S. Sahota, 2018-01-15 Taking cues from Walter Benjamin's fragmentary writings on literary historical method Late Colonial Sublime reconstellates the dialectic of Enlightenment across a wide imperial geography with special focus on the fashioning of neo epics in Hindi and Urdu literary cultures in British India Working through the limits of both Marxism

and postcolonial critique this book forges an innovative approach to the question of late romanticism and grounds categories such as the sublime within the dynamic of commodification While G S Sahota takes canonical European critics such as Theodor Adorno and Max Horkheimer to the outskirts of empire he reads Indian writers such as Muhammad Iqbal and Jayashankar Prasad in light of the expansion of instrumental rationality and the neotraditional critiques of the West it spurred at the onset of decolonization By bringing together distinct literary canons both metropolitan and colonial hegemonic and subaltern Western and Eastern all of which took shape upon the common realities of imperial capitalism Late Colonial Sublime takes an original dialectical approach It experiments with fragments parallaxes and constellational form to explore the aporias of modernity as well as the possible futures they may signal in our midst A bold intervention into contemporary debates that synthesizes a wealth of sources this book will interest readers and scholars in world literature critical theory postcolonial criticism and South Asian studies

**The Persian Prince** Hamid Dabashi,2023-06-06 With its title borrowed from Machiavelli The Persian Prince goes far beyond Machiavelli s wildest imagination as to how to rule the world Hamid Dabashi articulates a bold new

idea of the Persian Prince a metaphor of political authority a figurative ideal deeply rooted in the collective memories of multiple nations and a literary construct that connected Muslim empires across time and space and continues to inform political debate today Drawing on works from Classical Antiquity and the vast Persianate worlds from India to the Mediterranean as well as the Hebrew Bible and European medieval mirrors for princes Dabashi engages a diverse body of political thought to reveal the construction of the Persian Prince as a potent archetype He traces this archetype through its varied historic gestations and finds it resurfacing in postcolonial political thought as a rebel a prophet a poet and a nomad Bringing poetics and politics together Dabashi shows how this archetypal figure has long defined political authority throughout the wider Iranian and Islamic worlds With meticulous attention to literary and poetic texts moral and philosophical treatises allegorical and anecdotal stories sacred and secular evidence visual and performing arts histories of global empires and colonial conquests this sweeping work offers a deeply learned richly erudite and transformative piece of critical thinking As Dabashi shows the Persian Prince remains the stuff of current debate across the Muslim and Persianate worlds in contestations over the public domain and the collective will to power and above all in the prospects of democratic institutions **American Book Publishing Record** ,2003 **Christina the Astonishing** Marianne Leone,2025-09-02 A coming of age novel told from the perspective of the irrepressible Christina whose encounters with Catholic school nuns Italian mothers and small town Massachusetts will have readers laughing out loud even when Christina isn't CHRISTINA FALCONE IS A THIRTEEN YEAR OLD EIGHTH GRADER at Precious Blood Junior High She is growing up pazza according to her Italian immigrant mother Rita who curses a country that poisons children with chocolate milk and singing mice on television The nuns at Precious Blood are giving Christina nightmares and facial tics with their daily descriptions of torture and martyrdom All she wanted as a fourth grader was to become a saint so she could be God's best friend and go straight to heaven and avoid burning in hell for all eternity At thirteen though Christina's nightmares about eyeless martyrs have become dreams of escaping this place where she can see the entire trajectory of her life looming before her in a never ending hamster loop that goes from Precious Blood Elementary School to La Sposa Bridal Shoppe and eventually across the street to Carmello's Funeral Home without ever leaving her neighborhood only seven miles from Boston But Harvard Square beckons and Christina's window to the world cracks open along with the entire American culture of the 1960s as she grows from girl to woman Christina the Astonishing is an endearing look at an irrepressible character that will ring true to all readers regardless of the time or place they happened to take the roller coaster ride to adulthood The Library of Choice Literature and Encyclopedia of Universal Authorship Ainsworth Rand Spofford,1894 *Emancipation* Michael Goldfarb,2009-11-03 The first popular history of the Emancipation of Europe's Jews in the eighteenth and nineteenth centuries a transformation that was startling to those who lived through it and continues to affect the world today Freed from their ghettos Jews ushered in a second renaissance Within a century Marx Freud and Einstein created revolutions in politics
