Be His Voice** Ray L Self, 2020-03-23 There is nothing more important than listening to the voice of God Recognizing His voice is vital for your personal welfare your family and marriage Your church and your community and your country need to hear from God With this exciting book you can learn how to train yourself to hear God God wants you to listen to Him and use you as His spokesperson The Bible is our instruction book It teaches us that God speaks The Bible did not say that God quit talking to His children several thousand years ago God has been speaking throughout the history of humanity This new book by Dr Ray Self will help any believer to know when God is talking to them In this book you will also find clear teaching about the modern day operation of the gift of prophecy This is an essential book for any Christian especially for people who are searching for divine direction **What if Listening to God Was Easy?** Neil Miller, 2021-09-02 What if listening to God was easy What if you could learn how to hear God's voice and hear him speak to you all within fifteen minutes What if after developing a practice of listening to God your life was totally transformed God wants to talk to us and he doesn't want it to be difficult With over sixty stories of listening to God interspersed throughout the text this highly readable book gives a simple method we can immediately adopt to help us hear God's voice on a daily basis The later chapters show us how we can employ listening to God in discipleship and inner healing prayer The final chapter demonstrates how people from other religions progress in their spiritual journeys when we help them listen to Jesus What does this book have that other books lack A practical step by step that has worked hundreds of times *Hearing God in Conversation* Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say

that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others *Hearing God in Conversation* offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

Hear God's Voice Derek Prince, 2020-12-15 Imagine a life in which you clearly hear God's voice and follow His will daily. Do you long for God to speak to you bringing guidance, strength and comfort? Perhaps you have been praying for a word from God but the heavens seem silent. Nothing is more important than knowing how to hear from God because our spiritual life depends on it. Without it we can't know and obey His will for us and we may go down the wrong path or miss His plans for us. The Bible teaches and guides us in essential matters but instruction for God's specific daily purposes for our lives comes from His Holy Spirit who lives within us. Being able to hear from God is a growing, deepening process that leads us into His perfect plans. Through his extensive study of the Scriptures and personal life experiences, internationally renowned Bible teacher Derek Prince explains the practical steps you can take to hear from God, develop a close relationship with Him, remove obstacles to recognizing His voice and understand the ways in which He communicates. Hearing God enables us to follow Him more confidently, love Him more deeply and serve Him more completely. As you cultivate the practice of hearing God's voice, you will receive the fresh daily bread that nourishes you spiritually and find divine direction and strength for your ongoing walk with Him. This is the lifestyle you have been waiting for: hearing God's voice and following Him each day. Each step of the way, Man shall not live by bread alone but by every word that proceeds from the mouth of God. Matthew 4:4

Sensing His Presence, Hearing His Voice Carrol Johnson Shewmake, 1994

Voices Crying in the Wilderness Alison Teed, 2008-01-02 In 2003 Alison Teed answered the call to deliver one more message. Write in a book all you have seen and heard. After a year of waiting on God, Alison began writing *Voices Crying in the Wilderness*, an account of 30 years of prophetic obedience. Although never a key prophetic voice in Canada, she understood that the messages delivered over the years were now significant to what the Holy Spirit was doing around the world. God was once more calling her to fearlessly deliver a message for Him. This book is an account of the obedience, trials, testing and growing up of a prophet. *Voices Crying in the Wilderness* is a prophecy: God calling out His prophets, great and small, for this hour and more importantly, the hour to come. This is a call to ALL God's laborers to come and stand before Him and answer the call on their lives and rise up and be doing it WITHOUT FEAR. Alison Teed has published assorted magazine articles, poetry and short stories including children's stories. In 1976 Alison experienced a visitation from Jesus leading to her salvation. Her dedication to an intimate relationship with the Lord and His Word quickly led her to service as a Bible teacher, counselor and children's tutor. She resides with her husband in Surrey, BC and attends a local nondenominational church in the lower mainland of Vancouver, BC.

Klopstock F.G. Messiah Friedrich Gottlieb

Klopstock,1821 **Letters to Christian** Douglas A. Weigent,2019-01-23 The most important combat experiences of your life will be spiritual battles for the destiny of your eternal soul They are between God s will versus your will sin versus holiness and whether you are saved or lost God s plan for you to defeat the world the flesh and the devil is not by trying harder and making more resolutions or doing good things God s plan for you is to behold his presence by learning his truth and discovering his grace In Letters to Christian the author turns to your heart and conscience where decisive spiritual insights take place to share the glory of God You will learn the necessity to protect your soul in battle by digging truth out of the scriptures The letters describe God s sovereignty assurance and the importance of perseverance to help you become victorious in Jesus and to understand your Christian life You will learn what God thinks about you and how to equip and protect your soul with his armor of truth The Letters to Christian is not about religion but relationship and will allow you to discover God s work of grace in your heart proving Jesus Christ is being formed within you Amen *Village Sermons* George Burder,1840 **I AM Changes Who i Am** Gregg Matte,2012-04-05 Living the Christian life is not easy especially in today s culture To be who and do what God commands Christians need to recapture the miraculous Unfortunately miracles have been left either with cable TV faith healers or tour guides in the Holy Land That has to change because it s by seeing what God does that we discover who He is And knowing who He is and what He does will change who we are and what we do Pastor Gregg Matte believes that the seven I AM statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God s will In I AM Changes Who i Am readers will explore what Jesus says and does and find out what that means for their walk with Him *Total Surrender* Matthew Terrill,2014-04-28 Why is it such a struggle for us to surrender everything to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can walk through this dark unfair world shinning and burning brightly for Jesus Wanting control over our lives is the struggle that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but few actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus
