A Heart Divided Cherie Bennett, Jeff Gottesfeld, 2009-05-06 Is the Confederate battle flag a racist symbol or a proud reminder of Southern heritage When Kate s liberal minded family moves from the suburbs of New York City to a small town near Nashville Kate is convinced her life is over Redford lives up to Kate s low expectations The Confederate battle flag waves proudly in the sky the local diner serves grits and sweet tea and country music rules the airwaves Then she meets Jackson Redford III scion of the town and embodiment of everything Dixie And dang if brilliant gorgeous Jack doesn t make Kate decide that maybe her new hometown isn t so bad after all But a petition to replace the school s Confederate flag symbol is stirring up trouble Kate dives right in not afraid to attack what she sees as offensive Getting involved means making enemies though and soon Kate and Jack and their families find themselves pitted against each other in a bitter controversy not just about the flag but about what it means to be an American Heart Divided Al Lacy, 1995 *The Sound-hearted Christian: Or, a Treatise of Soundness of Heart: with Several Other Sermons, Etc* William GREENHILL, 1670

Speaking of the Self Anshu Malhotra, Siobhan Lambert-Hurley, 2015-10-23 Many consider the autobiography to be a Western genre that represents the self as fully autonomous The contributors to *Speaking of the Self* challenge this presumption by examining a wide range of women s autobiographical writing from South Asia Expanding the definition of what kinds of writing can be considered autobiographical the contributors analyze everything from poetry songs mystical experiences and diaries to prose fiction architecture and religious treatises The authors they study are just as diverse a Mughal princess an eighteenth century courtesan from Hyderabad a nineteenth century Muslim prostitute in Punjab a housewife in colonial Bengal a Muslim Gandhian devotee of Krishna several female Indian and Pakistani novelists and two male actors who worked as female impersonators The contributors find that in these autobiographies the authors construct their gendered selves in relational terms Throughout they show how autobiographical writing in whatever form it takes provides the means toward more fully understanding the historical social and cultural milieu in which the author performs herself and creates her subjectivity Contributors Asiya Alam Afshan Bokhari Uma Chakravarti Kathryn Hansen Siobhan Lambert Hurley Anshu Malhotra Ritu Menon Shubhra Ray Shweta Sachdeva Jha Sylvia Vatak *Divided Desire* Kenny Damara, 2013-12-17 Can your ultimate desire ever be fulfilled Everywhere you look every time you listen with each click and tap there s something you desire How do you know if what you desire will satisfy or if you are seeing a desire mirage The global village presents countless ways to connect to all kinds of information We think we can scarcely live without these connections Do we realize however that these connections often block or slow down connections to God self and others *Divided Desire* is a journey along the road of desire a road everyone travels Along the journey Kenny Damara explores why we desire what we desire in the global village today What role does God have in fulfilling the ultimate desire of the heart And how should we respond The Life of the Blessed Virgin Mary [by R. Confucius' Grandson: Guodian, Zisi, and Beyond Kuan-yun Huang, The Guodian manuscripts are a cache of literary and philosophical texts from the fourth century BCE discovered in a Warring States period tomb in China's Hubei Province. Through detailed decipherment and textual analysis Kuan-yun Huang investigates the historical and philosophical contexts of these texts and convincingly proposes their association with Zisi the grandson of Confucius. Huang not only offers an in-depth portrait of this famous scion from excavated texts and transmitted literary records but also reveals the connection of the Guodian texts with early intellectual tradition in China including the teachings of Xunzi, Mencius, Confucius and the legendary Laozi as well as the effort of rewriting that transformed Zisi's original teachings into a conformist line of thinking which defined and constituted the Confucian tradition of a later time. In Kuan-yun Huang's *The Lost Texts of Confucius' Grandson* the shadowy figure of Zisi comes to life as an antinomian thinker whose works fill the lacuna between Confucius and Mencius. What is most compelling about this book is its insistence that in scholarship we must respect the interpretive context. The new putative Zisi materials have to be read in such a way that they are correlated with and situated clearly within what Huang calls the literary record. Huang's synoptic understanding of the literature allows for much abduction in his presentation, a kind of academic sleuthing in his best efforts to connect the dots. While an exciting read for those scholars who know the texts and specialize in ancient philosophical literature at the same time the story it tells will be of interest to all scholars who work in the field of Chinese studies. Roger T. Ames, Humanities Chair, Professor, Peking University. Huang carefully explicates what the newly discovered manuscripts teach us about fate, moral cultivation, familial love and obligation and service in government as well as other concepts that were originally meant to provide social order in the Warring States kingdoms during the time of Zisi and the generations of thinkers subsequent to him. Through close textual analysis and with each explanation of these ideas Huang shows that we must shake ourselves loose from earlier assumptions about their significance and embrace what the recently recovered sources tell us. Jeffrey Riegel, Professor Emeritus, University of California, Berkeley. The Guodian corpus has transformed our understanding of early Chinese thought. Huang does a masterful job of situating these texts in their historical and philosophical context, relying on the most current scholarly literature as well as insights gained from more recent discoveries, all in a very accessible style. Highly recommended. Edward Slingerland, Professor of Philosophy, University of British Columbia.

All Things for Good Thomas Watson, 2015-04-17. This Puritan meditation on Romans 8:28 contains the following chapters: Introduction, The best things work for good to the godly, The worst things work for good to the godly, Why all things work for good, The tests of love to God, An exhortation to love God, Effectual calling, Exhortations to those who are called, Concerning God's purpose.

A Divine Cordial Thomas Watson, Rev. Terry Kulakowski, Editor, 2015-12-04. But we know that to the ones loving God all things work together for good to those being called according to purpose, Romans 8:28. This delectable book is an exposition of that verse, not neglecting the last phrase as so many are apt to do. This is no pop treatment to pat the back of all professing Christians. It is a serious

consideration of all things that go into making everything work together for good This starts with the attributes of God His promises and mercies the graces of the Spirit the intercession of Christ etc A key to understanding why and how things work together for good to the ones loving God lies in recognizing that all things begin with God s eternal decrees Literally everything that happens was first decreed For it is written in whom we also have been chosen to an inheritance being predestinated according to the purpose of the One working all things according to the counsel of His own will A Divine Cordial: or, the transcendent privilege of those that love God, etc Thomas WATSON (Rector of St. Stephen's, Walbrook.),1830 *Morning Meditations for every Lord's Day in the year.
