

Darkness And The Light

**My life is in darkness except for a light
This light is not happiness my family or friends
See my life is in darkness no need for light
For see my face and u will know why**

**I'm not disfigured but i will not be seen
My left eye is blue and my right is green
You should know this is not what i mean**

**See my problem is that I'm cut too deep
Yet some were u will not see
The light is my fear and darkness my hope
The tears on my face cause me to choke**

**Two people covered the light
One is dead the other alive
Her death did not heal
But she is still here in the way I feel**

**The life of the other
Brings me cheer
I love them both
Life and death the same**

**The life I now have draws me close
But the tears I still have cause me to choke
My friend will shield me from the light
But there hearts are transparent
They can't shield my life**
