Heart Is Like Heaven The Life Of Lydia Maria Child

Lauren Gardner

Heart Is Like Heaven The Life Of Lydia Maria Child:

The Heart Is Like Heaven Helene (Gilbert) Baer, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Lydia Maria Child** Lydia Moland, 2024-05-31 Now in paperback a compelling biography of Lydia Maria Child one of nineteenth century America s most courageous abolitionists By 1830 Lydia Maria Child had established herself as something almost unheard of in the American nineteenth century a beloved and self sufficient female author Best known today for the immortal poem Over the River and through the Wood Child had become famous at an early age for spunky self help books and charming children s stories But in 1833 Child shocked her readers by publishing a scathing book length argument against slavery in the United States a book so radical in its commitment to abolition that friends abandoned her patrons ostracized her and her book sales plummeted Yet Child soon drew untold numbers to the abolitionist cause becoming one of the foremost authors and activists of her generation Lydia Maria Child A Radical American Life tells the story of what brought Child to this moment and the extraordinary life she lived in response Through Child s example philosopher Lydia Moland asks questions as pressing and personal in our time as they were in Child s What does it mean to change your life when the moral future of your country is at stake When confronted by sanctioned evil and systematic injustice how should a citizen live Child s lifetime of bravery conviction humility and determination provides a wealth of spirited guidance for political engagement today *Lydia Maria Child* Lori Kenschaft, 2002-10-24 Lydia Maria Child presents the life of the dynamic nineteenth century writer who through her pen and at great personal cost to her literary career spoke out for those silenced in society slaves Native Americans women and the poor At the dawn of the 1830s Lydia Maria Child was a celebrated author known for her popular domestic handbook The Frugal Housewife and Hobomok a novel of American Indian life In 1833 with the publication of her controversial Appeal in Favor of that Class of Americans Called Africans Child s life changed dramatically from literary figure to antislavery activist Her Appeal helped ignite the abolitionist movement and several antislavery leaders including Wendell Phillips and Charles Sumner credited it with converting them to the cause An inspirational look at an extraordinary woman Lydia Maria Child is the story of how one person fought for the basic human right of freedom for all Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours Based on the most recent scholarship they draw heavily on primary sources including writings by and about their subjects Each book is illustrated with a wealth of photographs documents memorabilia framing the personality and achievements of its subject against the backdrop of history **A Lydia Maria Child Reader** Lydia Maria Child, 1997 This rich collection is the first to represent the full range of Child s contributions as a literary innovator social reformer and progressive thinker over a career

spanning six decades *The Public Years of Sarah and Angelina Grimké* Larry Ceplair,1989 Sarah Moore Grimké and Angelina Emily Grimké were the first women in America coming from a southern slave holding family to speak publicly on behalf of the abolition of slavery Creating a stir of controversy soon afterwards during the 1830s especially with the force of their testimony before the Massachusetts State Legislature they soon found themselves defending publicly and at length the right of women to speak on moral and political issues and on the end of the subordination of women The editor of this collection of eloquent political writings Larry Ceplair has written a critical introduction situating the Grimkes in an historical and political context in which he describes the significance of their thought and work Of special interest is the inclusion of writings documenting the Grimké sisters activities that preceded by 11 years the first woman s rights convention in America held at Seneca Falls N Y in 1848 Most of the Grimké sisters writings are out of print today Mr Ceplair s efforts will be greatly appreciated by those interested in the history of feminist theory antebellum history **The First Woman in the Republic** Carolyn L. Karcher,1994 This definitive biography restores to the public an eloquent writer and reformer who embodied the best of the American democratic heritage *The Abolitionist Sisterhood* Jean Fagan Yellin,John C. Van Horne,2018-05-31 A small group of black and white American women who banded together in the 1830s and 1840s to remedy the evils of slavery and racism the antislavery females included many who ultimately struggled for equal rights for women as well Organizing fundraising fairs writing pamphlets and giftbooks circulating petitions even speaking before promiscuous audiences including men and women the antislavery women energetically created a diverse and dynamic political culture A lively exploration of this nineteenth century reform movement The Abolitionist Sisterhood includes chapters on the principal female antislavery societies discussions of black women s political culture in the antebellum North articles on the strategies and tactics the antislavery women devised a pictorial essay presenting rare graphics from both sides of abolitionist debates and a final chapter comparing the experiences of the American and British women who attended the 1840 World Anti Slavery Convention in London *In Her Own Voice* Sherry L. Linkon,2019-06-19 In Her Own Voice examines the literary history of women s nonfiction writing through studies of individual writers their works and their careers The essays in this collection consider the development of women s public voices relationships between women essayists and their editors and readers *Reader's Guide to American History* Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of

American history The Emergence of the Middle Class Stuart M. Blumin, 1989-09-29 This book traces the emergence of the recognizable middle class from the 1760 1900 *From Catharine Beecher to Martha Stewart* Sarah A. Leavitt, 2003-04-03 Today's domestic advice writers women such as Martha Stewart Cheryl Mendelson and B Smith are part of a long tradition notes Sarah Leavitt Their success rests on a legacy of literature that has focused on the home as an expression of ideals Here Leavitt crafts a fascinating genealogy of domestic advice based on her readings of hundreds of manuals spanning 150 years of history Over the years domestic advisors have educated women about everything from modernism and morality to sanitation and design Their writings helped create the idealized vision of home held by so many Americans Leavitt says Investigating cultural themes in domestic advice written since the mid nineteenth century she demonstrates that these works which found meaning in kitchen counters parlor rugs and bric a brac have held the interest of readers despite vast changes in women's roles and opportunities Domestic advice manuals have always been the stuff of fantasy argues Leavitt demonstrating cultural ideals rather than cultural realities But these rich sources reveal how women understood the connection between their homes and the larger world At its most fundamental level the true domestic fantasy was that women held the power to reform their society through first reforming their homes *Women of the Anti-Slavery Movement* Clare Taylor, 1994-11-23 British and American anti slavery societies were established in the 1820s and 1830s and from an early date included women campaigners Typical of female abolitionists the Weston sisters wrote collected monies and signatures for petitions but rarely spoke in public or advocated a peculiarly feminist cause This study uncovers their work in America Britain and France their connections and campaigns and their contribution both to the anti slavery movement and to the forging of an Anglo American democratic alliance *The Harbinger and New England Transcendentalism* Sterling F. Delano, 1983 This is the first comprehensive scholarly account of the journal that was the official organ of Associationism and Fourierism in America in the 1840s as well as a major forum for Transcendentalist writers The author traces the journal's history examines its handling of important contemporary social political and economic questions evaluates its literary and musical criticism and considers The Harbinger's role in the reform minded Associationist and Transcendentalist movements Touching Liberty Karen Sánchez-Eppler, 2024-06-28 In this striking study of the pre Civil War literary imagination Karen Sánchez Eppler charts how bodily difference came to be recognized as a central problem for both political and literary expression Her readings of sentimental anti slavery fiction slave narratives and the lyric poetry of Walt Whitman and Emily Dickinson demonstrate how these texts participated in producing a new model of personhood one in which the racially distinct and physically constrained slave body converged alongside the sexually distinct and domestically circumscribed female body Moving from the public domain of abolitionist politics to the privacy of lyric poetry Sánchez Eppler argues that attention to the physical body blurs the boundaries between public and private Drawing analogies between black and female bodies feminist abolitionists use the public sphere of anti slavery politics to write about sexual

desires and anxieties they cannot voice directly However Sanchez Eppler warns against exaggerating the positive links between literature and politics She finds that the relationships between feminism and abolitionism reveal patterns of exploitation appropriation and displacement of the black body that acknowledge the difficulties in embracing difference in the nineteenth century as in the twentieth Her insightful examination of these issues makes a distinctive mark within American literary and cultural studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 *American Transcendentalism and Asian Religions* Arthur Versluis, 1993 Arthur Versluis offers a comprehensive study of the relationship between the American Transcendentalists and Asian religions He argues that an influx of new information about these religions shook nineteenth century American religious consciousness to the core With the publication of ever more material on Buddhism Hinduism and Taoism the Judeo Christian tradition was inevitably placed as just one among a number of religious traditions Fundamentalists and conservatives denounced this influx as a threat but the Transcendentalists embraced it poring over the sacred books of Asia to extract ethical injunctions admonitions to self transcendence myths taken to support Christian doctrines and manifestations of a supposed coming universal religion *Smith School House* Barbara A. Yocum, 1998

Historical Dictionary of American Education Richard J. Altenbaugh, 1999-10-30 The history of American education is a vital and productive field of study This reference book provides factual information about eminent people and important topics related to the development of American public private and parochial schools covering elementary and secondary levels In addition to major state and regional leaders and reformers it includes biographies of significant national educators philosophers psychologists and writers Subjects embrace important ideas events institutions agencies and pedagogical trends that profoundly shaped American policies and perceptions regarding education The more than 350 entries are arranged alphabetically and written by expert contributors Each entry closes with a brief bibliography and the volume ends with a list of works for further reading Entries were drawn from a review of leading history of education textbooks and the *History of Education Quarterly* These topics were further refined by comments from leading authorities and the contributors Most of the contributors are established scholars in the history of education curriculum and instruction school law educational administration and American history a few also work as public and private school teachers and thus bring their practical experience to their entries The period covered begins in the colonial period and continues through the 1990s

The Civil War and the Press S. Kitrell Rushing, 2023-06-14 The power of the American press to influence and even set the political agenda is commonly associated with the rise of such press barons as Joseph Pulitzer and William Randolph Hearst at the turn of the century The latter even took credit for instigating the Spanish American War Their power however had deeper

roots in the journalistic culture of the nineteenth century particularly in the social and political conflicts that climaxed with the Civil War Until now historians have paid little attention to the role of the press in defining and disseminating the conflicting views of the North and the South in the decades leading up to the Civil War In *The Civil War and the Press* historians political scientists and scholars of journalism measure the influence of the press explore its diversity and profile the prominent editors and publishers of the day The book is divided into three sections covering the role of the press in the prewar years throughout the conflict itself and during the Reconstruction period Part 1 *Setting the Agenda for Secession and War* considers the rise of the consumer society and the journalistic readership the changing nature of editorial standards and practice the issues of abolitionism secession and armed resistance as reflected in Northern and Southern newspapers the reporting on John Brown s Harper s Ferry raid and the influence of journalism on the 1860 election results Part 2 *In Time of War* includes discussions of journalistic images and ideas of womanhood in the context of war the political orientation of the Jewish press the rise of illustrated periodicals and issues of censorship and opposition journalism The chapters in Part 3 *Reconstructing a Nation* detail the infiltration of the former Confederacy by hundreds of federally subsidized Republican newspapers editorial reactions to the developing issue of voting rights for freed slaves and the journalistic mythologization of Jesse James as a resister of Reconstruction laws and conquering Unionists In tracing the confluence of journalism and politics from its source this groundbreaking volume opens a wide variety of perspectives on a crucial period in American history while raising questions that remain pertinent to contemporary tensions between press power and government power *The Civil War and the Press* will be essential reading for historians media studies specialists political scientists and readers interested in the Civil War period

The Collected Correspondence of Lydia Maria Child, 1817-1880 Patricia G. Holland, Milton Meltzer, Francine Krasno, 1980

Abraham Lincoln Michael Burlingame, 2009-01-05 This award winning biography has been hailed as the definitive portrait of Lincoln Named One of the 5 Best Books of 2009 by The Atlantic Named One of the 10 Top Lincoln Books by Chicago Tribune Winner 2008 PROSE Award for Best Book in U S History and Biography Autobiography Association of American Publishers Winner 2010 Lincoln Prize from the Civil War Institute at Gettysburg College In the first multi volume biography of Abraham Lincoln to be published in decades Lincoln scholar Michael Burlingame offers a fresh look at the life of one of America s greatest presidents Incorporating the field notes of earlier biographers along with decades of research in multiple manuscript archives and long neglected newspapers this remarkable work will both alter and reinforce our current understanding of America s sixteenth president Volume 1 covers Lincoln s early childhood his experiences as a farm boy in Indiana and Illinois his legal training and the political ambition that led to a term in Congress in the 1840s In volume 2 Burlingame examines Lincoln s life during his presidency and the Civil War narrating in fascinating detail the crisis over Fort Sumter and Lincoln s own battles with relentless office seekers hostile newspaper editors and incompetent field commanders Burlingame also offers new interpretations of Lincoln s private life

discussing his marriage to Mary Todd and the untimely deaths of two sons to disease In volume 2 Burlingame examines Lincoln's presidency and the trials of the Civil War He supplies fascinating details on the crisis over Fort Sumter and the relentless office seekers who plagued Lincoln He introduces readers to the president's battles with hostile newspaper editors and his quarrels with incompetent field commanders Burlingame also interprets Lincoln's private life discussing his marriage to Mary Todd the untimely death of his son Willie to disease in 1862 and his recurrent anguish over the enormous human costs of the war
