graduating and entering the real world She had been brought up to look pretty and wait for a rich man to sweep her off her feet But what happened if he never showed up When Julie gets married to a hardworking but not wealthy man one who expects her to be part of a modern couple and contribute financially to the marriage she realizes how ambivalent and ill equipped she is for life Once she gives birth to a daughter she knows she must grow up get to work and teach her child the self reliance that she never learned Delivered in an uproariously funny sweet self effacing and utterly memorable voice Please Excuse My Daughter is a bighearted memoir from an irresistible new writer

Using Social Marketing for Public Emergency Preparedness Nancy Meyer-Emerick, 2015-08-11 Less than half of the public in the U S have taken the three steps to prepare for emergencies that are recommended by FEMA and the Red Cross having a 3 day emergency kit a family communication plan and knowing where to get information during an emergency Although emergency managers attempt to train the public often they are only able to distribute brochures and make public notifications For a variety of reasons the public frequently ignores this guidance leaving people more vulnerable during emergencies This book applies the process of social marketing which has been used widely in public health and other disciplines to the lack of public preparedness Written for emergency managers in government and non profit agencies students and volunteers the book provides enough background and resources to enable the user to carry out an effective emergency preparedness campaign in their community and maintain it over time Unlike preparing one message for everyone social marketing involves working with smaller communities to identify what and how people want to learn training them and then maintaining that relationship to insure their preparedness Because most emergency management agencies lack resources to take on such an initiative the book provides readers with low cost methods to begin a social marketing program
