

The background of the entire image is a photograph of a single water droplet falling into a pool of water. The droplet is captured mid-fall, just above the surface, creating a series of concentric ripples that spread outwards. The water is a deep blue color, and the lighting highlights the droplet and the ripples.

Hear Our Cry Paul D. Slocumb,2010-07 *HEAR OUR CRY - BOYS IN CRISIS*. PAUL. SLOCUMB,2010 *The Burden of Being a Boy* Nicholas D. Young,Christine N. Michael,Elizabeth Jean,2019-09-27 The Burden of Being a Boy Bolstering Educational Achievement and Emotional Well Being in Young Males is written for everyone who has a stake in the health and well being of contemporary American boys and adolescents parents educators counselors educational administrators student services personnel higher education faculty and students studying education and psychology Mainly though this is a book for those who are committed to seeing all boys grow and thrive while avoiding what has been termed as toxic male culture in this and other countries While this book largely focuses on understanding the roles that schooling and upbringing play on boys development it explores this complex topic with a clear belief that there are myriad factors that influence each boy s developmental trajectory and that there are many ways to promote healthy prosocial development among all young men

Successful Single-Sex Classrooms Michael Gurian,Kathy Stevens,Peggy Daniels,2010-12-08 This book is an essential resource for educators who are teaching or leading schools with single gender classes whether they re in public private or Catholic schools It is a soup to nuts guide covering everything from curriculum planning and classroom design to school policies and parent teacher communication Whether contemplating this new educational trend or already working within one of the 12 000 single gender schools this practical guide shows educators how they can make the most of a unique educational opportunity Positioned at the forefront of brain based learning Michael Gurian s work translates and distills the latest scientific research into key points which can be immediately integrated into an educator s existing practice The research underlines the importance of single sex learning and supports the creation and implementation of new strategies for accommodating the brain differences of boys and girls at both the school and classroom level **Yearbook of Experts, Authorities and Spoke** Mitchell P. Davis,2006-02 The purpose of the Yearbook of Experts is to provide bona fide interview sources to working members of the news media Page 2 **Sexism in America** Barbara J. Berg,2009 The news in 2008 was that women had taken huge strides forward Feminists decades long struggle finally seemed to be paying off not only in boardrooms classrooms and kitchens but also at the very top in presidential politics But what is the truth behind the headlines In Sexism in America Alive Well and Ruining Our Future renowned feminist author Barbara J Berg debunks the many myths about how far women have come and the pervasive belief that ours is a postfeminist society Combining authoritative research and compelling storytelling Berg traces the assault on women s status from the 1950s when Newsweek declared for the American girl books and babies don t mix to the present exploring the deception about women s progress and contextualizing our current situation All women are hurt by a society lauding their attributes in speeches while scorning them in public policy and popular culture and the legacy of the women s movement is being short circuited in every aspect of their lives Passionate extensively documented humorous and persuasive Sexism in America is simultaneously

enlightening frightening and revitalizing Berg an ardent optimist helps women understand where they are and why and how they can move beyond the marginalizing strategies It is exactly the right book at exactly the right time Boys in Poverty Ruby Payne, Paul Slocum, 2010-12-01 Fully engage learners in your classroom Discover how to create high quality assessments using a five phase design protocol Explore types and traits of quality assessment and learn how to develop assessments that are innovative effective and engaging Who Stole My Spear? Tim Samuels, 2016-05-05 Of the 200 000 years homo sapiens has been wandering this planet this has to be the most absurd and challenging time to be a man How can you hunt and gather in an open plan office Is monogamy fighting a losing battle against testes size Why do men make up 95% of FTSE CEOs yet 95% of the prison population Trapped in bodies barely changed since caveman days males are now contending with corporate culture lifelong commitment rampant depression and crazy expectations to be a success at work and home Enter award winning BBC broadcaster and journalist Tim Samuels with *Who Stole My Spear* which stops at nothing to explore how men should actually be living these days From relationships religion and the rise of ISIS to porn fatherhood and the oppression of office life Nothing is taboo Is it less serious when a man has an affair Why don't new parents want boys *Who Stole My Spear* is an inspiring rallying call for men and good masculinity which cannot be ignored that will leave you rethinking much about life's big questions And for women who wonder what's on a man's mind this is the book that offers the entertainingly explosive answer *The Minds of Boys* Gurian Michael, Kathy Stevens, 2010-12-14 Michael Gurian's blockbuster bestseller *The Wonder of Boys* is the bible for mothers fathers and educators on how to understand and raise boys It has sold over 400 000 copies been translated into 17 languages and sells over 25 000 every year which is more than any other book on boys in history To follow up on this first book which launched the boy's movement he has now written this revolutionary new book which confronts what he and a lot of other parents and teachers in this country truly believe to be a boy's crisis Here are the facts Boys today are simply not learning as well as girls Boys receive 70% of the Ds and Fs given all students Boys cause 90% of classroom discipline problems 80% of all high school dropouts are boys Millions of American boys are on Ritalin and other mind bending control drugs Only 40% of college students are boys And three out of four learning disabled students are boys So what can we do Gurian has the answer in this enormously fascinating and practical book which shows parents and teachers how to help boys overcome their current classroom obstacles by helping to create the proper learning environment understand how to help boys work with their unique natural gifts nurture and expand every bit of their potential and enabling them to succeed in life the way they ought to Gurian presents a whole new way of solving the problem based on the success of his program in schools across the country the latest research and application of neuro biological research on how boys brains actually work and how they can learn very well if they're properly taught Anyone who cares about the future of our boys must read this book **Jump-Starting Boys** Pam Withers, 2013-06-17 Everyone knows that boys are falling behind in education Largely left out of the discussion are parents of

boys who are most aware that their bright eager sons hit an invisible wall somewhere near fourth grade after which they become disengaged discouraged and disaffected There are dozens of books on underachieving boys but most parents brave enough to lift one off the shelf are instantly intimidated by the footnotes graphs case studies and academic speak addressed almost entirely to educators What about the average guilt ridden frustrated mother or father of an underachieving boy Jump Starting Boys is the first book on the market that empowers parents helping them reclaim the duties and rewards of raising their children and navigate the influences of school and media Filled with reassurance and support the authors turn fear and guilt into can do confidence Through easy tips and action list sidebars this is the most practical readable book on the topic

Writing the Playbook Kelley King, 2013-02-19 Your game plan for getting boys on the path to higher achievement You've seen it in your school boys struggling to master basic literacy skills sitting outside the principal's office collecting labels like hyperactive getting failing grades Checked out kicked out or dropped out they're benched when they should be scoring goals on the academic playing field As a school leader Kelley King has walked the talk she successfully led her own staff to close the gender gap in reading and writing in just one year In her step by step research based leadership plan for jump starting boys achievement she shares Critical insight into the brain based differences between boys and girls First hand leadership and classroom experiences Ready to use activities and resources for leading a successful gap closing initiative With tips anecdotes and more Writing the Playbook provides educators in all roles with a blueprint for creating schools where boys and girls thrive Finally some practical advice from an experienced educator on how to make boys into successful students King's credentials mother of both a son and daughter as well as a principal who successfully addressed gender gaps at her school are unbeatable Richard Whitmire Author of Why Boys Fail Saving Our Sons from an Educational System That's Leaving Them Behind Kelley King is both impassioned and level headed and she starts a conversation that we desperately need to have in our country Michael Kimmel Author of Guyland The Perilous World Where Boys Become Men SUNY Distinguished Professor of Sociology This is a highly practical and highly relevant book Two thumbs up Eric Jensen Author of Teaching with the Brain in Mind

A Gendered Choice David W. Chadwell, 2010 Across the U.S. about 500 public schools currently offer single gender classes or programmes Hundreds more schools are contemplating separate classes for boys and girls in the wake of the 2006 legislation that allows such programmes to satisfy Title IX requirements Spearheading the national trend in this direction with over 300 single gender programmes is South Carolina where David W.
