Health Risks From Exposure To Mineral Fibres An International Perspective:

Environmental Health Perspectives ,2004 *Health Risks from Exposure to Mineral Fibres* Graham W.

Gibbs,International Symposium on the Health Effects of Low Exposure to Fibrous Materials (1991 : Kitakyū-shū, Japan),International Commission on Occupational Health,University of Occupational and Environmental Health,1993-01-01

Occupational Cancers Sisko Anttila,Paolo Boffetta,2014-07-28 This book is a comprehensive guide to occupational factors of malignant diseases It discusses potentially work related malignancies in the context of exposure assessment specific clinical and pathological features of occupational cancer and biomarkers of exposure and disease Epidemiological data about risk ratios of the cancer in question are reviewed for various occupations and with exposure to specific carcinogens carcinogenic mechanisms host susceptibility factors genetic and other and other environmental and life style risk factors Aspects such as surveillance of workers exposed to carcinogens and strategies for prevention of occupational cancer are also discussed Occupational Cancers is aimed at oncologists pathologists residents in training clinical researchers clinicians in occupational health epidemiologists pulmonologists lawyers and public health officials [The Asbestos Institute](#) ,1991

Canadian Books in Print. Author and Title Index ,1975 **Cellular and Molecular Effects of Mineral and Synthetic Dusts and Fibres** John M.G. Davis,Marie-Claude Jaurand,2013-06-29 Presented here are recent data on the mechanisms of action of different dusts and fibres of industrial interest Emphasis is placed on the use of cell and organ culture and lavage cell populations obtained from man and laboratory animals to elucidate cellular and molecular events occurring after their interaction with fibrous and non fibrous particulates including metal compounds In four sections the volume provides research findings in the following areas Cellular and Metabolic Changes Caused by Mineral Dusts Molecular Changes and DNA Alterations Produced by Mineral Dusts In Vivo Dust Related Pathological Processes Correlations Between in Vitro and in Vivo Data Physico Chemical Properties of Minerals in Relation to Their Biological Effects **Canadian**

Books in Print ,2003 **Cumulated Index Medicus** ,1989 [The Politics of Asbestos](#) Linda Waldman,2012-08-21 Asbestos use has been growing in many newly industrializing and developing countries of the world and asbestos related diseases are also on the increase This book is based on in depth anthropological fieldwork in the UK India and South Africa looking at people s own understandings of their illness risks and uncertainty compensation and regulation It explores how these personal and community narratives contrast with formal medical and legal understandings how this affects individual people s identities and how they mobilize in order to campaign for compensation regulation and justice Linda Waldman shows how the domination of medical and legal framings of risk and disease over those of workers sufferers and activists can narrow the responses chosen by government This provides important lessons for researchers policy makers and regulators demonstrating that opening up to alternative understandings can create more effective policy responses to move towards sustainability and social justice Publisher s description **H.R. 1530** United States. Congress. House. Committee on

Science, Space, and Technology. Subcommittee on Natural Resources, Agriculture Research, and Environment,1990 *H.R. 1530--the Indoor Air Quality Act of 1989* United States. Congress. House. Committee on Science, Space, and Technology. Subcommittee on Natural Resources, Agriculture Research, and Environment,1990 Occupational and Environmental Lung Diseases Frank E. Speizer,2000 **Human Cancer** John Higginson,Calum S. Muir,Nubia Muñoz,1992-06-04 A summary of the epidemiology of human cancer **Biopersistence of Respirable Synthetic Fibers and Minerals** ,1994 Mesothelioma Bruce W S Robinson,A Philippe Chahinian,2002-01-17 Mesothelioma used to be a rare disease but because of the widespread use of asbestos it has now been described as an epidemic around the world The disease has proven exceptionally resistant to common forms of treatment chemotherapy radiotherapy and surgery Mesothelioma has a very aggressive natural history with a median survival of around 9 m **Environmental Health Criteria** ,1976 *Canadian Books in Print* Marian Butler,2000 **Physical Agents in the Environment and Workplace** Gaetano Licitra,Giovanni d'Amore,Mauro Magnoni,2018-04-17 This book explores environmental physical agents and their potential effect on public and occupational health It considers the theory current research and applications of physical agents including noise ionizing radiation protection and non ionizing radiation protection and explores the monitoring measurement modeling and mitigation of each of these Features Covers all three physical agents in one comprehensive book Presents the latest results from research as well as theory Contributed to by a panel of international experts *Toxicology for the Health and Pharmaceutical Sciences* Antonio Peña-Fernández,Mark D. Evans,Marcus S. Cooke,2021-12-21 There is an increasing need for knowledge of toxicology to safeguard the use of chemicals in industry and in the public and private sectors The study of toxicology is becoming increasingly relevant in human health sciences as future health and clinical professionals will be pivotal in addressing and managing emerging chemical threats and hazards related to modern anthropogenic activities and technological development Comprising a series of chapters from leading toxicology pharmacy and public health academics and experts across Europe the United States and beyond Toxicology for the Health and Pharmaceutical Sciences provides a concise yet comprehensive volume that can be used as a relevant textbook on toxicology for the clinical healthcare educational and professional sectors Key Features Includes cutting edge information regarding the very latest environmental threats to public health Provides a detailed case study based on a real world scenario that allows the reader to practice human health risk assessment Describes innovative guidance and tools to respond to chemical incidents and attacks which enables the reader to tailor an effective protection and remediation response This book covers the fundamentals and recent developments in toxicology to respond to local and global chemical pharmaceutical and environmental threats Thus this volume has chapters specifically designed to support the understanding of the most current toxicology related subjects for any undergraduate postgraduate health programs as well as aid the delivery of continuing professional development training on up to date topics in toxicology for current practicing health professionals wishing to improve their background

knowledge in toxicology The book is also vital reading and reference for policy makers and others that influence and set regulations that have an impact on the environment and human health *Encyclopedia of Quantitative Risk Analysis and Assessment* ,2008-09-02 Leading the way in this field the Encyclopedia of Quantitative Risk Analysis and Assessment is the first publication to offer a modern comprehensive and in depth resource to the huge variety of disciplines involved A truly international work its coverage ranges across risk issues pertinent to life scientists engineers policy makers healthcare professionals the finance industry the military and practising statisticians Drawing on the expertise of world renowned authors and editors in this field this title provides up to date material on drug safety investment theory public policy applications transportation safety public perception of risk epidemiological risk national defence and security critical infrastructure and program management This major publication is easily accessible for all those involved in the field of risk assessment and analysis For ease of use it is available in print and online
