AW Chickering

Health Journeys A Meditation To Help You With Multiple Sclerosis:

Books Out Loud ,2004 **Your Sixth Sense** Belleruth Naparstek, Belleruth Naparstek, A.M., L.I.S.W., 1997 With Your Sixth Sense Naparstek shares her proven methods in a guide that is both practical and wonderfully informative Based on her own experience her work with clients and interviews with more than forty highly skilled intuitives or psychics Your Sixth Sense provides both a thorough exploration of the nature of psychic ability how and why it works and a step by step guide filled with specific suggestions and exercises carefully designed to help you foster track and illuminate your own rich output of psychic experience *Ms and Relationships: My Healing Spiritual Journey* Karen Lawrence, 2017-01-30 Karen initially believed that her interest and curiosity in the new age realm would lead her to a full recovery or cure from Multiple Sclerosis What she discovered was how her relationships played a key role in her mental physical and spiritual health It began by ending friendships that were or never were healthy in the first place She then discovered that it was not only the unhealthy friendships but it carried over to intimate relationships and professional relationships with her clients as well as other colleagues When she wanted to know why she had attracted so many people in her life that did not reflect her integrity her Homeopathic team placed Karen on a journey of self discovery She began to realize that this pattern of relationships stemmed from the first relationships she made with her parents particularly her mother She started to notice the significance of her relationship with her mother when she began the writing process of this book Having all the intention of filling the pages with Alternative Health care Professionals instead she found herself writing about her mother Prior to writing her book she read another book which was a guide for beginner writers and she knew she had to finish writing her thoughts on paper before she could continue as she thought to write about Practitioners However Karen couldnt stop writing about her mother but continued to write and found that the writing process became very healing for her This new journey became the source of what healing from Multiple Sclerosis was all about for Karen What she gained from the result of her relationship with her mother was to learn to love herself Once she did that she was able to break through her chrysalis and transform into a beautiful spiritually healed woman **My journey with MS** Susanne Christensen, 2017-11-07 The author sometimes provokes her fellow humans by saying that it was perfect she got sclerosis MS so she had to stop and think carefully and find a new depth of life Otherwise she had probably continued her former comfortable life in Denmark but the disease made it necessary for her to make some alternative choices She chose to seek insight in her loving India where they have a different view of MS ie Multiple Sclerosis and of life She became so excited about the old Indian health system Ayurveda yoga meditation and healthy food that she returned to Ayurvedic and similar retreats in India and Sri Lanka totally for preliminary 15 times She writes in an enthusiastic funny and positive way about all those retreats a lot about yoga and how she has managed the disease It s a very colorful and happy book a little gem in positive thinking *More Than a Diagnosis: A Journey Through Multiple Sclerosis* Pasquale De Marco, 2025-04-15 More Than a Diagnosis A Journey Through Multiple
