civil rights with varying degrees of success Richard Nixon's frequent invocation led to a decline in Roosevelt's popularity and a corresponding revival effort by scholars endeavoring to give an accurate nuanced picture of the 26th president This wide ranging study reveals how successive generations shaped the public memory of Roosevelt through their depictions of him in memorials political invocations art architecture historical scholarship literature and popular culture Cullinane emphasizes the historical contexts of public memory exploring the means by which different communities worked to construct specific representations of Roosevelt often adapting his legacy to suit the changing needs of the present Theodore Roosevelt's Ghost provides a compelling perspective on the last century of U S history as seen through the myriad interpretations of one of its most famous and indefatigable icons

enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive Together they created the presidency for a country disgusted by crowns and the people who would wear them In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder More than a few Americans feared that the world was right In Washington's Circle we see how Washington and his trusted advisers close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens Washington was easy to revere if difficult to know David S Heidler and Jeanne T Heidler reveal Washington's character through his relationship with his inner circle showing how this unlikely group created the office of the presidency Here is a story of cooperation confrontation triumph and disappointment as the president Congress and the courts sorted out the limits of executive power quarreled over funding the government coped with domestic strife and faced a world at war while trying to keep their country at peace Even more it is a story of remarkable people striving for extraordinary achievements Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals the often irked and frequently irksome John Adams in the vice presidency the mercurial Alexander Hamilton leading the Treasury Department the brilliant deceptively cunning Thomas Jefferson as secretary of state James Madison who was Washington's advocate and his eyes and ears in Congress and Washington's old friend and former brother in arms Henry Knox at the administration's beleaguered War Department Their stories mingle with those of Edmund Randolph John Jay Gouverneur Morris and the others who stood with a self educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives Written with energy wit and an eye for vivid detail Washington's Circle is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck ability and enviable resourcefulness When the world said they would fail they rolled up their sleeves This is their story Praise for Washington's Circle A fine readable history of the first presidency David and Jeanne Heidler provide not only a lively history but a group portrait of

Washington and the various figures vying to influence him The Wall Street Journal Washington's Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the intensely human lead in one of history's most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of *On His Own Terms* *Oratorical Culture in Nineteenth-century America* Gregory Clark, S. Michael Halloran, 1993 Gregory Clark and S Michael Halloran bring together nine essays that explore change in both the theory and the practice of rhetoric in the nineteenth century United States In their introductory essay Clark and Halloran argue that at the beginning of the nineteenth century rhetoric encompassed a neoclassical oratorical culture in which speakers articulated common values to establish consensual moral authority that directed community thought and action As the century progressed however moral authority shifted from the civic realm to the professional thus expanding participation in the community as it fragmented the community itself Clark and Halloran argue that this shift was a transformation in which rhetoric was reconceived to meet changing cultural needs Part I examines the theories and practices of rhetoric that dominated at the beginning of the century The essays in this section include Edward Everett and Neoclassical Oratory in Genteel America by Ronald F Reid The Oratorical Poetic of Timothy Dwight by Gregory Clark The Sermon as Public Discourse Austin Phelps and the Conservative Homiletic Tradition in Nineteenth Century America by Russel Hirst and A Rhetoric of Citizenship in Nineteenth Century America by P Joy Rouse Part 2 examines rhetorical changes in the culture that developed during that century The essays include The Popularization of Nineteenth Century Rhetoric Elocution and the Private Learner by Nan Johnson Rhetorical Power in the Victorian Parlor Godey's Lady's Book and the Gendering of Nineteenth Century Rhetoric by Nicole Tonkovich Jane Addams and the Social Rhetoric of Democracy by Catherine Peaden The Divergence of Purpose and Practice on the Chatauqua Keith Vawter's Self Defense by Frederick J Antczak and Edith Siemers and The Rhetoric of Picturesque Scenery A Nineteenth Century Epideictic by S Michael Halloran *Forgotten Allies* Joseph T.
