for nearly a century longer to arouse patriotic fervor and to unite Americans in what was viewed as an international mission to spread liberty and justice *Lafayette, the Friend of American Liberty (Classic Reprint)* Alma Holman Burton, 2015-07-10 Excerpt from Lafayette the Friend of American Liberty The story of the Marquis de Lafayette forms one of the most interesting chapters in the history of human liberty To understand clearly the nature of Lafayette s services both to America and to the whole world we must first think of the conditions of life at the beginning of his career and then contrast them with those which now prevail One hundred and forty years ago when Lafayette was a child the world was not so pleasant a place to live in as it is in our own time Even in the most enlightened countries of Europe the majority of the people were downtrodden and oppressed Men had scarcely so much as heard of liberty Outside of England and her colonies the idea of popular freedom was unknown This idea as you may have learned elsewhere seems to have been a sort of birthright of the Anglo Saxon race Ever since the barons of England forced King John to grant them a charter of rights the peoples of that race have defended and cherished it Like a spark of fire in the midst of general gloom it has oftentimes been almost extinguished and yet no matter how its enemies have tried to stamp it out it has survived and been rekindled About the Publisher Forgotten Books

publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
